b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, \$3,000 for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) ~~and~~; (ii) for taxable years beginning on and after January 1, 2019, but before January 1, 2026 ~~2022~~, \$4,500

b. Each blind or aged taxpayer as defined under § 63(f) of the Internal Revenue Code shall be entitled to an additional personal exemption in the amount of \$800.

The additional deduction for blind or aged taxpayers allowed under this subdivision shall be allowable regardless of whether the taxpayer itemizes deductions for the taxable year for federal income tax purposes.

b. A deduction in the amount of \$12,000 for individuals born after January 1, 1939, who have attained the age of 65. This deduction shall be reduced by \$1 for every \$1 that the taxpayer's adjusted federal adjusted gross income exceeds \$50,000 for single taxpayers or \$75,000 for married taxpayers. For married taxpayers filing separately, the deduction shall be reduced by \$1 for every \$1 that the total combined adjusted federal adjusted gross income of both spouses exceeds \$75,000.

**§ 58.1-439.30. Virginia housing opportunity tax credit.**

A. *Subject to the provisions of subsection H, a housing opportunity tax credit shall be allowed for each qualified project for each year of the credit period, in an amount equal up to the amount of federal low-income housing tax credit allocated or allowed by the Authority to such qualified project, except that there shall be no reduction in the tax credit allowable in the first year of the credit period due to the calculation in 26 U.S.C. § 42(f)(2). The credit shall be allowed ratably for each qualified project, with one-tenth of the credit amount allowed annually for 10*

*years over the credit period, except that there shall be a reduction in the tax credit allowable in the first year of the credit period due to the calculation in 26 U.S.C. § 42(f)(2) and any reduction by reason of 26 U.S.C. § 42(f)(2) in the credit allowable for the first taxable year of the credit period shall be allowable for the first taxable year following the credit period.*

B. 1. For taxable years beginning on and after January 1, 2021, but before January 1, 2026, a qualified taxpayer may claim a housing opportunity tax credit against its Virginia tax liability prior to reduction by any other credits allowed the taxpayer. The housing opportunity tax credit may be allocated by pass-through entities to some or all of its partners, members, or shareholders in any manner agreed to by such persons, regardless of whether or not any such person is allocated or allowed any portion of any federal low-income housing tax credit with respect to the qualified project, whether or not the allocation of the housing opportunity tax credit under the terms of the agreement has substantial economic effect within the meaning of § 704(b) of the Internal Revenue Code, and whether or not any such person is deemed a partner for federal income tax purposes as long as the partner or member would be considered a partner or member as defined under applicable state law, and has been admitted as a partner or member on or prior to the date for filing the qualified taxpayer's tax return, including any amendments thereto, with respect to the year of the housing opportunity tax credit. Such pass-through entities or qualified taxpayer may assign all or any part of its interest, including its interest in the tax credits, to one or more pass-through entities or qualified taxpayers, and the qualified taxpayer shall be able to claim the housing opportunity tax credit so long as its interest is acquired prior to the filing of its tax return claiming the housing opportunity tax credit.

*2. If a housing opportunity tax credit has been awarded according to the terms of subsection G prior to January 1, 2026, such credit may continue to be claimed on a return for taxable years on and after January 1, 2026, but only pursuant to the applicable credit period specified in § 58.1-439.29.*

C. The housing opportunity tax credit authorized by this article shall not be refundable. Any housing opportunity tax credit not used in a taxable year may be carried forward *by a qualified taxpayer* for the succeeding five years.

D. A qualified taxpayer claiming a housing opportunity tax credit shall submit a copy of the eligibility certificate at the time of filing its tax return with the Department. If the owner of the qualified project has applied to the Authority for the eligibility certificate but the Authority has not yet issued the eligibility certificate at the time the qualified taxpayer files its original tax return claiming the housing opportunity tax credit, the taxpayer may claim the housing opportunity tax credit based upon the amount of tax credit set forth in the ~~carryover allocation or 42(m) letter, as applicable,~~ *award letter issued by the Authority for the housing opportunity tax credit* issued to the qualified project and shall amend its tax return to include the eligibility certificate upon its receipt. If the amount of tax credit in the eligibility certificate is different than the amount of tax credit previously claimed, the taxpayer shall adjust the tax credit amount claimed on the amended tax return.

E. If under § 42 of the Internal Revenue Code, as amended, a portion of any federal low-income housing credits taken on a qualified project is required to be recaptured or is otherwise disallowed during the credit period, the taxpayer claiming housing opportunity tax credits with respect to such project shall also be required to recapture a portion of any tax credits authorized by this article. The percentage of housing opportunity tax credits subject to recapture shall be equal to the percentage of federal low-income housing credits subject to recapture or otherwise disallowed during such period. Any tax credits recaptured or disallowed shall increase the income tax liability of the qualified taxpayer who claimed the tax credits in a like amount and shall be included on the tax return of the qualified taxpayer submitted for the taxable year in which the recapture or disallowance event is identified. *The balance of any tax credits recaptured or disallowed shall be allocated by the Authority for any qualified project in accordance with subsection G.*

F. The Authority shall administer the housing opportunity tax credit program and shall be authorized to promulgate the regulations and guidelines necessary to implement and administer ~~the provisions of this article.~~ Such regulations and guidelines may include the imposition of application, allocation, certification, and

monitoring fees designed to recoup the costs of the Authority in administering the housing opportunity tax credit program. The Authority may also promulgate regulations and guidelines in consultation with the Department to allow a qualified project to elect in its application to the Authority to sell all or any portion of its credits awarded pursuant to this article to one or more unrelated taxpayers. Regulations and guidelines regarding the sale of credits, if promulgated, shall not take effect prior to January 1, 2023, and shall not apply to credits awarded prior to January 1, 2023.

