*2. If the general registrar finds during the examination of a returned absentee ballot envelope that the required voter affirmation was not correctly or completely filled out or that a procedure required by § 24.2-707 was not properly followed, and such error or failure shall render the ballot void by law, the general registrar shall, within three days of such finding, notify the voter of the error or failure. Such notice shall be made by phone, email, or in writing, and shall provide information to the voter on how to correct the issue so his ballot may be counted.
