

Administration

Amendments, as adopted, to the 2010-12 biennial budget result in a net increase of \$28.8 million GF for the Office of Administration when compared to Chapter 874 of the 2010 Acts of Assembly. This includes general fund increases of \$31.3 million offset by decreases of \$2.5 million GF. In addition, the proposed amendments include NGF decreases totaling \$9.4 million for the biennium.

General fund increases include: \$30.0 million for sheriffs and regional jails, \$884,244 for the Department of General Services' Division of Consolidated Laboratories, \$367,235 for the State Board of Elections to match federal funds available from the Help America Vote Act (HAVA), and \$60,000 for continued development of the Campaign Finance System by the State Board of Elections. The increases for sheriffs and regional jails consist of \$22.6 million to replace the Public Safety fee rejected by the 2010 General Assembly, \$6.1 million for per diem payments for the maintenance of prisoners in jails, and \$1.3 million for staffing of the Blue Ridge Regional Jail's expanded Amherst facility. In addition to these direct appropriations, language provides up to \$7.4 million from any portion of the FY 2011 year-end balance designated for nonrecurring expenditures to provide additional funding for sheriffs.

General fund decreases include: \$1.7 million GF from the constitutional officers' liability insurance and surety bond premiums, \$233,428 GF from a reduction in the reimbursements to localities for the compensation and expenses of local electoral boards and salaries of local registrar's, and \$619,485 GF from other actions.
