A. Notwithstanding the provisions of § 30-19.1:11, for taxable years beginning on or after January 1, 2013, but before January 1, 2028, a person shall be eligible to earn a credit against any tax due under Article 2 (§ 58.1-320 et seq.) or Article 10 (§ 58.1-400 et seq.), Chapter 12 (§ 58.1-1200 et seq.), Chapter 25 (§ 58.1-2500 et seq.), or Article 2 (§ 58.1-2620 et seq.) of Chapter 26 in an amount equal to 65 percent of the value of the monetary or marketable securities donation made by the person to a scholarship foundation included on the list published annually by the Department of Education in accordance with the provisions of § 58.1-439.28.

No tax credit shall be allowed under this article if the value of the monetary or marketable securities donation made by an individual is less than \$500. In addition, tax credits shall be issued only for the first \$125,000 in value of donations made by the individual during the taxable year. The maximum aggregate donations of \$125,000 for the taxable year for which tax credits may be issued and the minimum required donation of \$500 shall apply on an individual basis. Such limitation on the maximum amount of tax credits issued to an individual shall not apply to credits issued to any business entity, including a sole proprietorship.

B. Tax credits shall be issued to persons making monetary or marketable securities donations to scholarship foundations by the Department of Education on a first-come, first-served basis in accordance with procedures established by the Department of Education under the following conditions:

1. The total amount of tax credits that may be issued ~~each fiscal year~~ under this article shall not exceed (i) \$25 million *for each fiscal year before fiscal year 2025 and* (ii) \$30 million *for fiscal year 2025 and each fiscal year thereafter.*

2. Any credit not usable for the taxable year for which first allowed may be carried over for credit against the taxes imposed upon the person pursuant to Article 2 (§ 58.1-320 et seq.) or Article 10 (§ 58.1-400 et seq.), Chapter 12 (§ 58.1-1200 et seq.),

Chapter 25 (§ 58.1-2500 et seq.), or Article 2 (§ 58.1-2620 et seq.) of Chapter 26, as applicable, in the next five succeeding taxable years or until the total amount of the tax credit has been taken, whichever is sooner.

The Department of Education's preauthorization notice shall accompany the monetary or marketable securities donation from the person to the scholarship foundation, which shall, within 40 days, return the notice to the Department of Education certifying the value and type of donation and date received. Upon receipt and approval by the Department of Education of the preauthorization notice with required supporting documentation and certification of the value and type of the donation by the scholarship foundation, the Superintendent of Public Instruction shall as soon as practicable, and in no case longer than 30 days, issue a tax credit certificate to the person eligible for the tax credit. The person shall attach the tax credit certificate to the applicable tax return filed with the Department of Taxation or the State Corporation Commission, as applicable. The Department of Education shall provide a copy of the tax credit certificate to the scholarship foundation.

§ 58.1-1802.1. Period of limitations on collection; accrual of interest and penalty.

A. Where the assessment of any tax imposed by this subtitle has been made within the period of limitation properly applicable thereto, such tax may be collected by levy, by a proceeding in court, or by any other means available to the Tax Commissioner under the laws of the Commonwealth, but only if such collection effort is made or instituted within seven years from the date of the assessment of such tax. Except as otherwise provided in this section, effective for assessments made on and after July 1, 2016, all collection efforts shall cease after such seven-year period even if initiated during the seven-year period. C. If the Department of Taxation has no contact with the delinquent taxpayer for a period of six years and no memorandum of lien has been appropriately filed in a jurisdiction in which such taxpayer owns real estate, interest

and penalty shall no longer be added to the delinquent tax liability. The mailing of notices by the Department to the taxpayer's last known address shall constitute contact with the taxpayer.

D. For purposes of this section, the "last known address" of the taxpayer means the address shown on the most recent return filed by or on behalf of the taxpayer or the address provided in correspondence by or on behalf of the taxpayer indicating that it is a change of the taxpayer's address.

E. In any pending or future administrative or judicial proceeding in which the validity of a tax assessment is an issue, the participation of the Department of Taxation in any capacity shall be considered a collection effort for purposes of this section.

§ 58.1-603. (Contingent expiration date) Imposition of sales tax.

