

# Overview of Proposed Amendments to the 2018-20 Budget HB 1700/SB 1100

Proposed amendments to the 2018-20 biennial budget reflect substantial upward adjustments in both resources and proposed spending as compared to Chapter 2 of the 2018 Acts of Assembly, Special Session 1 (HB 5002). Assumed revenue adjustments reflect both modest growth in ongoing economic sources and more than \$1.2 billion in resources derived from assumed tax policy decisions included in the introduced amendments. When combined with the FY 2018 revenue and transfer collections, which exceeded the official forecast by \$555.5 million, assumed economic growth and tax policy related actions, the assumed additional resources available for appropriation in the FY 2018-20 biennium totals approximately \$2.2 billion.

<b>Amendments to the 2018-20 Budget HB 1700/SB 1100, as Introduced</b> (GF \$ in millions)			
	<u>FY 2019</u>	<u>FY 2020</u>	<u>2018-20</u>
<b>GF Resources, Chapter 2, 2018 SS1</b>	\$21,028.8	\$21,606.7	<b>\$42,635.5</b>
Net Resource Adjustments	<u>1,118.7</u>	<u>1,048.9</u>	<u>2,167.6</u>
<b>Available Resources</b>	<b>\$22,147.6</b>	<b>\$22,655.6</b>	<b>\$44,803.1</b>
<b>GF Appropriations, Chapter 2, 2018 SS1</b>	\$20,990.5	\$21,642.5	<b>\$42,633.0</b>
Net Spending Adjustments	<u>1,137.6</u>	<u>1,007.7</u>	<u>2,145.3</u>
<b>Total Proposed Appropriations</b>	<b>\$22,128.1</b>	<b>\$22,650.2</b>	<b>\$44,778.3</b>
<b>Unappropriated Balance</b>	<b>\$19.5</b>	<b>\$5.3</b>	<b>\$24.8</b>

## Resources

HB 1700/SB 1100 includes \$44,803.1 million in general fund resources available for appropriation. General fund growth rates assumed in the budget are 5.9 percent in FY 2019 and 3 percent in FY 2020. These growth rates reflect the impact of proposed policy adjustments as well as assumed “economic” growth of 3 percent in FY 2019 and 3.7 percent in FY 2020, which were revised down from 3.7 percent and 3.9 percent reflected in Chapter 2.

FY 2018 General Fund revenues rose by 6.3 percent, well ahead of the official forecast of 3.4 percent growth, resulting in a revenue surplus of \$555.5 million (including transfers). The gain in net individual income tax and sales tax, about \$618.0 million, was somewhat offset by

shortfalls in all other revenue sources. As a result of the higher than anticipated base, FY 2019 tax collections have to grow 1.5 percent to meet the revenue assumptions included in Chapter 2.

In addition to economic adjustments to the forecast, HB 1700/SB 1100 includes a net total of \$1,041.5 million associated with proposed and assumed tax policy adjustments and technical adjustments. The vast majority of this revenue is based on assumed conformity with the provisions of the federal Tax Cut and Jobs Act (TCJA). When added to the economic-based revisions to the collection forecast, this revenue would increase overall growth to 5.9 percent in FY 2019 and 3 percent in FY 2020, bringing total assumed general fund resources to \$44.8 billion for the biennium.

In total, the proposed revisions to the FY 2018-20 resources contained in HB 1700/SB 1100 include \$2.167.6 million more in general fund resources than that assumed in Chapter 2, including:

- Upward adjustments to the FY 2019 and FY 2020 general fund revenues of \$548.2 million;
- Additional revenues of \$1.0 billion from proposed tax policy changes, including an increase of \$1.2 billion in general fund revenues assuming full conformity to the TCJA, partially offset by a reduction of \$216.3 million resulting from a proposed expansion of the Earned Income Tax Credit; and,
- A net balance adjustment of \$577.4 million.

Details on revenues, adjustments to general fund balances and transfers, as well as proposed tax policy changes, can be found in the Resources section of the summary.

### **Appropriations**

As a result of the FY 2018 surplus, the *Code of Virginia* -required deposits were triggered for the Revenue Stabilization, Revenue Reserve and Water Quality Improvement Funds. Overall, net general fund spending adjustments total \$2,145.3 million against Chapter 2. Major general fund spending items include:

- \$789.3 million in new deposits and reappropriations to the Revenue Reserve Fund;
- \$462.5 million to cover growth in the Medicaid forecast;
- \$262.9 million for a mandatory deposit to the Revenue Stabilization Fund; and
- \$87.6 million for an additional 2 percent salary increase for teachers and support staff, effective July 1, 2019, in addition to the 3 percent compensation action provided in Chapter 2;

Proposed new spending is offset by spending reductions totaling approximately \$313.6 million. Savings items include:

- \$55.2 million from revised K-12 enrollment lower than expected,
- \$55.1 million in assumed debt service savings based on delayed issuances of prior authorized debt; and
- \$51.3 million in savings from slower growth in employee health insurance premiums.

As proposed, the amendments contained in HB 1700/SB 1100 would leave an unappropriated balance of \$24.8 million at the close of the FY 2020. Major spending and savings items are detailed in the table below.

**Major Spending and Savings in HB 1700 / SB 1100, as Introduced**  
(GF \$ in millions)

**Major Spending Proposed**

**FY 2018-20**

Deposits to the Revenue Reserve Fund	\$ 789.3
Medicaid Utilization and Inflation	462.5
Mandatory Deposit to Revenue Stabilization Fund	262.9
K-12: Additional 2% Teachers and Support Staff Salary Increase	87.6
K-12: Use GF for VRS & Free Up Literary Rev. for School Construction	80.0
VDOT: Virginia Transportation Infrastructure Bank	75.0
DCR: Water Quality Improvement Fund (Mandatory Deposit)	73.8
DEQ: Stormwater Local Assistance	50.0
Replace Medicaid Funds for Piedmont Geriatric and Catawba Hospitals	46.3
DHCD: Virginia Telecommunications Initiative (Broadband)	46.0
State Employee 1% Bonus Dec. 1, 2019	40.2
K-12: Additional School Counselors	36.0
K-12: At-Risk Add-on	35.6
DCR: Water Quality Improvement Fund (Supplemental)	35.0
K-12: Lottery Supplemental Allocation	34.7
Capital Outlay Detailed Planning	29.6
Virginia Information Technology Agency Rates	28.1
VEDP: Virginia Business Ready Sites Programs	20.0
DHCD: Virginia Housing Trust Fund	19.0
Higher Ed.: Undergraduate Financial Aid	15.5
DBHDS: Staffing and Discharge Funding Related to Census	14.0
K-12: Sales Tax Adjustment from Proposed Legislation for Internet Sales	13.5
DMAS: Administration of the Section 1115 Medicaid Waiver	13.0
DOC: Inmate Medical Care at Fluvanna Correctional Center	12.9
DMAS: Children's Health Insurance Programs	12.8
Address Computer-Science Related Workforce Needs	11.0
Virginia Land Conservation Fund	11.0
K-12: Sales Tax Revenue Update & School-Aged Population	11.2
Renewable Energy Development Fund	10.0
K-12: Use GF to Backfill Expired Federal VPI-Plus Grant	9.7
DBHDS: Crisis Response Services	9.0
Retiree Health Insurance Credit for Public Safety Employees	8.1

**Major Spending and Savings in HB 1700 / SB 1100, as Introduced**  
(GF \$ in millions)

Workforce Case Management System	8.0
Presidential Primary Expenses	5.9
VCCS: Advising and Online Apprenticeship Curriculum	5.6
SCHEV: Tuition Assistance Grants	<u>5.2</u>
<b>*Total:</b>	<b>\$ 2,425.5</b>

<b>Major Savings Proposed</b>	<b><u>FY 2018-20</u></b>
K-12: Supplant GF with Lottery Reforecast Totals	(70.3)
K-12: Enrollment Projection Update	(55.2)
Treasury Board: Adjust Debt Service	(55.1)
Employer Share of Health Insurance Premiums	(51.3)
DMAS: Health Care Fund Revenue and Cash Balance	(38.9)
DMAS / DSS: Medicaid Exp. Costs ( Shift to Provider Assessment)	(38.0)
DMAS: Eliminate Medicaid for Piedmont Geriatric and Catawba Hospitals	(14.5)
K-12: Enrollment Update for Special Education Regional Tuition	(12.5)
Children's Services Act Caseload	(11.8)
Delay in Cardinal Payroll System Implementation	(11.1)
DMAS: Administrative Contract Shift to Managed Care	(10.8)
K-12: Lottery Funded Programs Costs Update	(11.7)
Comp. Board: Excess Jail Per Diems	(6.7)
K-12: Update Enrollment for Remedial Summer School and ESL	(6.1)
DMAS: Reflect Long-Term Care Savings for Medicaid	(3.9)
VEDP: Updated Payments for Economic Development Incentives	<u>(2.3)</u>
<b>Total:</b>	<b>\$ (400.2)</b>

*Note: See Resources section for adjustments to GF balances and proposed tax policy changes. Totals differ from individual entries due to rounding.*

**Judicial Department.** The proposed amendments for the Judicial Department agencies result in no funding changes the first year and an increase of \$3.6 million GF the second year. The largest proposed item is \$2.6 million GF the second year for the Virginia State Bar to contract with the Legal Services Corporation of Virginia to hire up to 35 additional attorneys to provide legal assistance to low-income tenants in housing eviction cases. For the Indigent Defense

Commission, \$637,000 GF the second year is proposed to hire 20 paralegals to defray workload increases experienced by public defenders due to increased use of body-worn cameras by law enforcement officers.

