For taxable years beginning on and after January 1, 2019, the actual amount of real and personal property taxes imposed by the Commonwealth or any other taxing jurisdiction not otherwise deducted solely on account of the dollar limitation imposed on individual deductions by § 164(b)(6)(B) of the Internal Revenue Code.

17. For taxable years beginning before January 1, 2021, up to \$100,000 of the amount that is not deductible when computing federal adjusted gross income solely on account of the portion of subdivision B 10 of § 58.1-301 related to Paycheck Protection Program loans.

18. For taxable years beginning on and after January 1, 2022, but before January 1, 2025, the lesser of \$500 or the actual amount paid or incurred for eligible educator qualifying expenses. For purposes of this subdivision, "eligible educator" means an individual who for at least 900 hours during the taxable year in which the credit under this section is claimed served as a teacher licensed pursuant to Chapter 15 (§ 22.1-289.1 et seq.) of Title 22.1, instructor, student counselor, principal, special needs personnel, or student aide serving accredited public or private primary and secondary school students in Virginia, and "qualifying expenses" means 100 percent of the amount paid or incurred by an eligible educator during the taxable year for participation in professional development courses and the purchase of books, supplies, computer equipment (including related software and services), other educational and teaching equipment, and supplementary materials used directly in that individual's service to students as an eligible educator, provided that such purchases were neither reimbursed nor claimed as a deduction on the eligible educator's federal income tax return for such taxable year.

19. For taxable years beginning on and after January 1, 2026, the amount paid or cost incurred for installing a qualifying upgrade required to interconnect a triggering project. No deduction shall be allowed under this section for a taxpayer who has claimed a deduction under subsection I of § 58.1-402 for the same amount paid or cost incurred to install such qualifying upgrade.

For purposes of this subdivision, "qualifying upgrade" and "triggering project" have the same meanings as provided for those terms in § 56-596.5.

§ 58.1-332. Credits for taxes paid other states.

A. Whenever a Virginia resident has become liable to another state for income tax on any earned or business income or any gain on the sale of a capital asset (within the meaning of § 1221 of the Internal Revenue Code), not

including an asset used in a trade or business, to the extent that such gain is included in federal adjusted gross income, for the taxable year, derived from sources outside the Commonwealth and subject to taxation under this chapter, the amount of such tax payable by him shall, upon proof of such payment, be credited on the taxpayer's return with the income tax so paid to the other state.

However, no franchise tax, license tax, excise tax, unincorporated business tax, occupation tax or any tax characterized as such by the taxing jurisdiction, although applied to earned or business income, shall qualify for a credit under this section, nor shall any tax which, if characterized as an income tax or a commuter tax, would be illegal and unauthorized under such other state's controlling or enabling legislation qualify for a credit under this section.

The credit allowable under this section shall not exceed: (i) such proportion of the income tax otherwise payable by him under this chapter as his income upon which the tax imposed by the other state was computed bears to his Virginia taxable income upon which the tax imposed by this Commonwealth was computed or (ii) the income tax otherwise payable under this chapter in the event that the income upon which the tax imposed by the other state is computed is less than the Virginia taxable income upon which the tax imposed by this Commonwealth is computed and all income derived from sources outside the Commonwealth and subject to taxation under this chapter is earned income or business income reported on federal form Schedule C from a single state contiguous to Virginia. The credit provided for by this section shall not be granted to a resident individual when the laws of another state, under which the income in question is subject to tax assessment, provide a credit to such resident individual substantially similar to that granted by subsection B of this section.

B. Whenever a nonresident individual of this Commonwealth has become liable to the state where he resides for income tax upon his Virginia taxable income for the taxable year, derived from Virginia sources and subject to taxation under this chapter, the amount of such tax payable under this chapter shall be credited with such proportion of the tax so payable by him to the state where he resides, upon proof of such payment, as his income subject to taxation under this chapter bears to his entire income upon which the tax so payable to such other state was imposed. The credit, however, shall be allowed only if the laws of such state: (i) grant a substantially similar credit to residents of Virginia subject to income tax under such laws or (ii) impose a tax upon the income of its residents derived from Virginia sources and exempt from taxation the income of residents of this Commonwealth. No credit shall be allowed against the amount of the tax on any income taxable under this chapter which is exempt from taxation under the laws of such other state.