There is hereby levied and imposed, in addition to all other taxes and fees of every kind now imposed by law, a license or privilege tax upon every person who engages in the business of selling at retail or distributing tangible personal property in this Commonwealth, or who rents or furnishes any of the things or services taxable under this chapter, or who stores for use or consumption in this Commonwealth any item or article of tangible personal property as defined in this chapter, or who leases or rents such property within this Commonwealth, in the amount of ~~4.3~~ 5.2 percent:

1. Of the gross sales price of each item or article of tangible personal property when sold at retail or distributed in this Commonwealth.
2. Of the gross proceeds derived from the lease or rental of tangible personal property, where the lease or rental of such property is an established business, or part of an established business, or the same is incidental or germane to such business.

1. Of the cost price of each item or article of tangible personal property used or consumed in this Commonwealth. Tangible personal property that has been acquired for use outside this Commonwealth and subsequently becomes subject to the tax imposed hereunder shall be taxed on the basis of its cost price if such property is brought within this Commonwealth for use within six months of its acquisition; but if so brought within this Commonwealth six months or more after its acquisition, such property shall be taxed on the basis of the current market value (but not in excess of its cost price) of such property at the time of its first use within this Commonwealth. Such tax shall be based on such proportion of the cost price or current market value as the duration of time of use within this Commonwealth bears to the total useful life of such property (but it shall be presumed in all cases that such property will remain within this Commonwealth for the remainder of its useful life unless convincing evidence is provided to the contrary).

§ 58.1-638. Disposition of state sales and use tax revenue.

A. The Comptroller shall designate a specific revenue code number for all the state sales and use tax revenue collected under the preceding sections of this chapter.

The sales and use tax revenue generated by the one-half percent sales and use tax increase enacted by the 1986 Special Session of the General Assembly shall be paid, in the manner hereinafter provided in this section, to the Commonwealth Transportation Fund established pursuant to § 33.2-1524. The Fund's share of such net revenue shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made to the Fund on the last day of each month.

B. The sales and use tax revenue generated by a one percent sales and use tax shall be distributed among the counties and cities of the Commonwealth in the manner provided in subsections C and D.

C. The localities' share of the net revenue distributable under this section among the counties and cities shall be apportioned by the Comptroller and distributed among them by warrants of the Comptroller drawn on the Treasurer of Virginia as soon as practicable after the close of each month during which the net revenue was received into the state treasury. The distribution of the localities' share of such net revenue shall be computed with respect to the net revenue received into the state treasury during each month, and such distribution shall be made as soon as practicable after the close of each such month.

D. The net revenue so distributable among the counties and cities shall be apportioned and distributed upon the basis of the latest yearly estimate of the population of cities and counties ages five to 19, provided by the Weldon Cooper Center for Public Service of the University of Virginia. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who are domiciled in orphanages or charitable institutions or who are dependents living on any federal military or naval reservation or other federal property within the school division in which the institutions or federal military or naval reservation or other federal property is located. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for members of the military services who are under 20 years of age within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for individuals receiving services in state hospitals, state training centers, or mental health facilities, persons who are confined in state or federal correctional institutions, or persons who attend the Virginia School for the Deaf and the Blind within the school division in which the parents or guardians of such persons legally reside. Such population estimate produced by the Weldon Cooper Center for Public Service of the University of Virginia shall account for persons who attend institutions of higher education within the school division in which the student's parents or guardians legally reside. To such estimate, the Department of Education shall add the population of students with disabilities, ages two through four and 20 through 21, as provided to the Department of Education by school divisions. The revenue so apportionable and distributable is hereby appropriated to the several counties and cities for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, which shall be considered as funds raised from local resources. In any county, however, wherein is situated any incorporated town constituting a school division, the county treasurer shall pay into the town treasury for maintenance, operation, capital outlays, debt and interest payments, or other expenses incurred in the operation of the public schools, the proper proportionate amount received by him in the ratio that the school population of such town bears to the school population of the entire county. If the school population of any city or of any town constituting a school division is increased by the annexation of territory since the last estimate of school population provided by the Weldon Cooper Center for Public Service, such increase shall, for the purposes of this section, be added to the school population of such city or town as shown by the last such estimate and a proper reduction made in the school population of the county or counties from which the annexed territory was acquired.