**Executive Offices.** The proposed budget for Executive Offices increases by \$1.5 million GF the first year, and \$1.0 million NGF over the biennium, related to two recommended initiatives. The general fund increase is to support education, outreach and preparation for community participation in the 2020 Census, and other initiatives of the Virginia Complete Count Commission, created pursuant to Executive Order Number 27 (2018). Of the nongeneral fund increases, \$500,000 is proposed each year to increase appropriation for the Regulatory, Consumer Advocacy, Litigation and Enforcement Revolving Trust Fund, as well as \$2.7 million the first year and \$3.0 million the second year in appropriation for indirect cost recoveries and federal funds.

**Administration.** Proposed amendments in the Administration secretariat result in a net decrease of \$2.6 million GF over the biennium compared to the base budget, Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002). Additional general fund spending proposals include \$1.4 million the first year in one-time funds in the Secretary of Administration's office to conduct a data inventory to support the state's broader data analytics and governance objectives. Also included is \$723,420 the second year to fund 10 additional Assistant Commonwealth's Attorneys and six additional administrative support positions to assist select offices experiencing increased workloads as a result of local law enforcement's use of body-worn cameras. These increases are offset by a recommended general fund reduction of \$6.7 million over the biennium from unexpended per-diem payments to local and regional jails due to lower than projected jail per diem payouts.

The nongeneral fund appropriations to the Administration agencies are adjusted downward by more than \$1.1 billion over the biennium, primarily driven by removing the appropriation for claims and administrative costs associated with the COVA Local health insurance program due to insufficient enrollment. Further driving the decrease is a proposed reduction of \$75.0 million NGF the second year related to lower projected claims for the state's health insurance plan. Also included among the nongeneral fund adjustments is a \$3.0 million NGF increase in the second year to facilitate a new Help America Vote Act (HAVA) security grant, which totals \$9.4 million and is to be drawn down over a four year period.

**Agriculture & Forestry.** The proposed amendments for the Agriculture and Forestry agencies result in a net increase of \$1.0 million GF the second year, primarily for additional staffing at the Department of Agriculture and Consumer Services and the Department of Forestry. In addition, \$0.2 million is proposed for increased broadband connectivity to regional Forestry offices. Also proposed is \$4.3 million NGF in capital outlay for the construction of a new vehicle service center as part of a property transfer agreement with the University of Virginia.

**Commerce and Trade.** The Governor's proposed amendments include net general fund increases of \$98.0 million over the biennium. The introduced budget proposes an additional \$46.0

million GF for broadband deployment as well as an additional \$20.0 million GF to significantly expand funding for site development intended to make the Commonwealth more competitive in attracting economic development projects. The Governor also proposes increasing deposits to the Housing Trust Fund by \$19.0 million GF over the two-year period and \$10.0 million GF to develop a revolving loan fund and loan-loss reserve fund to incentivize private investments in renewable energy projects. Other spending initiatives include \$2.0 million GF to develop and implement a strategic workforce dashboard and \$1.4 million GF in additional funding for the Virginia Occupational Safety and Health Program.

In addition, proposed language authorizing the Governor to appropriate monies for economic development incentives through withdrawals from the Revenue Reserve Fund would enable a planned Semiconductor Manufacturing Grant payment of \$50.0 million to be paid from revenue reserves in FY 2020.

**Public Education.** The proposed amendments for Direct Aid for Public Education result in a net increase of \$154.9 million GF above Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002), plus \$70.3 million NGF in additional Lottery Proceeds along with an offsetting savings of \$80.0 NGF from the Literary Fund revenues.

This net amount reflects \$55.2 million GF savings due to revised enrollment projections. Other technical updates include the Sales Tax reforecast and other cost and participation updates in Incentive, Categorical, and Lottery-Funded programs.

Other proposed amendments include: \$87.6 million GF to increase the FY 2020 teacher salary increase funding by 2 percent -- to a revised 5 percent increase; \$80.0 million GF allocation to free up a like amount of Literary Fund revenue to be used for school construction loans under established parameters; \$36.0 million to begin a 3 year phase-in to lower the ratio of counselors to students; \$34.7 million allocated to increasing the Lottery Supplemental Per Pupil Allocation; \$35.6 million to increase the maximum At-Risk Add-On percentage to 16 percent; a net increase of \$13.5 million from additional Sales Tax from proposed Internet Sales policy; \$9.7 million GF to provide 100 percent state funding for the expired federal VPI-Plus program in 13 school divisions; \$2.0 million GF for the Garden of Tomorrow environmental education program; \$1.7 million for early childhood professional development and local observations.

Several additional amendments are proposed in the Department of Education, Central Office that total \$3.6 million GF (not including a proposed transfer of \$1.7 million from Direct Aid). The proposed amendments include: \$600,000 GF to replace a grants management system, \$553,000 GF for computer science training (UVA), \$552,500 GF to automate the teacher licensure process, \$500,000 GF for social studies assessments, \$549,573 GF to address finance and IT security risks, and \$492,755 for training in seclusion and restraint regulations.

**Higher Education.** Under Education, the proposed amendments for Higher Education institutions and related agencies result in a net increase of \$37.7 million GF, almost exclusively in

the second year, above the net increases included in Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002). The largest item is \$15.5 million GF for undergraduate need-based financial aid. Other proposed spending include \$5.2 million GF to bring Tuition Assistance Grant (TAG) awards up by \$50 to \$3,400; \$5.5 million GF and 79.00 FTE for advising positions in the Virginia Community College System; \$4.0 million for the New Economy Workforce Credential Grant; \$2.0 million GF for UVA-Wise related to enhancing enrollment growth and student success to fill a second year hole due to an administrative transfer of funds to FY 2019; \$1.7 million GF and 152.00 FTE related to Radford University's acquisition of Jefferson College (Roanoke); \$1.0 million GF for UVA's Focused Ultrasound Center; and several other items under \$1.0 million GF each.

Additionally, several proposed amendments within Central Appropriations would provide additional Higher Education related spending for initiatives including: an estimated \$12.6 million GF for a 1 percent salary bonus; \$8.3 million GF for computer science degree production; \$1.6 million GF for UVA health insurance premiums; and \$1.3 million GF based on adjusting interest earnings and credit card rebate amounts related to restructuring.

The proposed amendments also include several significant language changes, including: requiring higher education institutions to submit annual tuition and fee transparency and predictability reports as part of the existing six-year plans; and recommending approval for James Madison University to pursue Level III designation.

**Finance.** Proposed general fund amendments for the Finance Secretariat result in a net increase of \$997.6 million GF over the biennium. Significant general fund expenditure proposals include adding \$789.3 over the biennium to the Revenue Reserve, of which, \$554.1 million is above the amount already committed per Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002). In addition, language is proposed to change the fund's maximum limit, as well as authorizes the Governor to expend funds for a number of specified uses including economic development incentive grants. Further, \$235.2 million is included the first year for the mandatory deposit to the Rainy Day Fund, based on FY 2018 actual revenue collections. In total, proposed deposits to the Revenue Reserve and Rainy Day Fund total \$1.05 billion over the biennium.

Within the Office of the Secretary of Finance, \$175,000 GF in one-time funding is proposed the first year to study the Commonwealth's gaming governance structure as well as assess the current and potential revenues to the state, with a report due by November 1, 2019.

In addition, significant recommended general fund savings includes a net debt service savings of \$55.1 million GF over the biennium due to a delay in the issuance of authorized General Obligation, Virginia Public Building Authority, and Virginia College Building Authority bonds compared to previous expectations

**Health and Human Resources.** The introduced budget proposes a net increase of \$477.9 million GF and \$2.1 billion NGF for the amended 2018-20 biennial budget. Proposed spending of

\$598.2 million GF is offset by \$120.3 million GF in proposed reductions. Similar to biennial budgets for HHR in previous years, the majority (77 percent) of proposed general fund increases are driven by mandatory health and long-term care spending on Medicaid. The unusually high increase in nongeneral funds is primarily due to adjustments to the budget to reflect the increase in Medicaid spending and the most recent projection of the federal and hospital provider assessment funding related to implementation of expanded Medicaid coverage to individuals with incomes up to 138 percent of the federal poverty level pursuant to the Patient Protection and Affordable Care Act (ACA) beginning January 1, 2019. These proposed adjustments account for about \$2.0 billion or 90 percent of the increase in nongeneral funds over the biennium.