C. 1. For purposes of this section, the amount of any state income tax paid by an electing small business corporation (S corporation) shall be deemed to have been paid by its individual shareholders in proportion to their ownership of the stock of such corporation.

2. For taxable years beginning on and after January 1, 2021, ~~but before January 1, 2026~~, for purposes of this section, the amount of any state income tax paid by a pass-through entity under a law of another state substantially similar to § 58.1-390.3 shall be deemed to have been paid by its individual owners in proportion to their ownership.

§ 58.1-339.8. Income tax credit for low-income taxpayers.

B. 1. For taxable years beginning on and after January 1, 2000, any individual or married individuals filing jointly whose family Virginia adjusted gross income does not exceed 100 percent of the poverty guideline amount corresponding to a household of an equal number of persons as listed in the poverty guidelines published during such taxable year, shall be allowed a nonrefundable credit against the tax levied pursuant to § 58.1-320 in an amount equal to \$300 each for the individual, the individual's spouse, and any person claimed as a dependent on the individual's or married individuals' income tax return for the taxable year. For any taxable year in which married individuals file separate Virginia income tax returns, the credit provided under this section shall be allowed against the tax for only one of such two tax returns. Additionally, the credit provided under this section shall not be allowed against such tax of a dependent of the individual or of married individuals.

2. For taxable years beginning on and after January 1, 2006, any individual or married individuals filing jointly, eligible for a tax credit pursuant to § 32 of the Internal Revenue Code, may for the taxable year, in lieu of the credit authorized under subdivision 1, claim a nonrefundable credit against the tax imposed pursuant to § 58.1-320 in an amount equal to 20 percent of the credit claimed by the individual or married individuals for federal individual income taxes pursuant to § 32 of the Internal Revenue Code for the taxable year. In no case shall a household be allowed a credit pursuant to this subdivision and subdivision 1 or 3 for the same taxable year.

b. For taxable years beginning on and after January 1, 2025 ~~but before January 1, 2027~~, any individual or married individuals filing jointly may, for the taxable year, in lieu of the credit authorized under subdivision 1 or 2, claim a refundable credit against the tax imposed pursuant to § 58.1-320 in an amount equal to 20 percent of the credit claimed by the individual or married individuals for federal individual income taxes pursuant to § 32 of the Internal Revenue Code for the taxable year.

c. The refundable credit claimed pursuant to this subdivision 3 shall be claimed on the Virginia income tax return and redeemed by the Tax Commissioner. In no case shall a household be allowed a credit pursuant to this subdivision 3 and subdivision 1 or 2 for the same taxable year.

C. The amount of the credit claimed pursuant to subdivision B 1 and B 2, or in the case of a nonresident or a person to which § 58.1-303 applies, subdivision B 3, for any taxable year shall not exceed the individual's or married individuals' Virginia income tax liability.

D. Notwithstanding any other provision of this section, no credit shall be allowed pursuant to subsection B in any taxable year in which the individual, the individual's spouse, or both, or any person claimed as a dependent on such individual's or married individuals' income tax return, claims one or any combination of the following on his or their income tax return for such taxable year:

1. The subtraction under subdivision 8 of § 58.1-322.02;
2. The subtraction under subdivision 15 of § 58.1-322.02;

5. The deduction under subdivision 5 of § 58.1-322.03.

§ 58.1-390.3. Elective income tax on pass-through entities.

A. 1. For taxable years beginning on and after January 1, 2021, but before January 1, 2022, a pass-through entity may make an election, in a format and according to such requirements and procedures to be established by the Department, to pay the tax levied by this section at the entity level for the taxable year. Such election shall be made on or before a date to be determined by the Department, which shall be set no earlier than one year after the extended due date for filing the applicable return. Notwithstanding §§ 58.1-1812 and 58.1-1833, no interest shall accrue on underpayments or overpayments solely attributable to such election.

