Of this amount, the allocation for Recreational Access Roads shall be \$1,500,000 the first year and \$1,500,000 the second year. It is the intent of the General Assembly that up to \$250,000 of the funds allocated by the Commonwealth Transportation Board for Recreational Access Roads in this Item shall be prioritized for handicapped accessibility improvements at Virginia State Parks, including improvements to handicapped access points and parking facility enhancements as may be requested by the Department of Conservation and Recreation.

B. E. The Department of Transportation shall report on an annual basis to the Commonwealth Transportation Board on the impact of adjusting the payments made as part of Financial Assistance to Localities distributions for inflation consistent with adjustments for highway system maintenance and operations.

These payments shall be treated the same as other Commonwealth Transportation Board payments to localities for highway maintenance. These funds shall not be used for other activities nor shall they supplant other local government expenditures for roadway maintenance. These funds shall be distributed to the localities on a pro rata basis in accordance with the formula set out in § 58.1-3403 D, Code of Virginia; however, the proportion of the funds distributed based on cargo traveling through each port facility shall be distributed on a pro rata basis according to twenty-foot equivalent units.