Mandatory general fund spending of \$538.0 million GF (90 percent of new GF spending in HHR) is primarily related to spending for acute and long-term care services provided through Medicaid, funding the state share of Section 1115 waiver costs associated with Medicaid Expansion, supplanting Medicaid funds to continue operation of Piedmont Geriatric and Catawba Hospitals, and to fully fund the children's health insurance programs based on the latest projections. Proposed spending on Medicaid expenditure forecast requires the addition of \$462.5 million GF for the biennium to pay for current health care services for low-income Virginians as well as long-term care costs for the elderly and disabled. The general fund share of the Medicaid forecast is partially offset by \$38.9 million in additional revenue and a prior year cash balance in the Health Care Fund. Overall growth rates in Medicaid are not expected to dramatically change from recent trends, excluding the impact of Medicaid Expansion. The proposed budget contains a significant adjustment to correct the 2017 Medicaid forecast estimate, which included assumed savings in the managed care rates that have not been realized in the new Commonwealth Coordinated Care Plus program.

The proposed budget includes \$54.3 million GF in discretionary spending in HHR. Out of this spending, 56 percent is related to increasing community-based behavioral health and developmental disability services and addressing census issues at state behavioral health facilities. Other expenditures include \$19.5 million to fund supplies for state-run disaster shelters, mobile software for public assistance eligibility, Medicaid expanded preventative care coverage for adults, additional childhood immunizations, training for consumer directed attendants in Medicaid, and specific funding earmarks for Hampton University's Proton Beam Therapy Institute, Riverside Health System and Eastville Community Health Center.

New spending in HHR is offset by proposed budget reductions of \$120.3 million GF. Nearly one-third of the reductions are related to savings in Medicaid from additional revenue and cash in the Health Care Fund. The remainder is a result of caseload adjustments for the Children's Services Act, adjustments to reflect the appropriate funding source for the administrative costs of Medicaid Expansion, and savings in Medicaid as certain administrative functions for personal care attendants are transitioned to managed care.

***Natural Resources.*** The proposed amendments for the Natural Resources agencies result in a net increase of \$25.7 million GF the first year and \$148.6 million GF the second year, more than doubling GF support for the programs within the Secretariat the second year. The largest proposal is a total of \$108.8 million for the Water Quality Improvement Fund (WQIF). This includes the mandatory WQIF deposit of \$73.8 million in FY 2020 based on the FY 2018 revenue surplus and agency balances, as well as a proposal to provide supplemental deposits of \$20.0 million in FY 2019 and \$15.0 million in FY 2020. Also proposed is \$50.0 million for the Stormwater Local Assistance Fund in FY 2020, and increases of \$5.5 million for the Virginia Land Conservation Fund each year of the biennium. At the Department of Environmental Quality, the amendments propose 11.00 new FTE positions at a cost of \$1.4 million to help implement the Governor’s environmental initiatives. Finally, at the Marine Resources Commission the amendments would provide an additional \$1.0 million of general fund support for oyster restoration and replenishment activities in the second year.

***Public Safety and Homeland Security.*** The proposed amendments for the Public Safety and Homeland Security agencies result in a net increase of \$8.6 million GF the first year and \$32.6 million GF the second year, a 1.6 percent increase in GF support for the programs within the Secretariat in the second year. The largest proposals are related to the provision of medical services to inmates in Department of Corrections (DOC) facilities. The proposals include \$12.9 million GF and 123 positions over the biennium for DOC to end contracted medical services at Fluvanna Women’s Correctional Center, as well as increase the level of medical services provided at the facility; an additional \$6.0 million GF over the biennium for expected inflation in medical costs for the Department; and, an additional \$3.5 million GF for DOC to implement an electronic health records system in its six women’s correctional centers. The proposal includes \$3.0 million GF the second year under the Department of Criminal Justice Services for several items related to recommendations of the Governor’s Children’s Cabinet School Safety Workgroup. The proposal also includes \$3.3 million GF in the second year under the Department of Forensic Science to fund the administration’s opioid crisis emergency response plan.

***Veterans and Defense Affairs.*** The proposed amendments for the Veterans and Defense Affairs agencies result in no funding changes the first year and an increase of \$1.7 million GF the second year. The full amount represents proposed spending and position increases at the Department of Veterans Services, including: \$634,000 and eight positions for resource specialists in the Virginia Veteran and Family Support (VVFS) program; \$140,000 GF for a new deputy director position; \$461,000 GF and four positions related to workforce services provided by the Virginia Transition Assistance Program (VTAP), the Veterans Education, Transition, and Employment (VETE) program, and the Virginia Values Veterans (V3) program; and \$500,000 and five positions for the veterans benefits section.

***Transportation.*** The proposed amendments to the 2018-20 budget for transportation includes one major policy initiative, which is the provision of \$75.0 million from the general fund

the first year for the recapitalization of the Virginia Transportation Infrastructure Bank (VTIB). Accompanying language states that a portion of this funds may be used for costs associated with the proposed I-81 improvements. The budget amendments also reflect net increases of \$104.3 million NGF the first year and \$210.7 million NGF the second year from revisions to the Commonwealth Transportation Fund revenue forecast and allocations in Six Year Program adopted by the Commonwealth Transportation Board in June, 2018. A technical adjustment to reflect changed accounting policies also results in an increase of \$504.7 million NGF the first year and \$411.1 million NGF the second year of prior year federal revenue recoveries. This is an accounting true-up and does not result in any increase in available funding for the department.

**Central Appropriations.** Proposed amendments in the Central Accounts result in a net increase of \$44.2 million GF over the biennium compared to the base appropriations in Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002). Significant expenditure proposals include the addition of \$40.2 million the second year for a 1 percent bonus for state employees and state-supported local employees, effective December 1, 2019; \$28.1 million over the biennium for agency information technology and telecommunications costs based on estimated usage and repayment of costs associated with the state's previous IT vendor; \$11.0 million the second year to provide public education (K-12) and higher education funding for workforce development initiatives; \$8.1 million the second year to increase the retiree health insurance credit for the state's public safety employees, as well as local sheriffs and deputies; \$8.0 million the first year to develop an integrated workforce case management system across state agencies; and \$5.9 million the second year to provide funding to reimburse the Department of Elections and localities for costs associated with the 2020 presidential primary.

Expenditure proposals were partially offset by proposed general fund reductions, which include the savings of \$51.3 million the second year in the state's share of employee healthcare premium increases due to a lower than expected cost increase, as well as a reduction of \$11.1 million over the biennium due to the delay in the implementation of the Cardinal Payroll system.

**Independent Agencies.** The proposed amendments to the Independent Agencies reflect no change to the general fund, and a nongeneral fund increase of \$21.1 million over the biennium, mostly attributable to providing the distribution to agencies of centrally-funded actions, including salary and fringe benefits adjustments, other post-employment benefits costs, and information technology costs authorized in Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002). Other spending proposals include \$3.6 million NGF the second year in one-time funds for Lottery to purchase equipment to expand gaming offerings, statewide, as well as \$1.4 million NGF the second year for VRS to provide bonuses for investment staff based on the prior fiscal year's performance results.

Also included in the Governors' proposed amendments is the addition of the Secretary of Finance and the staff directors of the House Appropriations and Senate Finance Committees as ex officio non-voting members of the board of the Virginia Retirement System.

**Capital Outlay.** Proposed amendments to the capital outlay program for 2018-20 total about \$806.3 million (all funds). General fund supported amendments contain \$33.5 million GF cash and \$568.4 million from general fund supported bonds issued by the Virginia Public Building Authority (VPBA) and the Virginia College Building Authority (VCBA). These bonds include \$121.5 million to support new projects, \$46.0 million for equipment, \$13.9 million in supplements (including readiness centers), \$138.0 million for STARS/COMLINC radio systems for the State Police, \$168.0 million for a NOVA Innovation Campus at Virginia Tech, \$1.0 million for an emergency generator system at the Virginia School for the Deaf and the Blind, and \$17.1 million in previous bond authorizations are being used for the new construction pool.

Proposed nongeneral fund capital amendments total about \$204.5 million. About \$50.9 million is funded through 9 (c) and 9 (d) NGF revenue bonds for four higher education projects. Another \$153.6 million is funded with nongeneral fund cash to support another 10 projects at multiple state agencies and higher education institutions and the new capital construction pool.

# FY 2018-20 General Fund Revenues = \$44.0 billion

(\$ in millions)

# FY 2018-20 GF Operating Budget = \$44.7 Billion

HB 1700/SB 1100, as Introduced

(\$ in millions)

# Resources

FY 2018 General Fund revenues rose by 6.3 percent, well ahead of the official forecast of 3.4 percent growth, resulting in a revenue surplus of \$555.5 million (including transfers). The gain in net individual income tax and sales tax, about \$618 million, was somewhat offset by shortfalls in all other revenue sources. As a result of the higher than anticipated base, FY 2019 tax collections have to grow only 1.5 percent to meet the revenue assumptions included in Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002).