2. For taxable years beginning on and after January 1, 2022, ~~but before January 1, 2027~~, a pass-through entity may make an annual election, on its timely filed return pursuant to § 58.1-392, to pay the tax levied by this section at the entity level for the taxable period covered by such return. Such election shall be made on or before the due date for filing the applicable return, including any extensions that have been granted.

B. A tax at the rate of 5.75 percent is hereby annually imposed on the Virginia taxable income, as calculated pursuant to § 58.1-391 but taking into account only the pro rata or distributive share of each item of income, gain, loss, or deduction attributable to eligible owners, for each taxable year of every pass-through entity that makes the election provided under subsection A.

C. In computing the tax imposed by this section, the pro rata or distributive share of the Virginia taxable income of each nonresident eligible owner shall be limited to income that is attributable to Virginia sources and shall be subject to the modifications to income as described in §§ 58.1-322.01 through 58.1-322.04.

D. A pass-through entity that elects to pay the tax levied by subsection B shall be eligible for all credits, deductions, or other adjustments to taxable income under § 58.1-391, provided that a pass-through entity's taxable income shall be adjusted to eliminate any federal deduction for state and local income taxes.

E. Any person that is subject to the tax imposed under § 58.1-320 or 58.1-360 and is an eligible owner of a pass-through entity making the election pursuant to this section shall be entitled to a credit against the tax imposed, provided that taxable income has been adjusted to add back any deduction for state and local income taxes paid by the pass-through entity. Such credit shall be in an amount equal to such person's pro rata share of the tax paid under this section by any pass-through entity of which such person is an owner. If the amount of the credit allowed pursuant to this subsection exceeds such person's tax liability for the tax imposed under § 58.1-320 or 58.1-360, as applicable, such excess shall be treated as an overpayment and refundable pursuant to § 58.1-499.

F. If any pass-through entity makes an election pursuant to this section, the Department shall assess and collect tax, interest, and penalties as if such tax is a corporate income tax imposed pursuant to the provisions of Article 10 (§ 58.1-400 et seq.).

G. The Department shall develop and make publicly available guidelines implementing the provisions of this section and the credit authorized by subdivision C 2 of § 58.1-332.

15. Semiconductor wafers for use or consumption by a semiconductor manufacturer.
16. Railroad rolling stock when sold or leased by the manufacturer thereof.
17. Computer equipment purchased or leased on or before June 30, 2011, used in data centers located in a Virginia locality having an unemployment rate above 4.9 percent for the calendar quarter ending November 2007, for the processing, storage, retrieval, or communication of data, including but not limited to servers, routers, connections, and other enabling hardware when part of a new investment of at least \$75 million in such exempt property, when

such investment results in the creation of at least 100 new jobs paying at least twice the prevailing average wage in that locality, so long as such investment was made in accordance with a memorandum of understanding with the Virginia Economic Development Partnership Authority entered into or amended between January 1, 2008, and December 31, 2008. The exemption shall also apply to any such computer equipment purchased or leased to upgrade, add to, or replace computer equipment purchased or leased in the initial investment. The exemption shall not apply to any computer software sold separately from the computer equipment, nor shall it apply to general building improvements or fixtures.

18. a. Beginning July 1, 2010, and ending June 30, ~~2035~~2050, except as provided in subdivision 19, computer equipment or enabling software purchased or leased for the processing, storage, retrieval, or communication of data, including but not limited to servers, routers, connections, and other enabling hardware, including chillers and backup generators used or to be used in the operation of the equipment exempted in this paragraph, provided that such computer equipment or enabling software is purchased or leased for use in a data center, which includes any data center facilities located in the same locality as the data center that are under common ownership or affiliation of the data center operator, that (i) is located in a Virginia locality; (ii) results in a new capital investment on or after January 1, 2009, of at least \$150 million; and (iii) results in the creation on or after July 1, 2009, of at least 50 new jobs by the data center operator and the tenants of the data center, collectively, associated with the operation or maintenance of the data center provided that such jobs pay at least one and one-half times the prevailing average wage in that locality. The requirement of at least 50 new jobs is reduced to 10 new jobs if the data center is located in a distressed locality at the time of the execution of a memorandum of understanding with the Virginia Economic Development Partnership Authority. Additionally, the requirement of a \$150 million capital investment shall be reduced to \$70 million for data centers that qualify for the reduced jobs requirement.

