The Department of Social Services is authorized to include eligible costs in its claim for Temporary Assistance for Needy Families Maintenance of Effort requirements.

B. It is the intent of the General Assembly that the Commissioner, Department of Social Services shall work with localities that seek to voluntarily merge and consolidate their respective local departments of social services. No funds appropriated under this act shall be used to require a locality to merge or consolidate local departments of social services.

C.1. Out of this appropriation, \$627,458 the first year and \$627,458 the second year from the general fund and \$969,542 the first year and \$969,542 the second year from nongeneral funds shall be provided to support the statewide 2-1-1 Information and Referral System which provides resource and referral information on many of the specialized health and human resource services available in the Commonwealth, including child day care availability and providers in localities throughout the state, and publish consumer-oriented materials for those

interested in learning the location of child day care providers.

2. The Department of Social Services shall request that all state and local child-serving agencies within the Commonwealth be included in the Virginia Statewide Information and Referral System as well as any agency or entity that receives state general fund dollars and provides services to families and youth. The Secretary of Health and Human Resources, the Secretary of Education and Workforce, and the Secretary of Public Safety and Homeland Security shall assist in this effort by requesting all affected agencies within their secretariats to submit information to the statewide Information and Referral System and ensure that such information is accurate and updated annually. Agencies shall also notify the Virginia Information and Referral System of any changes in services that may occur throughout the year.

3. The Department of Social Services shall communicate with child-serving agencies within the Commonwealth about the availability of the statewide Information and Referral System. This information shall also be communicated via the Department of Social Services' broadcast system on their agency-wide Intranet so that all local and regional offices can be better informed about the Statewide Information and Referral System. Information on the Statewide Information and Referral System shall also be included within the department's electronic mailings to all local and regional offices at least biannually.

D.1. Within 30 days of awarding or amending any contract related to the Virginia Case Management System (VaCMS), the Department of Social Services (DSS) shall provide the Chairmen of the House Appropriations and Senate Finance Committees, and Director, Department of Planning and Budget with a copy of the contract, including any fiscal implications.

2. Any approved increases in funding requests shall be reported by DSS to the Chairmen of House Appropriations and Senate Finance Committees within 30 days.

E. At least 60 days prior to the modification of any public guidance document, handbook, manual, or state plan, the Department of Social Services (DSS) shall provide written notification to the Governor and the Director of the Department of Planning and Budget as to the purpose of such change. This notice shall also assess whether the amendment may require any 1) future state regulatory action; 2) increase in local costs; and/or 3) any state expenditure beyond that which is appropriated in this Act. This notice does not exempt the agency from any requirements set forth within § 4-5.03 of this Act.

F. The Virginia Department of Social Services and the Virginia Department of Education shall develop a plan to transfer the Child Care Development Fund grant from the Virginia Department of Social Services to the Virginia Department of Education no later than July 1, 2021. The plan shall be submitted to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees no later than August 15, 2020. Such plan shall confirm the funding amounts and positions that need to be transferred between the impacted agencies, and shall identify any savings or additional costs associated with the transfer of these programs.
