Authority: §§ [23.1-614](#) and [32.1-122.5:1](#) through [32.1-122.10](#), Code of Virginia.

A. This appropriation shall only be used for the provision of loans or scholarships in accordance with regulations promulgated by the Board of Health, or for the administration, management, and reporting thereof. The department may move appropriation between scholarship or loan repayment programs as long as the scholarship or loan repayment is in accordance with the regulations promulgated by the Board of Health.

B.1. The Virginia Department of Health shall establish the Virginia Behavioral Health Loan Repayment Program. Eligible practitioners include: psychiatrists, licensed clinical psychologists, licensed clinical social workers, licensed professional counselors, child and adolescent psychiatrists, psychiatric physician assistants, psychiatric pharmacists, and psychiatric nurse practitioners. The program shall include a tiered incentive system as follows: (i) Tier I providers: child and adolescent psychiatrists, psychiatric nurse practitioners, and psychiatrists; and (ii) Tier II providers: licensed clinical psychologists, licensed clinical social workers, and licensed professional counselors.

2. For each eligible year of service provided, the practitioner shall receive a year of applicable loan repayment award in return. Loan repayment checks will be submitted at the end of each year of service. Payments will be made directly to the lender. Practitioners must agree to a minimum of two years of practice for the behavioral health provider with the ability for two one-year renewals. The program shall require preference be given to applicants choosing to practice in underserved areas which must be a federally designated mental Health Professional Shortage Area or Medically Underserved Area within the Commonwealth. Practitioners are required to practice at Community Services Boards, behavioral health authorities, state mental health facilities, free clinics, federally qualified health centers and other similar health safety net organizations in order to be eligible for the program. The award amount is up to 25 percent of student loan debt, not to exceed \$30,000 per year for Tier I professionals or \$20,000 per year for Tier II professionals. In no instance shall the loan repayment exceed the total student loan debt.

3. No match contribution from practice sites or the community is required. Loan repayment awards shall be tax exempt.

4. The program shall have an Advisory Board, composed of representatives from stakeholder organizations and community members as determined by the department. The Advisory Board will meet annually and provide

guidance regarding effective outreach and feedback on both programmatic processes and impact. The department shall provide an annual report to the Advisory Board on successes, challenges and opportunities with the program.

5. The Board of Health shall develop regulations consistent with this language in order for the department to administer the program.

C.1. Out of this appropriation, \$500,000 the first year and \$500,000 the second year from the general fund shall be provided to the Virginia Department of Health to establish a Nursing Preceptor Incentive Program. The department shall collaborate with the State Council of Higher Education for Virginia, the Virginia Nurses Association, the Virginia Healthcare and Hospital Association, and other relevant stakeholders on an advanced practice nursing student preceptor grant program. The program shall offer a \$1,000 incentive for any Virginia licensed physician, physician's assistant, or advanced practice registered nurse (APRN) who, in conjunction with a licensed and accredited Virginia public or private not-for-profit school of nursing, provides a clinical education rotation of 250 hours, which is certified as having been completed by the school. The amount of the incentive may be adjusted based on the actual number of hours completed during the clinical education rotation. The program shall seek to reduce the shortage of APRN clinical education opportunities and establish new preceptor rotations for advanced practice nursing students, especially in high demand fields such as psychiatry.

2. The Virginia Health Workforce Development Authority shall develop the process for the consideration of requests for funding from the Nursing Preceptor Incentive Program.

D. Out of this appropriation, \$35,000 the first year and \$35,000 the second year from the general fund is provided for the Nurse Loan Repayment Program to provide loan repayments for certified nurse aides. The total loan repayment allowed per certified nurse aide is limited to no more than \$1,000.
