Authority: Title 16.1, Article 18, and Title 37.2, Chapters 2, 3, 4, 5, 6 and 7, and Title 2.2, Chapters 26 and 53 Code of Virginia; P.L. 102-119, Federal Code.

A. Out of this appropriation, \$5,200,000 the first year and \$5,200,000 the second year from the general fund shall be used for Developmental Disability Health Support Networks in regions served, or previously served, by Southside Virginia Training Center, Central Virginia Training Center, Northern Virginia Training Center, and Southwestern Virginia Training Center.

B. Out of this appropriation, ~~\$565,000~~\$705,000 the first year and ~~\$565,000~~\$705,000 the second year from the general fund shall be used to provide community-based services to individuals transitioning from state training centers to community settings who are not eligible for Medicaid.

C.1. Out of this appropriation, \$11,448,000 the first year and ~~\$16,448,000~~\$25,222,784 the second year from the general fund shall be used to address census issues at state facilities by providing community-based services for those individuals determined clinically ready for discharge or for the diversion of admissions to state facilities by purchasing acute inpatient or community-based psychiatric services.

2. Out of this appropriation, \$2,500,000 the first year and \$2,500,000 the second year from the general fund is provided for the development or acquisition of clinically appropriate housing options to provide comprehensive community-based care for individuals in state hospitals who have complex and resource-intensive needs who have been clinically determined able to move from a hospital to a more integrated setting. In addition, \$250,000 the second year from the general fund is provided for a community support team to assist housing providers in addressing the complex needs of residents who have been discharged from state facilities or individuals who are at risk of institutionalization.

3. The Department of Behavioral Health and Developmental Services shall establish and facilitate a workgroup to review and make recommendations on the allocation and use of discharge assistance funding, including

recommendations for creating the services and housing needed for individuals leaving state hospitals. The Department shall submit its recommendation to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2020.

D. Out of this appropriation, \$4,500,000 the first year and \$4,500,000 the second year from the general fund shall be provided to the Department of Behavioral Health and Developmental Services to provide alternative transportation for adults and children under a temporary detention order. The department shall structure the contract to phase in the program over a three-year period such that in year three the contract will result in the provision of services statewide. The department shall report to the Governor and Chairmen of the House Appropriations and Senate Finance Committees on the effectiveness and outcomes of the program funding by October 1 of each year.

N.1. Out of this appropriation, \$3,547,000 the second year from the general fund shall be used to support the diversion and discharge of individuals with a diagnosis of dementia. Priority shall be given to those individuals who would otherwise be served by state facilities.

2. Of the amounts in N.1., \$2,820,000 shall be used to establish contracts to support the diversion and discharge into private settings of individuals with a diagnosis of dementia.

3. Of the amounts in N.1., \$727,000 shall be used for a pilot mobile crisis program targeted for individuals with a diagnosis of dementia.

4. The Secretary of Health and Human Resources shall convene a workgroup including the Department of Behavioral Health and Developmental Services, the Department of Social Services, the Department of Aging and Rehabilitative Services, providers, and other stakeholders, to identify existing services and make recommendations for the development, evaluation, implementation, and scaling-up of evidence-based and evidence-informed services for persons living with dementia in order to improve quality and availability of care and reduce preventable hospitalizations. The workgroup shall also include as part of its analysis, an evaluation of the Northern Virginia Regional Older Adult Facilities Mental Health Support Team (RAFT) and determine the feasibility of replicating the RAFT model elsewhere in the Commonwealth to support persons living with dementia with disruptive behaviors or severe and persistent behavioral health conditions. The workgroup shall report to the Governor and the Chairmen of the House Appropriations and Senate Finance and Appropriations Committees, and the Joint Commission on Health Care by November 1, 2021.

O. Out of this appropriation, \$50,000 from the general fund the first year is provided to the Appalachian Center for Hope for administrative planning and start up funding for its addiction recovery, reentry and residential drug treatment program and to cover transition costs.

P. Out of this appropriation, \$8,774,784 from the general fund the second year is provided from a transfer from Item 322 for Community Services Boards and a Behavioral Health Authority to divert admissions from state hospitals by purchasing acute inpatient or community-based psychiatric services at private facilities. This funding shall continue to be allocated to Community Services Boards and a Behavioral Health Authority for such purpose in an efficient and effective manner so as not to disrupt local service contracts and to allow for expeditious reallocation of unspent funding between Community Services Boards and a Behavioral Health Authority.
