## VIRGINIA STATE BUDGET

## 2021 Special Session I Budget Bill - HB1800 (Enrolled)

Bill Order » Office of Education » Item 221 Virginia Community College System

Item 221	First Year - FY2021	Second Year - FY2022
Higher Education Student Financial Assistance (10800) a sum sufficient, estimated at	<del>\$121,054,661</del> <i>\$84,283,661</i>	<del>\$119,054,661</del> \$125,404,661
Scholarships (10810)	<del>\$121,054,661</del> <i>\$84,283,661</i>	<del>\$119,054,661</del> <i>\$125,404,661</i>
Fund Sources:		
General	<del>\$88,607,355</del> \$51,836,355	<del>\$86,607,355</del> \$86,957,355
Higher Education Operating	\$32,447,306	<del>\$32,447,306</del> \$ <i>38,447,306</i>

Authority: Title 23.1, Chapter 29, Code of Virginia.

A. Out of this appropriation, \$150,000 the first year and \$150,000 the second year from the general fund is designated for Tidewater Community College to support an apprenticeship program for Virginia's shipyard workers. All general fund amounts appropriated for this apprenticeship program shall be used to provide scholarships to shipyard workers enrolled in the program. The conditions for receiving a scholarship shall be those conditions described in § 23.1-2912, Code of Virginia.

B.1. Funding in this Item shall be allocated for the Virginia Guarenteed Assistance Program, the Commonwealth Award and need-based student financial assistance for industry-based certifications or related programs that do not qualify for other sources of student financial assistance.

2. Out of this appropriation, \$2,000,000 the first year from the general fund is designated for students enrolled in eligible workforce programs at the Virginia Community College System and Richard Bland College in partnership with the VA Ready program. This partnership leverages private resources in order to assist Virginians unemployed as a result of the COVID-19 pandemic to earn credentials in high demand fields.

C. Up to 15 percent of the funding in this item may be used to support Virginia Guaranteed Assistance Program eligible students for (1) priority funding who are enrolled in Data Science and Technology, Science and Engineering, Healthcare and Education programs and (2) as a grant for students in innovative internship programs provided that the institutions has at least one private sector partner and the grant is matched equally by the partner with non-state funding and / or the institution from private funds.

D. 1. Out of this appropriation, \$34,500,000 each the second year from the general fund is designated for the Get Skilled, Get a Job, Give Back Program (G3 Program). The G3 Program will offer financial assistance to low- and middle-income Virginia residents who are eligible for in-state tuition pursuant to § 23.1, Code of Virginia, and who are enrolled in a program at a Virginia public associate degree-granting institution that leads to an occupation in a high-demand field. A high-demand field means a discipline or field in which there is a shortage of skilled workers to fill current and anticipated additional job vacancies.

The programs covered under the G3 Program by Classification of Instructional Program (CIP) Codes are as follows:

## **CIP Code Description**

- 11.0101 Computer and Information Sciences, General 11.0103 Information Technology 11.0201 Computer Programming/ Programmer, General 11.0701 **Computer Science** 11.0801 Web Page, Digital/Multimedia and Information Resources Design 11.0901 **Computer Systems Networking and Telecommunications** 11.1001 Network and System Administration/ Administrator 11.1003 Computer and Information Systems Security/Information Assurance 13.0101 Education, General 13.1013 Education/Teaching of Individuals with Autism 13.1501 Teacher Assistant/Aide 15.0000 **Engineering and Engineering-Related Fields** 15.0101 Architectural Engineering Technology/Technician 15.0201 Civil Engineering Technology/Technician 15.0303 Electrical, Electronic and Communications Engineering Technology/Technician 15.0305 Telecommunications Technology/Technician 15.0599 Environmental Control Technologies/Technicians, Other 15.0612 Industrial Technology/Technician 15.0613 Manufacturing Engineering Technology/Technician 15.0699 Industrial Production Technologies/Technicians, Other 15.0899 Mechanical Engineering Related Technologies/Technicians, Other 15.0901 Mining Technology/Technician