This exemption applies to the data center operator and the tenants of the data center if they collectively meet the requirements listed in this section. Prior to claiming such exemption, any qualifying person claiming the exemption, including a data center operator on behalf of itself and its tenants, must enter into a memorandum of understanding with the Virginia Economic Development Partnership Authority that at a minimum provides the details for determining the amount of capital investment made and the number of new jobs created, the timeline for achieving the capital investment and new job goals, the repayment obligations should those goals not be achieved, and any conditions under which repayment by the qualifying data center or data center tenant claiming the exemption may be required. In addition, the exemption shall apply to any such computer equipment or enabling software purchased or leased to upgrade, supplement, or replace computer equipment or enabling software purchased or leased in the initial investment. The exemption shall not apply to any other computer software otherwise taxable under Chapter 6 of Title 58.1 that is sold or leased separately from the computer equipment, nor shall it apply to general building improvements or other fixtures.

b. For purposes of this subdivision 18, "distressed locality" means:

(1) From July 1, 2021, until July 1, 2023, any locality that had (i) an annual unemployment rate for calendar year 2019 that was greater than the final statewide average unemployment rate for that calendar year and (ii) a poverty rate for calendar year 2019 that exceeded the statewide average poverty rate for that year; and

(2) From and after July 1, 2023, any locality that has (i) an annual unemployment rate for the most recent calendar year for which such data is available that is greater than the final statewide average unemployment rate for that calendar year and (ii) a poverty rate for the most recent calendar year for which such data is available that exceeds the statewide average poverty rate for that year.

c. For so long as a data center operator is claiming an exemption pursuant to this subdivision 18, such operator shall be required to submit an annual report to the Virginia Economic Development Partnership Authority on behalf of itself and, if applicable, its participating tenants that includes their employment levels, capital investments, average annual wages, qualifying expenses, and tax benefit, and such other information as the Virginia Economic Development Partnership Authority determines is relevant, pursuant to procedures developed

by the Virginia Economic Development Partnership Authority. The annual report shall be submitted by the data center operator in a format prescribed by the Virginia Economic Development Partnership Authority. The Virginia Economic Development Partnership Authority shall share all information collected with the Department.

The Department, in collaboration with the Virginia Economic Development Partnership Authority, shall publish a biennial report on the exemption that shall include aggregate information on qualifying expenses claimed under this exemption, the total value of the tax benefit, a return on investment analysis that includes direct and indirect jobs created by data center investment, state and local tax revenues generated, and any other information the Department and the Virginia Economic Development Partnership Authority deem appropriate to demonstrate the costs and benefits of the exemption. The report shall not include, and the Department and the Virginia Economic Development Partnership Authority shall not publish or disclose, any such information if it is unaggregated or if such report or publication could be used to identify a business or individual. The Department shall submit the report to the Chairmen of the Senate Committee on Finance and Appropriations and the House Committees on Appropriations and Finance. The Virginia Economic Development Partnership Authority may publish on its website and distribute annual information indicating the job creation and ranges of capital investments made by a data center operator and, if applicable, its participating tenants, in a format to be developed in consultation with data center operators.

19. a. Notwithstanding any provision of subdivision 18 to the contrary, the exemption set forth in subdivision 18 may be extended for the purchase or lease of computer equipment or enabling software by or on behalf of data center operators for use in data centers in the Commonwealth that are under common ownership or affiliation with the data center operator as set forth in this subdivision 19. For purposes of this subdivision 19, a data center operator shall be considered to own a data center if it is operated on behalf of the data center operator pursuant to a long-term lease of at least ten years.

b. To qualify for an extension pursuant to this subdivision 19, a data center operator shall enter into a memorandum of understanding with the Virginia Economic Development Partnership Authority on or after January 1, 2023, that at a minimum provides the details for determining the amount of capital investment made and the number of new jobs created; the locality or localities in which the capital investment shall be made and new jobs shall be created in order to qualify for the extension; and the timeline for making the capital investment and creating the new jobs in each specified locality. A data center operator shall only be required to enter into one memorandum of understanding pursuant to this subdivision 19 in order to qualify for the extension pursuant to both subdivisions c and d.

