Authority: § 32.1-2, Code of Virginia.

A.1. Out of this appropriation, $832,946 the first year and $832,946 the second year from the general fund and $2,400,000 the first year and $2,400,000 the second year from the federal Temporary Assistance for Needy Families (TANF) block grant shall be used to contract with Families Forward. In the event that the Families Forward changes its name; the provisions of this item shall apply to the successor organization provided that the required program purposes outlined in paragraph A.2. through A.4. are still achieved.

2. The purpose of the program is to develop, expand, and operate a network of local public-private partnerships providing comprehensive care coordination, family support and preventive medical and dental services to low-income, at-risk children.

3. The general fund appropriation in this Item for the Families Forward projects shall not be used for administrative costs.

4. Families Forward shall continue to pursue raising funds and in-kind contributions from local communities. It is the intent of the General Assembly that the Families Forward program increases its efforts to raise funds from local communities and other private or public sources with the goal of reducing reliance on general fund appropriations in the future.

5. Of this appropriation, from the amounts in paragraph A.1., $24,679 the first year and $24,679 the second year from the general fund shall be used to contract with CHIP of Roanoke and shall be used as matching funds to support three full-time equivalent public health nurse positions to services in the Roanoke Valley and Allegheny Highlands.

B. Out of this appropriation $53,241 the first year and $53,241 the second year from the general fund shall be used to contract with the Alexandria Neighborhood Health Services, Inc. to promote the health of women in Alexandria, Arlington, Fairfax County, and Falls Church, to prevent illness and injury and provide early treatment for serious health conditions. The contract with Alexandria Neighborhood Health Services Inc. (ANHSI) shall require that ANHSI provide comprehensive women's health care with a focus on preventative health services and screenings to low income, uninsured women. Women's health care services shall focus on preventative screenings. Blood pressure screening and body mass index shall be performed at each visit. The organization shall pursue raising

funds and in-kind contributions from the local community.

C. Out of this appropriation $5,982 the first year and $5,982 the second year from the general fund shall be used to contract with the Louisa County Resource Council to promote, develop, and encourage activities to deliver community-based services to disadvantaged Louisa County residents. The contract with Louisa County Resource Council shall require that the council provide assistance to income-eligible residents in meeting various needs of the clients including medication assistance, outreach assistance, and medical care referrals by exploring affordable options. The council shall continue to pursue raising funds and in-kind contributions from the local community.

D. Out of this appropriation, $7,837 the first year and $7,837 the second year from the general fund shall be used to contract with the Olde Towne Medical Center. The contract with Olde Towne Medical Center shall require that the center provide cost effective, comprehensive primary and preventive health care (including obstetrical care) and oral health care to the uninsured, Medicaid, and Medicare residents in the City of Williamsburg, James City County, and York County. The population served shall include adults and children.

E.1. Out of this appropriation, $433,750 the first year and $433,750 the second year from the general fund shall be used to contract with the Virginia Community Healthcare Association (VCHA). The contract with VCHA shall require that the association purchase pharmaceuticals and medically necessary pharmacy supplies, and to provide pharmacy services to low-income, uninsured patients of the Community and Migrant Health Centers throughout Virginia. The uninsured patients served with these funds shall have family incomes no greater than 200 percent of the federal poverty level. The amount allocated to each Community and Migrant Health Center shall be determined through an allocation methodology developed by the Virginia Community Healthcare Association. The allocation methodology shall ensure that funds are distributed such that the Community and Migrant Health Centers are able to serve the pharmacy needs of the greatest number of low-income, uninsured persons. The Virginia Community Healthcare Association shall establish accounting and reporting mechanisms to track the disbursement and expenditure of these funds.

2. Out of this appropriation, $175,000 the first year and $175,000 the second year from the general fund shall be used to contract with the Virginia Community Healthcare Association. The contract with VCHA shall require that the association expand access to care provided through community health centers.

3. Out of this appropriation, $2,800,000 the first year and $2,800,000 the second year from the general fund shall be used to contract with the Virginia Community Healthcare Association. The contract with VCHA shall require that the association support community health center operating costs for services provided to uninsured clients. The amount allocated to each Community and Migrant Health Center shall be determined through an allocation methodology developed by the Virginia Community Healthcare Association. The allocation methodology shall ensure that funds are distributed such that the Community and Migrant Health Centers are able to serve the needs of the greatest number of uninsured persons. The Virginia Community Healthcare Association shall establish accounting and reporting mechanisms to track the disbursement and expenditure of these funds.

F.1. Out of this appropriation, $1,321,400 the first year and $1,321,400 the second year from the general fund shall be used to contract with the Virginia Association of Free and Charitable Clinics (VAFCC). The contract with VAFCC shall require that the organization purchase pharmaceuticals and medically necessary pharmacy supplies, and to provide pharmacy services to low-income, uninsured patients of the Free Clinics throughout Virginia. The amount allocated to each Free Clinic shall be determined through an allocation methodology developed by the Virginia Association of Free and Charitable Clinics. The allocation methodology shall ensure that funds are distributed such that the Free Clinics are able to serve the pharmacy needs of the greatest number of low-income, uninsured adults. The Virginia Association of Free and Charitable Clinics shall establish accounting and reporting mechanisms to track the disbursement and expenditure of these funds.

2. Out of this appropriation, $175,000 the first year and $175,000 the second year from the general fund shall be used to contract with the Virginia Association of Free and Charitable Clinics (VAFCC). The contract with VAFCC

shall require the organization to expand access to health care services.

3. Out of this appropriation, $5,300,000 the first year and $5,300,000 the second year from the general fund shall be used to contract with the Virginia Association of Free and Charitable Clinics (VAFCC). The contract with VAFCC shall require that the organization support free clinic operating costs for services provided to uninsured clients. The amount allocated to each free clinic shall be determined through an allocation methodology developed by the Virginia Association of Free and Charitable Clinics. The allocation methodology shall ensure that funds are distributed such that the free clinics are able to serve the needs of the greatest number of uninsured persons. The Virginia Association of Free and Charitable Clinics shall establish accounting and reporting mechanisms to track the disbursement and expenditure of these funds.