The Joint Advisory Board of Economists (JABE) and the Governor's Advisory Council on Revenue Estimates (GACRE) met as part of the standard Fall Reforecasting process to review updated economic projections as well as actual fiscal year 2018 collections. While economic conditions appear to have remained fairly steady, year-to-date revenue collections continue to show strength. Through the first five months of FY 2019, total revenues increased 3.4 percent, well ahead of the forecast of 1.5 percent growth. As a result, the December Forecast adds \$548.2 million over the biennium, \$296.4 million of it in the current year, as a reflection of "cash in the bank." The December Forecast increases the assumed economic growth in FY 2019 to 3 percent, and reduces projected growth to 3.7 percent in FY 2020. The table on the next page details the changes to the forecast that have occurred since Chapter 2 was adopted by the 2018 General Assembly.

In addition to economic adjustments to the forecast, HB 1700/SB 1100 include a net total of \$1,041.5 million associated with proposed and assumed tax policy adjustments and technical adjustments. The vast majority of this revenue will result from limitations on itemized deductions and the increase in the standard deduction at the federal level which will induce more taxpayers to claim the standard deduction on their state returns with the provisions of the federal Tax Cut and Jobs Act (TCJA), which is detailed on the following pages. When added to the economic-based revisions to the collection forecast, this revenue would increase overall growth to 5.9 percent in FY 2019 and 3 percent in FY 2020, bringing total assumed general fund collections to \$42.7 billion for the biennium.

In total, the proposed revisions to the FY 2018-20 resources contained in HB 1700/SB 1100 include \$2.17 billion more in general fund resources than that assumed in Chapter 2. The resource adjustments reflect (1) a net balance adjustment of \$577.4 million; (2) a \$1.6 billion increase in the general fund revenue forecast; and (3) transfer additions of \$0.4 million.

As proposed, the amendments contained in HB 1700/SB 1100 would leave an unappropriated balance of \$24.8 million at the close of the FY 2020.

**Change to General Fund Resources

<i>*Tax policy proposals include the Earned Income Tax Credit and the adjustment to the Accelerated Sales Tax cap.</i>			

**Economic Projections**

The economic growth in HB 1700/SB 1100 assumes personal income, wage and salary income growing at about a 4 percent to 4.5 percent pace over the forecasted horizon, while employment is forecast to increase 1.7 percent in FY 2019 – faster than the 1.4 percent increase in FY 2018. Federal government spending was virtually flat in calendar year 2017, but is expected to grow 3.6 percent in calendar year 2018 and 4.4 percent in calendar year 2019. Overall, Virginia’s economy is expected to mirror national trends in job growth and have slightly softer growth in wages. Projected growth rates, before policy adjustments, are now estimated at 3 percent in FY 2019 and 3.7 percent in FY 2020 in comparison to the growth rate assumptions of 3.7 percent and 3.9 percent, respectively, in Chapter 2.

**Economic Variables Assumed In Forecast  
Percent Growth Over Prior Year  
(December Forecast)**

Personal Income	4.1%	4.4%	4.8%	4.9%
Wages & Salaries	4.3%	4.6%	4.2%	4.8%

**Tax Policy Changes Assumed in Revenue Forecast**

Embedded in the Governor’s amended budget proposal are revenues associated with a number of tax policy changes that have not been adopted by the General Assembly. In total, it assumes \$1.2 billion in additional revenues as a result of the federal Tax Cut and Jobs Act of 2017 (TCJA), and \$82.5 million GF from assumed adoption of legislation authorizing collection of additional sales tax from internet retailers, offset by revenue reductions of \$216.3 million from the adoption of legislation to make the Earned Income Tax Credit (EITC) refundable, and a one-time cost of \$27.2 million to increase the threshold for retailers required to participate in the Accelerated Sales Tax (AST) collection program to \$10.0 million in FY 2020. In combination this would increase net general fund revenues by \$1,041.5 million if adopted.

These amounts are fully appropriated in the Governor’s proposed amendments included in HB 1700/SB 1000, as introduced. The Administration reports that spending associated with components of the TCJA which are set to expire after 2025 are used solely for “limited time,” “scaleable” spending items.

**Tax Cut and Jobs Act (TCJA) of 2017.** The TCJA is assumed to generate a total of \$1.2 billion in additional revenues over the biennium. This includes ongoing revenues of \$76.9 million in FY 2019 and \$177.5 million in FY 2020 from portions of the Act which are permanent – primarily those relating to changes to business and international tax provisions. Also included is \$517.3 million in FY 2019 and \$433.6 million in FY 2020 relating to adjustments to personal income tax provisions which are set to expire after TY 2025 under the TCJA. Most Virginians will see either a net decrease or no change in their combined federal and state tax liability as a result of the federal Tax Cuts and Jobs Act (TCJA). However, many taxpayers who save on federal taxes may owe more on their state returns. This is primarily because of limitations on itemized deductions and the increase in the standard deduction at the federal level will induce more taxpayers to claim

the standard deduction on their state returns. Under Virginia law, taxpayers are required to claim the same type of deduction (standard or itemized) on their Virginia returns.

Language which would change Virginia's fixed date conformity to the federal tax code to December 31, 2018 is included in Part 5 of the budget. Stand-alone legislation enacting this change also is expected to be introduced to the 2019 General Assembly Session.

**Refundability of the Earned Income Tax Credit.** HB 1700/SB 1100 also assume revenue reductions of \$10.3 million in FY 2019 and \$206.0 million in FY 2020 by making Virginia's earned income tax credit refundable. Under existing law, a taxpayer's EITC credit is limited to taxes paid. With this change a taxpayer would receive the maximum credit regardless of the amount of state income taxes paid. This is anticipated to affect approximately 400,000 Virginians. Stand-alone legislation enacting this change is also expected to be introduced to the 2019 General Assembly Session. The intent would be that this provision would expire when the individual income tax changes included in the TCJA expire after TY 2025.

**"Wayfair" Internet Sales Tax Collections.** The Governor's proposed amendments to the budget assume a total of \$82.5 million general fund will be collected over the biennium as a result of language included in Part 5 of the budget expanding the remote seller sales tax nexus provisions. A decision by the Supreme Court in the case *Wayfair v. South Dakota* released this past year authorizes states to require retailers to collect sales taxes owed even when the retailer has no physical presence in that jurisdiction. In total, authorizing such a change in Virginia is anticipated to generate \$155.0 million in FY 2020. Of that amount, \$82.5 million would accrue to the general fund – inclusive of both the unrestricted amount and the share dedicated to K-12 pursuant to the *Code of Virginia* – and the remainder would be distributed under the existing sales tax distribution requirements to transportation, localities, and the regional transportation authorities. This language also repeals provisions of Chapter 766 of the 2013 Acts of Assembly which would dedicate these internet sales tax revenues to transportation. Also included in Part 5 of the budget is language defining marketplace facilitators who may help remit the sales taxes from smaller retailers.

**Increase Accelerated Sales Tax Threshold.** HB 1700/SB 1000 retains the current \$4.0 million taxable sales threshold for remittance of the June accelerated sales tax in FY 2019 and increases the threshold to \$10.0 million in FY 2020. This would remove 1,800 businesses from the AST requirement and result in a one-time revenue reduction of \$27.2 million in the second year. The language authorizing the change to the provisions is included in Part 3 of the amended budget proposal.

Finally, technical adjustments reduce projected revenues by \$2.8 million, including a reduction of \$3.4 million by eliminating the revenues assumed to accrue to the Commonwealth from the utility rate credit, offset by an assumed revenue increase of \$617,000 generated by increasing tobacco staffing in Northern and Southwest Virginia.

**Overall Changes in GF Revenues by Source**

When proposed tax policy changes and technical adjustments are added to the economic forecast revisions, the projected revenue growth rates are 5.9 percent in FY 2019 and 3.0 percent in FY 2020.

<b>Change in GF Taxes by Source Compared to Chapter 2</b>

<b>Total GF Revenues</b>	<b>\$876.9</b>	<b>5.9%</b>	<b>\$712.8</b>	<b>3.0%</b>

**Changes in Transfers and Balance Adjustments**

A series of technical balance adjustments are required to align the Chapter 2 balance with the FY 2018 year-end Comptroller’s report. Adjustments to the beginning balance reflect year-end assets, including the larger than anticipated FY 2018 revenues and agency balances, and then withdraw funds pending distribution and redeposit restricted funds, like the Revenue Stabilization and Lottery Proceeds funds. Adjustments to the balance reflect the commitment of general funds with mandatory carry-forwards, like the Water Quality Improvement Fund and the Revenue Cash Reserve. Also included is \$262.9 million for the FY 2020 Revenue Stabilization Fund reserve, \$235.2 for the FY 2019 Cash Reserve deposit, and \$73.8 million for the FY 2020 WQIF deposit. It also reflects \$70.2 million FY 2018 discretionary balances that are reverted in HB 1700/SB 1100.

