The Virginia Racing Commission shall report monthly to the Chairs of the House Appropriations and Senate Finance and Appropriations Committees on the gross gaming revenues generated from traditional horse racing wagering and from historical horse racing (HHR) wagering from any significant infrastructure limited licensee facility and each satellite facility licensee authorized for operation in the Commonwealth. The Commission may take any steps necessary to accomplish the investigation, including negotiations with the Board of Directors, but shall not expend state funds for the purchase, transfer, or lease of real property unless specifically appropriated for that purpose or approved by the General Assembly.