E. Beginning July 1, 2000, of the remaining sales and use tax revenue, the revenue generated by a two percent sales and use tax, up to an annual amount of \$13 million, collected from the sales of hunting equipment, auxiliary hunting equipment, fishing equipment, auxiliary fishing equipment, wildlife-watching equipment, and auxiliary wildlife-watching equipment in Virginia, as estimated by the most recent U.S. Department of the Interior, Fish and Wildlife Service and U.S. Department of Commerce, Bureau of the Census National Survey of Fishing, Hunting, and Wildlife-Associated Recreation, shall be paid into the Game Protection Fund established under § 29.1-101 and shall be used, in part, to defray the cost of law enforcement. Not later than 30 days after the close of each quarter, the Comptroller shall transfer to the Game Protection Fund the appropriate amount of collections to be dedicated to such Fund. At any time that the balance in the Capital Improvement Fund, established under § 29.1-101.01, is equal to or in excess of \$35 million, any portion of sales and use tax revenues that would have been transferred to the Game Protection Fund, established under § 29.1-101, in excess of the net operating expenses of the Board, after deduction of other amounts which accrue to the Board and are set aside for the Game Protection Fund, shall remain in the general fund until such time as the balance in the Capital Improvement Fund is less than \$35 million.

F. 1. Of the net revenue generated from the one-half percent increase in the rate of the state sales and use tax effective August 1, 2004, pursuant to enactments of the 2004 Special Session I of the General Assembly, the Comptroller shall transfer from the general fund of the state treasury to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1 an amount equivalent to one-half of the net revenue generated from such one-half percent increase as provided in this subdivision. The transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund under this subdivision shall be for one-half of the net revenue generated (and collected in the succeeding month) from such one-half percent increase for the month of August 2004 and for each month thereafter.

2. Beginning July 1, 2013, of the remaining sales and use tax revenue, an amount equal to the revenue generated by a 0.125 percent sales and use tax shall be distributed to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund established under § 58.1-638.1, and be used for the state's share of Standards of Quality basic aid payments.

3. For the purposes of the Comptroller making the required transfers under subdivision 1 and 2, the Tax Commissioner shall make a written certification to the Comptroller no later than the twenty-fifth of each month certifying the sales and use tax revenues generated in the preceding month. Within three calendar days of receiving such certification, the Comptroller shall make the required transfers to the Public Education Standards of Quality/Local Real Estate Property Tax Relief Fund.

G. (Contingent expiration date) Beginning July 1, 2020, of the remaining sales and use tax revenue, an amount equal to 20 percent of the revenue generated by a one-half percent sales and use tax, such as that paid to the Commonwealth Transportation Fund as provided in subsection A, shall be paid to the Commonwealth Transportation Fund established pursuant to § 33.2-1524.

The Commonwealth Transportation Fund's share of the net revenue distributable under this subsection shall be computed as an estimate of the net revenue to be received into the state treasury each month, and such estimated payment shall be adjusted for the actual net revenue received in the preceding month. All payments shall be made

to the Fund on the last day of each month.

H. (Contingent expiration date)

D. To qualify for the exemption under subsection C, a nonprofit entity must meet the applicable criteria under this subsection as follows:

3. The entity's annual general administrative costs, including salaries and fundraising, relative to its annual gross

revenue, under generally accepted accounting principles, is not greater than 40 percent; and

4. If the entity's gross annual revenue was at least \$750,000 in the previous year, then the entity must provide a financial review performed by an independent certified public accountant. However, for any entity with gross annual revenue of at least \$1 million in the previous year, the Department may require that the entity provide a financial audit performed by an independent certified public accountant. If the Department specifically requires an entity with gross annual revenue of at least \$1 million in the previous year to provide a financial audit performed by an independent certified public accountant, then the entity shall provide such audit in order to qualify for the exemption under this section, which audit shall be in lieu of the financial review; and

5. If the entity filed a federal 990 or 990 EZ tax form, or the successor forms to such forms, with the Internal Revenue Service, then it must provide a copy of such form to the Department of Taxation; and

6. If the entity did not file a federal 990 or 990 EZ tax form, or the successor forms to such forms, with the Internal Revenue Service, then the entity must provide the following information:

E. On and after July 1, 2004, in addition to the criteria set forth in subsection D, the Department of Taxation shall ask each entity for the total taxable purchases made in the preceding year, unless such records are not available through no fault of the entity. If the records are not available through no fault of the entity, then the entity must provide such information to the Department the following year. No information provided pursuant to this subsection (except the failure to provide available information) shall be a basis for the Department of Taxation to refuse to exempt an entity.