Net transfer adjustments total \$0.4 million in HB 1700/SB 1100 and includes \$22.9 million in increased transfers offset by transfer reductions of \$22.5 million over the biennium. The largest increases derive from adjustments to the sales tax forecast for the 0.375 percent of sales tax transferred to the general fund for K-12. This includes an adjustment of \$7.0 million to the base sales tax forecast as well as \$10.3 million attributable to the assumed adoption of legislation

authorizing expanded collection of sales tax from internet retailers. Notable downward adjustments relate to decreases intended to backfill revenues lost from legislation to be proposed to the 2019 General Assembly relating to driver’s license reinstatement fees totaling \$9.0 million over the biennium as well as adjustments to assumed revenues generated from court debt collections (reduction of \$2.2 million), unrefunded marine fuels (\$5.2 million), and the Integrated Drug Enforcement (IDEA) Fund (\$3.0 million). The remaining transfer and balance adjustment items are outlined in the table below.

# Change	0.00	0.00	20.00	0.00

- **Supreme Court of Virginia**
  - *Relocate Judicial Branch Data Center.* Recommends \$288,000 GF the second year to the Office of the Executive Secretary for the ongoing cost of housing the judicial system data center in a secure, off-site facility. The judicial branch data center has experienced more frequent outages in recent years, and the Supreme Court building currently lacks sufficient connectivity, power availability, fire suppression and HVAC capabilities to support continued data center operations. The Supreme Court has already re-located the judicial branch data center to a secure, vendor-operated facility in eastern Henrico County.
- **Indigent Defense Commission**
  - *New Paralegal Positions.* Proposes \$637,000 GF the second year for the Commission to hire 20 additional paralegals in order to address the workload demands created by increased use of body-worn cameras on public defenders. According to the Commission, the use of body-worn cameras has increased the

average workload for attorneys in public defenders offices by several hours per week. The new paralegal positions are intended to help reduce the workload on attorneys in public defenders offices in a more cost-effective manner than hiring additional attorneys. These would be the first paralegal positions ever funded for public defenders offices in Virginia.

- **Virginia State Bar**

- *Civil Defense Housing Attorneys.* Proposes \$2.6 million GF the second year to support legal aid programs to assist low income tenants in housing eviction cases. The Virginia State Bar currently contracts with the Legal Services Corporation of Virginia to provide civil indigent defense to low-income Virginians. In FY 2018, the State Bar spent a total of \$10.8 million on civil indigent defense, of which \$4.4 million came from the general fund. In FY 2017, the Legal Service Corporation of Virginia provided legal services in approximately 6,100 housing cases. According to the State Bar, the additional funds would allow for the hiring of up to 35 additional attorneys who would be assigned to eviction dockets to provide an increased level of services to housing clients.

# Change	0.00	(6.00)	9.00	(7.60)

- **Secretary of Administration**

- *Provide Funding for Statewide Data Inventory.* Recommends \$1.4 million GF the first year to identify data elements, document user access patterns, and develop a data dictionary and catalog, and implement a cloud-based data catalog platform. The data inventory activities are intended to be conducted in FY 2020, with a one-time appropriation proposed in FY 2019 to be carried forward for use in the subsequent fiscal year. The funding is associated with supporting the broader initiatives of the Commonwealth's Chief Data Officer, and includes language compelling state agencies and other applicable governmental and non-governmental entities to cooperate with the Secretary of Administration to further develop the data sharing and analytics program, established pursuant to Chapter 679 of the 2018 Acts of Assembly (SB 580).

- **Compensation Board**

- *Revert Excess Funding and Positions for Expanded Jail Capacity.* Proposes authorizing the reversion of \$847,086 GF the second year due to the delayed

opening of the Prince William/Manassas adult detention center expansion project. Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002), included \$1.5 million GF the second year for staffing costs associated with the expansion of the detention center.

- ***Revert Excess Funding for Jail Per-Diems.*** Proposes the reversion of \$3.0 million GF the first year and \$3.7 million GF the second year due to lower than projected jail per-diem payouts. Chapter 2 (2018 Special Session I) included increases of jail per-diem funding of \$374,114 GF the first year and \$1.4 million GF the second year, based on expected costs at that time.
- ***Provide Additional Funding to Commonwealth’s Attorney’s Offices for Increased Workloads.*** Recommends \$723,420 GF the second year to fund 10 additional Assistant Commonwealth’s Attorneys and six additional administrative support positions to assist select offices experiencing increased workloads as a result of local law enforcement’s use of body-worn cameras.
- ***Revise Language Regarding Reimbursements to Nottoway County.*** Recommends amending existing language regarding the timing and eligibility of applicable costs incurred by Nottoway County for the detention of residents at the Virginia Center for Behavioral Rehabilitation held in the Piedmont Regional Jail for new offenses. Existing language included in Chapter 2 allowed for the reimbursement of costs in the first year for expenses incurred in the prior fiscal year (FY 2018) if not previously reimbursed. The language being amended was written with the intent of expiring after FY 2019, and reverting back to allowing the reimbursement of costs incurred in the last month of a preceding fiscal year.

- **Department of General Services**

- ***Additional Funding and Positions for Disease Testing.*** Proposes \$478,095 GF and 3.00 FTEs the second year for additional reportable disease testing in the Division of Consolidated Laboratory Services (DCLS). The need for additional testing is the result of increased testing requirements from recently adopted Department of Health regulations, as well as an increase in the number of specimen samples being sent to DCLS for analysis.
- ***Funding for “On the Square VA”.*** Recommends \$100,000 GF the second year for the “On the Square VA” employment engagement activities, to include staffing and promotional materials.

- **Department of Human Resource Management**

- ***Provide General Funds for Maintenance Service Charge.*** Proposes \$75,638 GF the first year to refund the Shared Services Center internal service fund for a prior year

maintenance charge that should have been general fund supported. Due to federal requirements, the erroneous charge must be restored in order to avoid a 25 percent penalty based on the state's federal funds participation rate.

- ***Restore Funding for Time, Attendance and Leave System.*** Recommends \$303,220 GF the first year and \$606,439 GF the second year for the continued operation of the Time, Attendance and Leave (TAL) System pending its replacement, due to the delay in the implementation timeline for the Department of Accounts' new integrated payroll system that will replace TAL.
- ***Recruitment Management System Contract Extension.*** Recommends \$25,000 GF the first year for a one-year contract extension, reflecting the vendor's increased costs for the contract with the Virginia Information Technologies Agency (VITA) and People Admin for the state's Recruitment Management System, which expires after this year.
- ***Supplement Existing Funding to Establish Director of Equity, Diversity, and Inclusion.*** Proposes \$72,826 GF the second year to supplement existing funding for a currently funded vacancy to be redefined as the Director of Diversity, Inclusion, and Equity. The role would report directly to the agency head, and be in charge of Equal Employment Opportunity (EEO) functions, following the consolidation of the EEO and Employment Dispute Resolution offices into one entity.

- **Department of Elections**

- ***Provide NGF Funding for New Help America Vote Act (HAVA) Security Grant Award.*** Recommends \$3.0 million NGF the second year to facilitate the use of a portion of a \$9.0 million HAVA security grant awarded in 2018 to be drawn down over a four year period, and to be used to enhance the security of the state's election infrastructure, including the Virginia Election and Registration Information System (VERIS). In Chapter 2, \$10.4 million GF was provided over the biennium to backfill prior HAVA grant funding that was fully depleted at the end of FY 2018, in order to continue HAVA related activities.
- ***Expand Local Election Official Training.*** Proposes \$607,500 GF and 3.00 FTEs the second year to develop and maintain expanded curriculum and training programs for local election officials to promote uniformity in election administration throughout the state.
- ***Add Voter List Maintenance Positions.*** Recommends \$297,433 GF and 2.00 FTEs the second year to enhance voter list maintenance and auditing processes and implement standard list maintenance practices among general registrars. The request for positions and list maintenance activities is consistent with recommendations made by the Joint Legislative Audit and Review Commission

(JLARC) in its September 2018 Operations and Performance of Virginia’s Department of Elections report.

- *Advertise Voter Referendum for Equal Rights Amendment.* Proposes \$160,000 GF the second year to fund the cost of providing public notice of a statewide voter referendum, pursuant to Section 30-19.10, *Code of Virginia*, requiring such notice of statewide voter referenda.
- *Add Fiscal Administrative Position.* Recommends \$106,651 GF and 1.00 FTE the second year to provide back-up and support of existing financial and administrative support staff. The position request is consistent with recommendations made by JLARC in its September 2018 Operations and Performance of Virginia’s Department of Elections report, which identified issues related to the on-boarding of new employees and strengthening agency internal controls.

- **Virginia Information Technologies Agency**

\*Note: Proposed amendments for VITA are also reflected within the overview table for the Administration Secretariat.

- *Disentanglement Costs Associated With Settlement of Legal Dispute.* Final settlement amount agreed upon in regards to legal dispute between the

Commonwealth of Virginia and Northrup Grumman is \$35.8 million. This amount will be drawn from VITA's line of credit, which was increased over recent fiscal years to accommodate transition and disentanglement costs, and will be repaid in NGF through agency internal service fund (ISF) rates.

