# REPORT OF THE SUBCOMMITTEE on SPECIAL PROJECTS

Members of the Committee:

The Special Projects Subcommittee reviewed project requests totaling \$135.1 million for historic landmarks and nonstate agencies.

This Committee has long recognized the value of these organizations to the Commonwealth. The investment of some state funds in these cultural attractions and educational organizations is a sound move that bolsters economic development and education in Virginia. Last year, we provided significant funding for these organizations for the first time in a number of years. Today, we once again have the available resources to provide funding for these cultural and educational organizations. Consequently, the Special Projects Subcommittee attempted to provide a similar level of funding this year as was provided during the previous Session. I am happy to report that we were able to recommend more funding for these organizations this year.

Therefore, we offer for your consideration total funding of \$22.5 million for historic landmarks and nonstate agencies. The amounts recommended reflect our commitment to one-time spending in this budget. The recommended funding provides grants to 248 organizations.

I ask the Committee to adopt these recommendations.

**Respectfully Submitted by the House Appropriations Subcommittee  
on Special Projects:**

**Vincent F. Callahan, Jr., Chairman**