F. Any entity that is determined under subsections C, D, and E by the Department of Taxation to be exempt from paying sales and use tax shall also be exempt from collecting sales and use tax, at its election, if (i) the entity is within the same class of organization of any entity that was exempt from collecting sales and use tax on June 30, 2003, or (ii) the entity is organized exclusively to foster, sponsor, and promote physical education, athletic programs, and contests for youths in the Commonwealth.

G. The duration of each exemption granted by the Department of Taxation shall be no less than five years and no greater than seven years. During the period of such exemption, the failure of an exempt entity to maintain

compliance with the applicable criteria set forth in subsection D shall constitute grounds for revocation of the exemption by the Department. At the end of the period of such exemption, to maintain or renew the exemption, each entity must provide the Department of Taxation the same information as required upon initial exemption and meet the same criteria.

H. For purposes of this section, the Department of Taxation and the Department of Agriculture and Consumer Services shall be allowed to share information when necessary to supplement the information required.

4. Has sold at retail, used, consumed, distributed, *furnished*, or stored for use or consumption in this Commonwealth, *taxable services or* tangible personal property and that cannot prove that the tax levied by this chapter has been paid on the sale at retail, the use, consumption, distribution, or storage of such *taxable services or* tangible personal property;
5. Leases or rents tangible personal property for a consideration, permitting the use or possession of such property without transferring title thereto;

6. Is the lessee or rentee of tangible personal property and that pays to the owner of such property a consideration for the use or possession of such property without acquiring title thereto;

7. As a representative, agent, or solicitor, of an out-of-state principal, solicits, receives and accepts orders from persons in this Commonwealth for future delivery and whose principal refuses to register as a dealer under § 58.1-613; or

8. Becomes liable to and owes this Commonwealth any amount of tax imposed by this chapter, whether it holds, or is required to hold, a certificate of registration under § 58.1-613.

C. A dealer shall be deemed to have sufficient activity within the Commonwealth to require registration under § 58.1-613 if it:

1. Maintains or has within this Commonwealth, directly or through an agent or subsidiary, an office, warehouse, or place of business of any nature;

2. Solicits business in this Commonwealth by employees, independent contractors, agents or other representatives;

3. Advertises in newspapers or other periodicals printed and published within this Commonwealth, on billboards or posters located in this Commonwealth, or through materials distributed in this Commonwealth by means other than the United States mail;

7. Is owned or controlled by the same interests which own or control a business located within this Commonwealth;

8. Has a franchisee or licensee operating under the same trade name in this Commonwealth if the franchisee or licensee is required to obtain a certificate of registration under § [58.1-613](#);

D. A dealer is presumed to have sufficient activity within the Commonwealth to require registration under § [58.1-613](#) (unless the presumption is rebutted as provided herein) if any commonly controlled person maintains a distribution center, warehouse, fulfillment center, office, or similar location within the Commonwealth that facilitates the delivery of tangible personal property sold by the dealer to its customers. The presumption in this subsection may be rebutted by demonstrating that the activities conducted by the commonly controlled person in the Commonwealth are not significantly associated with the dealer's ability to establish or maintain a market in the Commonwealth for the dealer's sales. For purposes of this subsection, a "commonly controlled person" means any person that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered, as the dealer or any other entity that, notwithstanding its form of organization, bears the same ownership relationship to the dealer as a corporation that is a member of the same "controlled group of corporations," as defined in § 1563(a) of the Internal Revenue Code of 1954, as amended or renumbered.

E. Notwithstanding any other provision of this section, the following shall not be considered to determine whether a person that has contracted with a commercial printer for printing in the Commonwealth is a "dealer" and whether such person has sufficient contact with the Commonwealth to be required to register under § 58.1-613:

1. The ownership or leasing by that person of tangible or intangible property located at the Virginia premises of the commercial printer which is used solely in connection with the printing contract with the person;
2. The sale by that person of property of any kind printed at and shipped or distributed from the Virginia premises of the commercial printer;

4. Activities in connection with the printing contract with the person performed by the commercial printer within Virginia for or on behalf of that person.

