Central Capital Outlay

Item C-81.50

	First Year - FY2023	Second Year - FY2024
Improvements: Improvements at Thomas Jefferson National Accelerator Facility (18640)	\$43,305,379	\$0
Fund Sources:		
General	\$43,305,379	\$0

Out of this appropriation, \$43,305,379 the first year from the general fund is designated for a capital project at the Thomas Jefferson National Accelerator Facility (Jefferson Lab) located in Newport News, Virginia to construct the infrastructure and a building in support of a high performance data facility. This funding shall remain unallotted until the Governor certifies that the U.S. Department of Energy has approved a project to establish a high performance data facility at Jefferson Lab and authorizes disbursement of funds in this Item to the Southeastern Universities Research Association Doing Business for Jefferson Science Associates, LLC. The Secretary of Finance shall issue guidance on regular reporting required for the use of these funds if the contingency is met.
