Capital Outlay

Capital Outlay Funding Governor's Proposed Amendments

(\$ in millions)

Proposed Amendment by Fund Type	HB 1500/SB 800 2012-14
General Fund	\$ 3.7
VPBA/VCBA Tax-Supported Bonds	308.7
9(c) Revenue Bonds	9.7
9(d) NGF Revenue Bonds	8.2
Nongeneral Fund Cash	23.1
Total	\$353.3

The Governor's proposed capital outlay amendments to the FY 2012-14 budget include:

• Virginia Community College System

- *Construct Workforce Development Center, Danville.* Proposes \$3.7 million GF to construct a workforce development center at the Danville Community College.

• Department of Transportation

- *Improvements to Facilities.* Proposes \$20.0 million NGF for VDOT to construct or renovate various facilities statewide. The projects include \$9.3 million for area headquarters, \$7.2 million for residency offices, \$1.8 million for the central office and \$1.7 million for district offices.

• Capital Project Pool

Proposes \$263.8 million in tax-supported debt through the Virginia College Building Authority (VCBA) or the Virginia Public Building Authority (VPBA) for construction of projects authorized for detailed planning in Chapter 3 of the 2012 Acts of Assembly, Special Session I. To be eligible, projects must have completed detailed planning; have determined construction cash needs and quarterly cash flow; be reviewed by the Six-Year Capital Outlay Plan Advisory Committee; and the Secretary of Finance must determine if sufficient bond authority is available to meet cash needs.

• Energy Conservation

Proposes \$35.2 million in VPBA bonds for energy conservation projects which must demonstrate reduced energy consumption at state-owned buildings and facilities. Language rescinds a similar authorization approved by the 2012 General Assembly.

• Central Maintenance Reserve

Proposes \$9.6 million in VCBA / VPBA bonds to supplement the existing maintenance reserve program. The proposed increase would provide \$4.3 million for the DGS Consolidated Lab for mold and condensation issues, \$2.5 million to replace a pump station at Ft. Monroe, \$2.1 million for miscellaneous repairs and equipment replacements in state parks, and, \$700,000 for repair of the rotunda and replacement of sprinklers at the Science Museum of Virginia.

• Proposed Reprogramming of Existing Bond Authority

The introduced budget proposes to reprogram a total of \$72.8 million of bond proceeds from capital project pools authorized in 2008 and 2010 for the following projects:

Agency/Institution	Project Description
Norfolk State University Dept. of Corrections Virginia State University Virginia State University DBHDS George Mason University George Mason University	Replace Brown Hall Acquire / Construct Richmond P&P Office Stormwater Management Facility Water Storage Tank Western State Hospital Supplement Expand Central Utility Plant Equipment for Science & Technology I and II and Fine Arts Buildings