- ***Adjust Funding for Vendor Pass-Through Payments.*** Proposes a reduction of \$62.0 million NGF in the second year for vendor pass-through payments to reflect the most recent forecast of state agencies' utilization in service areas after transitioning to the new IT services model.
- ***Adjust Revenues and Transition Activities.*** Adjustments in NGF revenues associated with security audits, as well as network connections and security services management of vendor data centers related to transition and migration from the Commonwealth Enterprise Solution for the Shared Security Center to the new model result in increased costs of \$3.4 million NGF in the second year. These costs are expected to decline in the future following completion of the migration.
- ***Provide Funding for Increased Agency IT Costs.*** Proposes utilization of \$28.1 million GF revenue across the biennium to mitigate an unanticipated increase in disentanglement costs to agencies, as they transition from the old service model to the new model.
- ***Adjust Internal Service Fund Rates.*** Recommends an increase in ISF rates paid by agencies for IT services in the second year in order to pay down the VITA line of credit which has been utilized for transition and disentanglement costs, as well as an error in agency forecasting for FY18 primarily related to disentanglement. It is anticipated that this rate increase is temporary and future rates are expected to decline.
- ***Provide Funding for Software Licenses.*** Proposes \$1.7 million NGF the second year to purchase additional Microsoft licenses as an indirect result of disentanglement activities.
- ***Authorize Line of Credit Utilization for Agency Migration.*** Proposes language amendment that authorizes agencies to utilize VITA's line of credit for final transition and migration costs associated with disentanglement. This authorization is further supported by a formal transition process to be managed by VITA and approved by the Secretaries of Administration and Finance.

# Change	0.00	0.00	1.00	0.00

- **Department of Agriculture and Consumer Services**

- *Animal Care Emergency Response Coordinator.* Proposes an additional \$138,237 GF and 1.00 FTE the second year for an emergency preparedness coordinator for livestock, companion animals, crops and food products.
- *Animal Health and Dairy Laboratory.* Recommends an increase of \$150,000 GF the second year to establish an ongoing laboratory equipment replacement program under the Commonwealth's Master Equipment Leasing Program for the state's four regional animal health and food safety laboratories. Much of the bacteriological and molecular testing equipment costs upwards of \$50,000-\$100,000 each. The requested support will allow for a plan to gradually fill equipment needs of \$1.0 million.

- **Department of Forestry**

- *Broadband Capacity.* Proposes an additional \$0.2 million GF the second year to provide broadband coverage to five agency field offices including: Abingdon, Appomattox, New Kent, Salem, and Tappahannock.

- ***Fund Additional Positions.*** Recommends a total of \$0.5 million GF the second year in order to staff three existing positions and establish an agency apprenticeship program. The three roles that would be staffed under the proposal include a land conservation easement coordinator, a watershed program manager, and a hardwood management coordinator.
  
- ***Vehicle Service Center.*** Proposes an additional \$4.3 NGF in Capital Outlay for construction of a new vehicle service center for the Department of Forestry. Funding for the construction of the service center would be provided by the University of Virginia as part of an agreement to swap parcels owned by UVA and the Department of Forestry.

## Commerce and Trade

<b>Governor's Proposed Amendments</b>				
(\$ in millions)				
	<b>FY 2019 Proposed</b>		<b>FY 2020 Proposed</b>	
	<b><u>GF</u></b>	<b><u>NGF</u></b>	<b><u>GF</u></b>	<b><u>NGF</u></b>
<b>2018-20 Current Budget</b> (Ch. 2, 2018 Special Session I)	\$225.7	\$700.0	\$230.1	\$693.8

# Change	3.0	0.0	7.00	0.0

- **Economic Development Incentive Payments (EDIP)**
  - *Virginia Investment Partnership Grants.* Proposes a reduction of \$270,000 GF the first year and \$210,000 GF the second year to align with anticipated grant payments. The payments are based on negotiated grants awarded to select projects that invest in Virginia and meet specified job creation and capital investment targets.
  - *Major Eligible Employer Performance Grants.* Recommends a reduction of \$1.8 million GF in FY 2019, recognizing that the company will not reach certain performance milestones to qualify for the planned grant payment.
  - *Semiconductor Manufacturing Grant Program.* Proposes language authorizing the Governor to appropriate monies for economic development incentives through withdrawals from the Revenue Reserve Fund. The Semiconductor Manufacturing Grant payment of \$50.0 million GF the second year would be paid through a withdrawal from the Reserve Fund. The Grant would be paid to a qualifying semiconductor manufacturer, subject to minimum capital investment

and job creation targets. The planned grant payment is not included as an appropriation under the Office of Commerce and Trade.

- **Department of Housing and Community Development**

- *Increase Funding for Virginia Telecommunications Initiative.* Increases second year funding for broadband deployment by \$46.0 million GF to \$50.0 million GF. The Governor proposes to maintain funding at \$50.0 million annually through FY 2024 for a total five year investment of \$250.0 million.
- *Increase Deposits to the Housing Trust Fund.* Recommends increasing deposits to the Housing Trust Fund by \$14.5 million GF in FY 2019 and \$4.5 million GF in FY 2020, bringing the two-year total to \$30.0 million GF.
- *Create an Eviction Diversion Program.* Proposes to spend \$104,050 GF and create one position the second year to develop an Eviction Diversion Program. The program administrator would be charged with leading a coordinated statewide effort to reduce and prevent evictions using existing state, local and federal programs and resources.

- **Department of Labor and Industry**

- *Increase Personnel in Occupational Safety Programs.* Proposes new spending of \$1.4 million GF and 12 positions in the Virginia Occupational Safety and Health (VOSH) Program. These positions would conduct safety and health inspections and issue citations where violations of VOSH regulations are found.

- **Department of Mines, Minerals and Energy**

- *Establish an Office of Offshore Wind.* Proposes new spending of \$250,000 GF the second year to enable the creation of an Office of Offshore Wind within the Division of Energy at the Department of Mines, Minerals and Energy. Funding would support 1.50 FTEs who would engage with offshore wind developers and supply chain companies to support the future development of offshore wind assets in Virginia.
- *Support for Renewable Energy Development.* Proposes new spending of \$10.0 million GF in FY 2019 to enable the development of a revolving loan fund and loan-loss reserve fund intended to incentivize private investments in energy efficiency, renewable energy, alternative fuels, and similar conservation-related projects in the public and private sectors.

- *Funding for Solar Energy Projects at State Facilities.* Recommends new spending of \$137,000 GF the second year to support one position to oversee procurement of renewable energy infrastructure on state properties.
- **Fort Monroe Authority**
  - *Funding for First Landing Monument.* Recommends \$500,000 GF in FY 2019 to be used for planning, design, construction and other costs associated with construction of a permanent monument commemorating the 400-year anniversary of the First Landing of Africans at Point Comfort in 1619.
  - *Additional Operating Support.* Recommends additional operating support of \$156,922 GF each year to offset the reduction in funding from the National Park Service (NPS) resulting from a delay in the transfer of the 35-acre Wherry Parcel to NPS. Funding would be used for public works maintenance, grounds maintenance and security patrols.
- **Virginia Economic Development Partnership**
  - *Increase Funding for Business Ready Sites Program.* Proposes an additional \$20.0 million GF in FY 2019 to significantly expand funding for grants used to characterize, inventory and develop sites in the Commonwealth in order to be more competitive with other states in attracting economic development projects. Current FY 2019 base funding is \$1.1 million. No language is included governing the use of the funds.
- **Virginia Employment Commission**
  - *Strategic Workforce Dashboard.* Recommends \$124,635 GF and 3.00 FTEs the first year and \$1.9 million GF and 6.00 FTEs the second year to develop and implement a strategic workforce dashboard pursuant to Chapter 225 of the 2018 Acts of Assembly (HB 1006). The dashboard and related tools would provide information on issues such as state and regional labor market conditions, the relationship between the supply and demand for workers, workforce program outcomes, and projected employment growth or decline.
- **Virginia Tourism Authority**
  - *Increase Funding for Heart of Appalachia Tourism Authority.* Proposes an increase of \$250,000 GF the first year, from \$100,000 to \$350,000 GF, to support tourism marketing in the coalfield region.

- ***Increase Support for Spearhead Trails.*** Increases funding by \$300,000 GF in FY 2019, from \$550,000 to \$850,000 GF. Spearhead Trails is an initiative of the Southwest Virginia Recreation Authority.

Additionally, each Item is summarized in a table at the end of the Direct Aid to Public Education section in this document.*

**Technical Updates and Forecast Changes**

- **Update Sales Tax.** Proposes increasing net distributions to school divisions by \$4.8 million GF in FY 2019 and \$19.6 million GF in FY 2020. This includes both the component from the re-forecast as well as the estimated amount in FY 2020 based on Internet sales collections from proposed legislation. (See table that details the sales tax revenue estimates and subsequent basic aid impact.)

