C.1. Area Agencies on Aging that are authorized to use funding for the Care Coordination for the Elderly Program shall be authorized to use funding to conduct a program providing mobile, brief intervention and service linking as a form of care coordination. The Department for Aging and Rehabilitative Services, in collaboration with the Area Agencies on Aging, shall analyze the resulting impact in these agencies and determine if this model of service delivery is an appropriate and beneficial use of these funds.

2. The Department for Aging and Rehabilitative Services, in collaboration with Area Agencies on Aging (AAAs) that are authorized to use funding for the Care Coordination for the Elderly Program, shall examine and analyze existing state and national care coordination models to determine best practice models. The department and designated AAAs shall determine which models of service delivery are appropriate and demonstrate beneficial use of these funds and develop the accompanying service standards. Each AAA receiving care coordination funding shall submit its plan for care coordination with the annual area plan.

D. Area Agencies on Aging shall be designated as the lead agency in each respective area for No Wrong Door.

E. The Department for Aging and Rehabilitative Services shall (i) recommend strategies to coordinate services and resources among agencies involved in the delivery of services to Virginians with dementia; (ii) monitor the implementation of the Dementia State Plan; (iii) recommend policies, legislation, and funding needed to implement the Plan; (iv) collect and monitor data related to the impact of dementia on Virginians; and (v) determine the services, resources, and policies that may be needed to address services for individuals with dementia.
