

Agriculture and Forestry

The adopted amendments for the Agriculture and Forestry secretariat include reductions of \$10.4 million GF from the budget approved in 2008. These reductions result in a total GF appropriation of \$92.6 million for the Secretariat, which represents a 10 percent GF decrease when compared to Chapter 879 of the 2008 Acts of Assembly.

General fund reductions for the Department of Agriculture and Consumer Services total \$4.9 million and the elimination of 19.0 FTE positions, including four layoffs. Recommended general fund reductions for the Department of Forestry total \$4.2 million and the elimination of 23 positions, including five layoffs.

- *Privatize Weights and Measures Program.* Privatizes the weights and measures program beginning January 2010, resulting in a reduction of \$1.2 million GF in the second year. Language requires owners and operators of weights and measures used commercially to obtain inspections from certified service agencies at least annually and report the inspection results to VDACS in a manner proscribed by the Commissioner. Language further requires the department to report to the General Assembly on the progress of the implementation plan by November 1, 2009.

(NOTE: THE GOVERNOR VETOED THIS ITEM AND THEREFORE FUNDING IN THIS ITEM IS RESTORED TO THE LEVEL IN HB 1600 AS INTRODUCED. TOTALS ABOVE FOR THE SECRETARY OF AGRICULTURE AND FORESTRY INCLUDE THIS VETO ACTION).

- *Eliminate Positions Throughout the Agency.* Eliminates 12.0 FTE positions throughout the agency, including dairy services, marketing, veterinarian services, consumer protection and animal and food industry services. Combined savings from position eliminations total about \$300,000 GF in the first year and \$900,000 GF in the second year
- *Eliminate Positions in the Division of Charitable Gaming.* Reduces funding for the regulation of charitable gaming by \$390,000 GF the first year and \$500,000 GF the second year and eliminates a total of seven out of 30 positions in the Division.
- *Purchase of Development Rights Matching Grants.* Reduces funding by \$500,000 GF the second year for the purchase of development rights matching grants program, which is administered by the Office of Farmland Preservation. This action will leave \$500,000 GF each year for the program.
- *Increase Fee for Animal Diagnostic Laboratory Services.* Increases fees charged to farmers for diagnostic services for animals, resulting in savings of \$185,906 GF the

first year and \$200,138 GF the second year. The fee increases are also designed to discourage farmers from bringing their animals and samples in for testing.

- ***Hydrilla Funding.*** Eliminates \$150,000 GF in the second year that had been approved by the 2008 General Assembly to support efforts to eradicate hydrilla on Lake Gaston, Smith Mountain Lake, Lake Anna and the Potomac River.
- ***Eliminate Grants for Specialty Crop Research.*** Eliminates \$100,000 GF each year for funding to Virginia's land grant universities for specialty crop research.
- ***Reduce Funding for Wine Distribution Corporation.*** Reduces funding by 35 percent for the wine distribution corporation, resulting in savings of \$100,000 GF each year.
