The department shall reduce payments by any federal or state relief or insurance payments received by the eligible applicant for property repairs or damage related to the disaster described in paragraph L.1. of this item.

3. Payments under paragraph L. of this item shall be subject to the availability of funds. If claims exceed available funds, the department shall make payments in the order that claims were received.

4. The department shall not provide relief under this section for realty that was abandoned or uninhabited at the time of the disaster described in paragraph L.1. of this item.

5. No recourse may be had by any person, organization, or entity against a recipient of payment under this paragraph, absent any evidence of misuse of funds. Misuse of funds shall be established by a showing that a recipient knowingly misapplied the proceeds of a payment received under this paragraph. If a showing of misuse of funds has been made, then a person may seek recourse against the recipient for an amount no greater than the extent of the payment.

6. Relief awarded pursuant to this paragraph is excluded from gross income and is not subject to taxation.