*G. 1. Any housing opportunity tax credit amounts authorized in a calendar year that are subsequently (i) canceled and returned to the Authority or (ii) recaptured or disallowed pursuant to subsection E may be awarded in the following calendar year, but no later than December 31, 2025. If the amount of housing opportunity tax credits authorized in a calendar year for qualified projects is less than the total amount of credits available for qualified projects under subdivision H 2, the balance of such credits, in an amount not greater than 15 percent of the amount of credits available for qualified projects under subdivision H 2, (a) shall be allocated by the Authority for any qualified project in the following calendar year, (b) shall not be allocated at any time after such following calendar year, and (c) shall be allocated no later than December 31, 2025.*

*2. For the purposes of this subdivision and notwithstanding any provision in this section to the contrary, the making, placing, or receipt of any bet or wager of money or other consideration or thing of value shall include the purchase of a product, Internet access, or other thing made in exchange for a chance to win a prize, stake, or other consideration or thing of value by means of the operation of a gambling device as described in subdivision 3 b, regardless of whether the chance to win such prize, stake, or other consideration or thing of value may be offered in the absence of a purchase.

b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, \$3,000 for single individuals and \$6,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return) and (ii) for taxable years beginning on and after January 1, 2019, but before January 1, 2026, \$4,500 for single individuals and \$9,000 for married persons (one-half of such amounts in the case of a married individual filing a separate return). b. Provided that the taxpayer has not itemized deductions for the taxable year on his federal income tax return: (i) for taxable years beginning before January 1, 2019, and on and after January 1, 2026, \$3,000 for single individuals

For a regulated investment company and a real estate investment trust, such term means the "investment company taxable income" and "real estate investment trust taxable income," respectively, to which shall be added in each case any amount of capital gains and any other income taxable to the corporation under federal law which shall be further adjusted as provided in subsections B, C, D, E, G, and H.

B. There shall be added to the extent excluded from federal taxable income:

3. [Repealed.]

  - (2) The related member derives at least one-third of its gross revenues from the licensing of intangible property to parties who are not related members, and the transaction giving rise to the expenses and costs between the corporation and the related member was made at rates and terms comparable to the rates and terms of agreements that the related member has entered into with parties who are not related members for the licensing of intangible property; or
  - (3) The corporation can establish to the satisfaction of the Tax Commissioner that the intangible expenses and costs meet both of the following: (i) the related member during the same taxable year directly or indirectly paid, accrued or incurred such portion to a person who is not a related member, and (ii) the transaction giving rise to the intangible expenses and costs between the corporation and the related member did not have as a principal purpose the avoidance of any portion of the tax due under this chapter.
- b. A corporation required to add to its federal taxable income intangible expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of intangible expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such intangible expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter, the Tax Commissioner shall permit the corporation to file an amended return.

For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related intangible expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition. The Tax Commissioner may condition the review of any petition pursuant to this subdivision upon payment of such fee.

b. A corporation required to add to its federal taxable income interest expenses and costs pursuant to subdivision a may petition the Tax Commissioner, after filing the related income tax return for the taxable year and remitting to the Tax Commissioner all taxes, penalties, and interest due under this article for such taxable year including tax upon any amount of interest expenses and costs required to be added to federal taxable income pursuant to subdivision a, to consider evidence relating to the transaction or transactions between the corporation and a related member or members that resulted in the corporation's taxable income being increased, as required under subdivision a, for such interest expenses and costs.

If the corporation can demonstrate to the Tax Commissioner's sole satisfaction, by clear and convincing evidence, that the transaction or transactions between the corporation and a related member or members resulting in such increase in taxable income pursuant to subdivision a had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms, the Tax Commissioner shall permit the corporation to file an amended return. For purposes of such amended return, the requirements of subdivision a shall not apply to any transaction for which the Tax Commissioner is satisfied (and has identified) that the transaction had a valid business purpose other than the avoidance or reduction of the tax due under this chapter and that the related payments between the parties were made at arm's length rates and terms. Such amended return shall be filed by the corporation within one year of the written permission granted by the Tax Commissioner and any refund of the tax imposed under this article shall include interest at a rate equal to the rate of interest established under § 58.1-15 and such interest shall accrue as provided under § 58.1-1833. However, upon the filing of such amended return, any related member of the corporation that subtracted from taxable income amounts received pursuant to subdivision C 21 shall be subject to the tax imposed under this article on that portion of such amounts for which the corporation has filed an amended return pursuant to this subdivision. In addition, for such transactions identified by the Tax Commissioner herein by which he has been satisfied by clear and convincing evidence, the Tax Commissioner may permit the corporation in filing income tax returns for subsequent taxable years to deduct the related interest expenses and costs without making the adjustment under subdivision a.

The Tax Commissioner may charge a fee for all direct and indirect costs relating to the review of any petition pursuant to this subdivision, to include costs necessary to secure outside experts in evaluating the petition.