2. a. The Board of Workforce Development shall keep a list of high-demand fields and related educational programs. The Board of Workforce Development, in consultation with the Virginia Community College System, the

State Council of Higher Education for Virginia, and the Chief Workforce Development Advisor, shall make recommendations to the General Assembly to help determine additions and changes to the high-demand fields for which programs may be offered pursuant to this item. The Virginia Board of Workforce Development, in consultation with the System, the Council, and the staffs of the House Committee on Appropriations and Senate Committee on Finance and Appropriations, shall make recommendations to the Governor and General Assembly, no later than December 1 of each year, for additions or other changes to the high-demand fields that qualify for financial assistance under the G3 Program.

b. All additions and changes to the eligible high-demand fields for which programs may be offered pursuant to this item shall be approved by the General Assembly prior to implementation.

3. In order to be eligible for financial assistance under this program at a qualified public institution, an applicant shall:

a. Receive a total household income less than or equal to four hundred percent of the Federal Poverty Level;

b. Be enrolled or accepted for enrollment as a full-time or part-time student at an approved institution in an approved program specific to a high-demand field, as specified in paragraph D.1., and shall be enrolled in a minimum of six credit hours per semester, or in an eligible non-credit program;

c. Have submitted complete applications for federal and state student financial aid programs for which they may be eligible.

d. In addition, healthcare workers, first responders and other essential workers as defined under Phase 1a and 1b of the Center for Disease Control (CDC) and Virginia Department of Health (VDH) and that are serving in the frontline of the COVID-19 pandemic shall, subject to the provisions of paragraph D.1. of this item, be eligible for programs offered under the G-3 initiative that enhance or upgrade their skills at no cost during the period that is covered under the state of emergency and for two years thereafter.

4. In order to remain eligible for financial assistance under this program at an approved institution, a participating student shall:

a. Meet standards for Satisfactory Academic Progress and maintain the required grade point average established by federal Higher Education Act of 1965 Title IV requirements;

b. Demonstrate reasonable progress to complete their specific program of study to earn an associate degree in no more than three years;

c. Not exceed 150 percent of required credits of certificate or degree.

5. a. Payments out of this appropriation shall provide (i) grants up to the amount necessary to pay for the lastdollar cost of the enrolled institution's tuition, mandatory fees, and textbook stipend for eligible students after all other qualified federal and state financial aid,, and (ii) a Student Support Incentive Grant up to \$2,250 per year for eligible students who are enrolled full-time and receive full Federal Pell Grants.

b. Each Student Support Incentive Grant shall be distributed to the eligible students in two equal payments, with the first disbursement after the census date for the enrollment period is reached, and the final disbursement at the end of the term of which the students qualified. Students who withdraw or stop attending during the term shall not receive additional payments and shall be subject to repayment of the funds already received. An eligible student may receive up to \$900 per semester and up to \$450 per Summer Term.

6. a. Funds for marketing and public awareness efforts to increase participation in the program are contained in

Item 220 U. of this act.

b. By September 1, <del>2020</del>*2021*, the governing boards of Virginia's public associate degree-granting institutions shall develop policies and procedures to ensure that program participation does not exceed budget appropriation.

7. a. No later than September 1 of each year, each Virginia public associate degree-granting institution shall submit to the State Council of Higher Education for Virginia and the Virginia Community College System a report with data from the previous fiscal year on program participation and completion, including data on what high-demand fields are supported by students at each institution.

b. The Council and System shall work collaboratively to compile the data provided by each public associate degreegranting institution and report such data, in aggregate and by institution annually, to the Governor, the Chairs of the House Appropriations and Senate Finance and Appropriations Committees, the Senate Education and Health Committee, and the House Education Committee. The report must include student enrollment, retention rates between terms and academic years, wage data including median wages prior to enrollment and one year after completion of a credential or degree, wage rates of students who have not enrolled in over a year and did not complete a credential, and a comparison of demand of jobs and completion rates. The report must disaggregate the information above by program of study, college, and student income level at start of program.
