

Other Education

The Governor's proposed amendments to the 2004-06 biennial budget provide a net increase of \$0.8 million GF for state museums and other educational entities. These actions reflect a proposed \$860,000 GF increase for operating costs offset by a reduction of \$33,000 GF to transfer funding for the Council on Indian Affairs from the Jamestown-Yorktown Foundation to the Office of Natural Resources.

GF Increases in Other Education (2004-06 Biennium, \$ in millions)