F. In addition to the jurisdictional standards contained in subsections C and D, nothing contained in this chapter other than in subsection E shall limit any authority that this Commonwealth may enjoy under the provisions of federal law or an opinion of the United States Supreme Court to require the collection of sales and use taxes by any dealer that regularly or systematically solicits sales within this Commonwealth. Furthermore, nothing contained in subsection C shall require any broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher which broadcasts, publishes, or displays or distributes paid commercial advertising in this Commonwealth which is intended to be disseminated primarily to consumers located in this Commonwealth to report or impose any liability to pay any tax imposed under this chapter solely because such broadcaster, printer, outdoor advertising firm, advertising distributor, or publisher accepted such advertising contracts from out-of-state advertisers or sellers.

§ 58.1-623. Sales or leases presumed subject to tax; exemption certificates.

A. All sales or leases are subject to the tax until the contrary is established. The burden of proving that a sale; or distribution; *of taxable services or tangible personal property or the lease*; or storage of tangible personal property is not taxable is upon the dealer unless he takes from the taxpayer a certificate to the effect that the property is exempt under this chapter. However, the sale or distribution of cigarettes shall be subject to the provisions of § 58.1-623.2 and require a cigarette exemption certificate issued pursuant to § 58.1-623.2.

B. The certificate mentioned in this section shall relieve the person who takes such certificate from any liability for

the payment or collection of the tax, except upon notice from the Tax Commissioner that such certificate is no longer acceptable. Such certificate shall be signed by and bear the name and address of the taxpayer; shall indicate the number of the certificate of registration, if any, issued to the taxpayer; shall indicate the general character of the *taxable service or tangible personal property* sold, distributed, leased, or stored, or to be sold, distributed, leased, or stored under a blanket exemption certificate; and shall be substantially in such form as the Tax Commissioner may prescribe. If an exemption pertains to a nonprofit organization, other than a nonprofit church, that has qualified for a sales and use tax exemption under § 58.1-609.11, the exemption certificate shall be valid until the scheduled expiration date stated on the exemption certificate.

C. If a taxpayer who gives a certificate under this section makes any use of the *taxable service or tangible personal property* other than an exempt use or retention, demonstration, or display while holding the property for resale, distribution, or lease in the regular course of business, such use shall be deemed a taxable sale by the taxpayer as of the time the property *or service* is first used by him, and the cost of the property *or service* to him shall be deemed the sales price of such retail sale. If the sole use of the property *or service* other than retention, demonstration, or display in the regular course of business is the rental of the property or service while holding it for sale, distribution, or lease, the taxpayer may elect to pay the tax on the amount of the rental charged, rather than the cost of the property *or service* to him.

D. If a taxpayer gives a certificate under this section with respect to the purchase of fungible goods and thereafter commingles these goods with other fungible goods not so purchased, but of such similarity that the identity of the constituent goods in the commingled mass cannot be determined, sales or distributions from the mass of commingled goods shall be deemed to be sales or distributions of the goods so purchased until a quantity of commingled goods equal to the quantity of purchased goods so commingled has been sold or distributed.

E. If a taxpayer fails to give the dealer at the time of purchase an exemption certificate previously issued by the Department, no interest shall be paid on a subsequent refund claim for any period prior to the date the taxpayer makes a complete refund claim with the Department. This subsection shall not apply to transactions exempted under self-executing certificates of exemption not issued to a specific taxpayer by the Department.

B. The sales price on which the tax is levied shall not include charges for any of the following: (i) an excise, sales, or similar tax levied by the United States or any state or local government on the purchase, sale, use, or consumption of any communications service that is permitted or required to be added to the sales price of such service, if the tax is stated separately; (ii) a fee or assessment levied by the United States or any state or local government, including but not limited to, regulatory fees and emergency telephone surcharges, that is required to be added to the price of service if the fee or assessment is separately stated; (iii) coin-operated communications services; (iv) sale or recharge of a prepaid calling service; (v) provision of air-to-ground radiotelephone services, as that term is defined in 47 C.F.R. § 22.99; (vi) a communications services provider's internal use of communications services in

8. The Department of Taxation shall develop guidelines implementing the provisions of the seventh enactment clause of this Act. Such guidelines shall be exempt from the provisions of the Administrative Process Act (§ 2.2-4000 et seq.).