c. If on or after January 1, 2023, but before July 1, ~~2035~~2050, a data center operator that has entered into a memorandum of understanding pursuant to subdivision b (i) makes or causes to be made a capital investment of at least \$35 billion in data centers in localities identified in a memorandum of understanding and (ii) creates at least 1,000 new full-time jobs, as defined in § 59.1-284.42, at such data centers, of which at least 100 of such jobs shall pay at least one and one-half times the prevailing average wage in the Commonwealth, the data center operator shall be eligible to continue to utilize the exemption set forth in subdivision 18 through June 30, ~~2040~~2055.

d. If on or after January 1, 2023, but before July 1, ~~2040~~2055, a data center operator that has entered into a memorandum of understanding pursuant to subdivision b (i) makes a total capital investment of at least \$100 billion, inclusive of any investment made pursuant to subdivision c, in data centers in the localities identified in such memorandum of understanding and (ii) creates a total of at least 2,500 new full-time jobs, as defined in § 59.1-284.42, at such data centers, of which at least 100 of such jobs shall pay at least one and one-half times the prevailing average wage in the Commonwealth, inclusive of any new full-time jobs created pursuant to subdivision c, the data center operator shall be eligible to utilize the exemption set forth in subdivision 18 through June 30, ~~2050~~2065.

e. The extension provided in this subdivision 19 shall apply to the computer equipment or enabling software purchased or leased for use in the data centers subject to the capital investment and job requirements set forth

herein, as well as to any such computer equipment or enabling software purchased or leased to upgrade, supplement, or replace computer equipment or enabling software purchased or leased in the initial investment. The extension shall also apply to any computer equipment or software purchased or leased in data centers under common ownership or affiliation with the data center operator for which the data center operator entered into a memorandum of understanding with the Virginia Economic Development Partnership Authority to qualify for the exemption set forth in subdivision 18.

f. The reporting requirements set forth in subdivision 18 shall continue to apply to a data center operator for the duration of any extension granted pursuant to this subdivision 19.

20. If the preponderance of their use is in the manufacture of beer by a brewer licensed pursuant to subdivision 3 or 4 of § 4.1-206.1, (i) machinery, tools, and equipment, or repair parts therefor or replacements thereof, fuel, power, energy, or supplies; (ii) materials for future processing, manufacturing, or conversion into beer where such materials either enter into the production of or become a component part of the beer; and (iii) materials, including containers, labels, sacks, cans, bottles, kegs, boxes, drums, or bags for future use, for packaging the beer for shipment or sale.

21. If the preponderance of their use is in advanced recycling, as defined in § 58.1-439.7, (i) machinery, tools, and equipment, or repair parts therefor or replacements thereof, fuel, power, energy, or supplies; (ii) materials for processing, manufacturing, or conversion for resale where such materials either are recycled or recovered; and (iii) materials, including containers, labels, sacks, cans, boxes, drums, or bags used for packaging recycled or recovered material for shipment or resale.

4. That §§ 58.1-416, as it is currently effective and as it may become effective, 58.1-422.4, and 58.1-422.5 of the Code of Virginia are amended and reenacted:

§ 58.1-416. (Contingent expiration date) When certain other sales deemed in the Commonwealth.

A. Sales, other than sales of tangible personal property, are in the Commonwealth if the taxpayer's market for the sales is in the Commonwealth and the taxpayer's sales in Commonwealth for the taxable year exceed \$100,000 in aggregate. Except as provided in subsection B and E, the taxpayer's market for sales is in the Commonwealth:

1. In the case of sale, rental, lease or license of real property, if and to the extent the property is located in the Commonwealth;

2. in the case of sale of a service, if and to the extent that the benefit of the service is received at a location in the Commonwealth; and

3. a. In the case of intangible property that is rented, leased, or licensed, if and to the extent that the property is used in the Commonwealth.