The sales tax revenue from the one cent portion and the additional one-eighth cent from the Public Education SOQ/Real Estate Property Tax Relief Fund that are dedicated for public education is distributed to school divisions based on school - aged population and is allocated to total SOQ cost prior to allocating the remaining SOQ cost between the state and local shares based on Composite Index of local ability-to-pay. These amounts represent net change in state funding, as required by the Basic Aid funding formula. The revised estimates for the education component of sales tax equal \$1,421.6 million in FY 2019 and \$1,486.3 million in FY 2020. (See below for a separate action that updates the sales tax distribution based on the latest yearly estimate of school aged population.)

<b>Sales Tax Revenue Projected Estimates</b>			
(\$ in millions)			
	<u>FY 2019</u>	<u>FY 2020</u>	<u>Biennium</u>
<b><u>Current Sales Tax Total (Chapter 2)</u></b>	<b>\$1,410.8</b>	<b>\$1,441.8</b>	<b>\$2,852.6</b>
<b>HB 1700/SB 1100 Proposed Sales Tax Changes</b>			
Forecast Update	10.8	13.9	24.7
Basic Aid Offset Adjustment	<u>(6.0)</u>	<u>(7.8)</u>	<u>(13.8)</u>
<b>Net Impact from Forecast Update</b>	<b>\$4.8</b>	<b>\$6.1</b>	<b>\$10.9</b>
Proposed Legislation for Internet Sales	0.0	30.6	30.6
Basic Aid Offset Adjustment	<u>0.0</u>	<u>(17.1)</u>	<u>(17.1)</u>
<b>Net Impact from Proposed Internet Sales</b>	<b>\$0.0</b>	<b>\$13.5</b>	<b>\$13.5</b>
Total Proposed Sales Tax Revenue Changes	10.8	44.5	55.3
Total Basic Aid Offset Adjustments	<u>(6.0)</u>	<u>(24.9)</u>	<u>(30.9)</u>
<b>Net Impact from Total Sales Tax Changes</b>	<b>\$4.8</b>	<b>\$19.6</b>	<b>\$24.4</b>
<b>HB 1700/SB 1100 Sales Tax Estimates</b>	<b>\$1,421.6</b>	<b>\$1,486.3</b>	<b>\$2,907.9</b>

- ***Update Sales Tax Distribution Based on Latest School Age Population Estimate.*** Proposes adding \$320,390 GF in FY 2020 due to the updates based on the latest yearly estimate of school-age population, provided by the Weldon Cooper Center for Public Service at the University of Virginia.

The FY 2019 school-age population estimates remain the same as in Chapter 2, and continue to use the July 1, 2016, estimate to distribute sales tax revenue in FY 2019. The FY 2020 sales tax distribution is amended to reflect the July 1, 2017, school-age population estimates. This action does not change the total amount of sales tax distributed to school divisions in FY 2020, just the distribution to individual divisions. These changes in sales tax revenue distributions, in turn, impact the remaining balance of the SOQ costs that are split between the state and divisions.

- ***Recognize Increases in Lottery Proceeds NGF Forecast.*** Proposes to adjust funding to reflect an increase in the estimate of Lottery proceeds by \$39.9 million NGF in FY 2019 and \$30.4 million NGF in 2020. The first year increase is from a combination of the \$9.6 million residual FY 2018 profit, the \$16.6 million one-time \$1.6 billion Mega Millions Jackpot, and then \$13.7 million from the routine update of the

Lottery revenue forecast. The second year increase of \$30.4 million is solely attributable to the routine forecast update. The introduced budget reflects a new total lottery revenue of \$632.4 million in FY 2019 and \$628.8 million in FY 2020. (Companion actions in the Proposed Policy Changes Section allocates this additional revenue to increase spending for At-Risk Add-On and the Supplemental Lottery Per Pupil Amount.)

<b>Revisions to Lottery Proceeds Fund</b>			
(\$ in millions)			
	<u>FY2019</u>	<u>FY2020</u>	<u>Biennium</u>
<b>Total Lottery Proceeds in Ch. 2</b>	<b>\$592.5</b>	<b>\$598.4</b>	<b>\$1,190.9</b>
Residual FY 2018 Profit	9.6	0.0	9.6
Adjustment for the \$1.6B Mega Jackpot	16.6	0.0	16.6
Lottery Revenue Forecast Update	<u>13.7</u>	<u>30.4</u>	<u>44.1</u>
<b>Proposed Lottery Proceed Fund Totals</b>	<b>\$632.4</b>	<b>\$628.8</b>	<b>\$1,261.2</b>
<b>Net Increases to Lottery Proceeds Fund</b>	<b>\$39.9</b>	<b>\$30.4</b>	<b>\$70.3</b>

- ***Update Enrollments, Incentive, Categorical, Lottery-Funded Programs, and Other Technical Updates.*** Proposes capturing \$20.4 million GF in FY 2019 and \$34.8 million GF in FY 2020 due to the update of Standards of Quality accounts based on slower than projected growth in actual March 31, 2018 ADM and September 30, 2018 fall membership. On a statewide basis, the revised ADM projections are 6,863 students lower the first year and 9,607 lower the second year, compared to the projections included in Chapter 2, for revised totals of 1,245,571 students the first year and 1,248,166 the second year. The revised ADM totals for both years reflect the first time since FY 1985 that the statewide ADM has declined below the previous year totals indicating that student membership, year over year, has decreased.

In addition, the proposed budget reflects savings from updated actual enrollment data of \$0.3 million GF in FY 2019 and \$0.6 million GF in FY 2020 for Remedial Summer School and savings of \$2.3 million GF in FY 2019 and \$3.0 million GF in FY 2020 for English as a Second Language.

The biennial costs for Incentive, Categorical, and Lottery-Funded program accounts reflect net savings due to technical updates for student enrollment, program participation or PALS assessment data:

- **Incentive Programs.** Update Governor’s Schools lower enrollment saves \$209,902 GF in FY 2019 and \$360,261 GF in FY 2020; Special Education Regional Tuition Reimbursement costs decrease by \$6.1 million GF in FY 2019 and \$0.7 million GF in FY 2020; and VPSA Education Technology Grants decrease by \$1.8 million NGF in FY 2019 and \$1.9 million NGF in FY 2020.
- **Categorical Programs.** Updates to the Special Education Homebound student participation costs reflect a savings of \$0.2 million GF each year; and Special Education State Operated Programs reflect a net increase of \$0.1 million GF the second year.
- **Lottery-Funded Programs.** Update for lower VPI student enrollment, including a Head Start data error correction for Buena Vista nets a saving of \$2.2 million NGF in FY 2019; however, new language allocates the \$2.2 million savings for VPI start-up and expansion grants and then any remaining balance will be carried forward into FY 2020 and used for ‘Waiting List’ VPI slots for eligible school divisions. The K-3 Primary Class Size Reduction program reflects savings of \$5.4 million NGF the first year and \$2.4 million NGF the second year due to fewer eligible K-3 classes with qualifying free lunch percentages; Early Reading Intervention increases by \$1.0 million NGF in FY 2019 and by \$0.9 million NGF in FY 2020; School Breakfast meal reimbursements decrease by \$443,982 NGF in the first year and by \$557,165 NGF in the second year; Foster Care decreases by \$1.4 million NGF the first year and by \$1.6 million NGF the second year; and the Regional Alternative Education program account reflects a slight savings of \$11,361 NGF in the first year and then an increase of \$240,695 NGF the second year.
- ***National Board Certification and CTE Regional Centers.*** Proposes capturing \$41,787 GF in FY 2019 and \$0.1 million GF in FY 2020 from updates to the cost of bonus payments under the National Board Certification Program based on the actual number of classroom teachers in Virginia’s public schools who hold certification from the National Board of Professional Teaching Standards. Also captures \$60,000 GF each year because the Pruden Regional Technical Center is no longer eligible to receive supplemental Career and Technical Education funding grants.

### ***Proposed Policy Changes***

- ***Funding for the State’s Share of an Additional 2 Percent Salary Increase.*** Proposes adding \$87.6 million GF the second year for the state share of an additional two percent salary increase for funded Standards of Quality instructional and support positions, effective July 1, 2019, and the Academic Year Governor’s School and

Regional Alternative Education programs' instructional and support positions. This increase is in addition to the 3 percent increase currently provided in Chapter 2 of the 2018 Acts of Assembly, Special Session I.

New language changes the certification date for the FY 2020 compensation supplement from April 1, 2019, to June 1, 2019. This change allows school divisions to submit the certification in conjunction with their May 2019 Required Local Effort/Required Local Match data collection and certification, thereby consolidating multiple submissions for school division staff and superintendents and eliminating the need for the Department of Education to collect the data separately in April.

Although school divisions must certify that they will provide a total average of five percent over the two years in the FY 2018-20 biennium, there is no budget language that specifically requires school divisions to provide a local composite index based funding match in order to receive the state's share of funding.

