The budget for the Legislative Department, as proposed for the 2006-08 biennium, adds \$196,354 GF. This represents an increase of 0.17 percent for the two-year period when compared to the adjusted appropriation for current operations. These amounts consist entirely of adjustments related to the ongoing cost of basic operations. No changes are recommended for nongeneral funds. Accordingly, the total amounts recommended for the Legislative Department for the 2006-08 biennium are \$114.7 million GF and \$6.5 million NGF.