- ***Literary Fund School Construction Loans.*** Proposes allocating \$80.0 million GF in the first year to support public school employee retirement contributions to free up \$80.0 million NGF in the Literary Fund in order to make school construction loan funding available, based on the latest Literary Fund revenue projections provided by the Department of Treasury. *(See below for a summary table of the estimated Literary Fund revenues and proposed expenditures.)*

## Revisions to Literary Fund Sources and Uses

(\$ in millions)

	Department of Treasury	
	Estimates	
	<u>FY 2019</u>	<u>FY 2020</u>
<b>Revenue Sources:</b>		
Fines, Fees and Forfeitures	\$52.6	\$56.7
Interest Less Fees	1.6	1.8
Unclaimed Property	130.0	95.0
Interest on UCP	1.1	1.0
Unclaimed Lottery Prizes	6.8	11.5
School Division Loan Payments and Interest	16.7	15.2
VPSA Reserve	<u>0.0</u>	<u>0.0</u>
<b>Total</b>	<b>\$208.9</b>	<b>\$181.1</b>
<b>Proposed Expenditure Allocations:</b>		
	<b>HB 1700 / SB 1100</b>	
Teacher Retirement/Social Security	\$66.4	\$136.4
Technology Equip. & "Backpack" Debt Service	73.5	73.5
Interest Rate Subsidy	0.3	0.0
School Construction Loans	<u>101.3</u>	<u>0.0</u>
<b>Total</b>	<b>\$241.4</b>	<b>\$209.8</b>

- ***Begin Phase-in of Lowering School Counselor Staffing Ratios.*** Proposes \$36.0 million GF the second year for additional school counselors in all public elementary, middle, and high schools. This funding represents the state’s share of costs to lower the current statutory ratio of school guidance counselors (§ 22.1-253.13:2, H.4., of the Code of Virginia), in elementary school from 1:500 to 1:375, in middle school from 1:400 to 1:325, and in high school from 1:350 to 1:300, with the intent to provide additional funding in subsequent two fiscal years to achieve a ratio of 1:250 for all public elementary, middle, and high schools.

This proposed amendment is the first in a three-year phase-in plan to increase the funding for school counselors based on a 1:250 ratio in all schools by FY 2022. The \$36.0 million is based on Chapter 2, which is exclusive of additional costs for the proposed 2 percent salary increase for SOQ instructional and support positions.

There is no language requirement for divisions to hire any additional counselors.

- ***Increase Supplemental At-Risk Add-On Percentage Range Allocation.*** Proposes \$21.3 million GF in FY 2019 and \$14.3 million GF in FY 2020 to increase the At-Risk

Add-on percentage for each school division to support at-risk students. The top-end of the add-on range increases from 13 percent the first year and 14 percent the second year to 16 percent in both years. The specific add-on range generated for each school division, which is a minimum of one percent up to the proposed 16 percent, is determined by the percentage of students eligible for free lunch in each school division and then applied to the SOQ Basic Aid PPA to calculate the allocation.

The additional allocation for the At-Risk Add-On initiative is funded by using a portion of the proposed increases in the lottery proceeds revenue appropriation estimates of \$39.9 million in FY 2019 and \$30.4 million in FY 2020 above the appropriations in Chapter 2.

- ***Increase Supplemental Lottery Per Pupil Allocation.*** Proposes \$18.5 million GF the first year and \$16.2 million GF the second year to increase the Supplemental Lottery Per Pupil Amount (PPA) from \$336.05 to \$364.15 and from \$341.96 to \$367.44 respectively.

The additional allocation for the Lottery PPA initiative is funded by using a portion of the proposed increases in the lottery proceeds revenue appropriation estimates of \$39.9 million in FY 2019 and \$30.4 million in FY 2020 above the appropriations in Chapter 2.

- ***State Funding to Backfill Expired Federal VPI-Plus Grant.*** Proposes \$9.7 million GF the second year for the Virginia Preschool Initiative Plus (VPI+) program which is currently funded by a federal Preschool Development Grant that expires at the end of FY 2019. The proposed funding is allocated to the thirteen school divisions currently participating in the federal grant and is for 1,530 preschool slots in FY 2020: Brunswick (36), Chesterfield (208), Fairfax County (90), Frederick (54), Giles (36), Henrico (223), Prince William (208), Sussex (27), Norfolk (180), Petersburg (72), Richmond City (198), Virginia Beach (90), Winchester (180).

The new VPI+ program requirements are identical to the existing VPI program – except for the level of state funding support. For the new VPI+ program, the state will be responsible for 100 percent of the \$6,326 cost for each slots in VPI+. (For the existing VPI program, the \$6,326 amount is split between the state and a school division, based on the lower of the LCI, or the 0.5000 cap.) Then, beginning in FY 2021, the LCI match will be phased-in at 10 percent of the local share of the \$6,326 amount per year until the LCI match is equal to the division’s LCI match cost or the cap of 0.5000 LCI, whichever is lower. The local match cost phase-in will be completed in FY 2030.

The VPI+ is identical to the state's existing VPI program except for the cost sharing of local match requirements.

- ***Redirects Funding from VPI Provisional Teacher Licensure Support to VPI Start-Up and Expansion Grants.*** New language proposes using any FY 2019 balances from the Virginia Preschool Initiative - Provisional Teacher Licensure coursework and professional development grants for VPI start-up or expansion grants. Then any remaining balances will be carried forward to FY 2020 to be used for VPI 'Waiting List' slots. DOE has estimated that about \$2.0 million out of the \$2.3 million allocated in FY 2019 in the current budget (Chapter 2) will be redirected to start-up and expansion grants.

For FY 2020, the introduced budget proposes decreasing the VPI Provisional Teacher Licensure allocation by \$2.0 million.

- ***VPI Local Curriculum Grants and Local Classroom Observation Grants.*** Proposes \$0.9 million NGF the second year for competitive grants to school divisions and localities to purchase and effectively implement evidence-based curriculum and additional \$0.8 million NGF in the second year to conduct Classroom Assessment Scoring System (CLASS) observations by local observers.

Any funds not awarded in this grant allocation, may be used to support implementation of DOE's November 2018 Plan to Ensure High Quality Instruction in All VPI Classrooms.

Also, in the DOE budget, \$300,320 is proposed in the second year for two positions that would provide training focused on individualized professional development and to support local implementation of curriculum and observations, in support of implementation of the Department of Education's November 2018 Plan to Ensure High-Quality Instruction in All Virginia Preschool Initiative Classrooms.

- ***Transfers New VPI Teacher Professional Development Funding to DOE Central Office.*** Proposes transferring the \$300,000 in FY 2019 and \$700,000 in FY 2020 for Virginia Preschool Initiative - Teacher Professional from Direct Aid to DOE. The Department is required to contract with the University of Virginia to provide these services, and this transfer would better align administration of the program.
- ***Transfers New VPI Classroom Observations Funding to DOE Central Office.*** Proposes transferring the \$350,000 NGF each year for Virginia Preschool Initiative - Classroom Observations from Direct Aid to DOE. The Department is required to contract with the University of Virginia to provide these services, and this transfer would better align administration of the program.

- ***Transfer Virtual Virginia NGF from Direct Aid to Central Office.*** Proposes transferring \$400,000 NGF each year for Virtual Virginia tuition revenues from Direct Aid to DOE, where the receipt and expenditure of these revenues occurs.
- ***Increase Great Aspirations Scholarship Program.*** Proposes an increase of \$200,000 GF the second year for the Great Aspirations Scholarship Program (GRASP) to provide students and families in need access to financial aid, scholarships, and counseling to maximize educational opportunities for students.
- ***New: 'The Garden of Tomorrow' Project.*** Proposes \$2.0 million GF in the first year to the Norfolk Botanical Garden's 'The Garden of Tomorrow' project to enhance environmental education in the Commonwealth.
- ***New: Arts Festival Education.*** Proposes \$400,000 GF the second year for the Virginia Arts Festival World Class Education Program to support arts education programming and develop partnerships with local school divisions to ensure widespread student participation, financial assistance for students that participate in the program, residencies and master classes that include extended and concentrated instruction for student participants, and arts education opportunities that support the Standards of Learning (SOL).
- ***New: Robots for Autism Pilot Program.*** Proposes \$250,000 GF the second year to establish a pilot program to encourage the use of robots to aid in the education of students on the autism spectrum. DOE will award competitive grants to school divisions to purchase robotic devices with proven effectiveness for helping students with autism.
- ***New: PreK-2 Active Learning Pilot Program.*** Proposes \$250,000 GF the second year to establish a pilot program to encourage active learning for students in pre-kindergarten through second grade. DOE will award competitive grants to school divisions to purchase a platform that features on-demand adventures that transform math and language content from the SOL into movement-rich activities for students enrolled in pre-school through grade two.
- ***New: Grow Your Own Teacher Pilot Program.*** Proposes \$200,000 GF the second year to establish a pilot program for DOE to provide scholarships up to \$7,500 to high school graduates that attend a Virginia institution of higher learning and subsequently teach in a high-need public school within their division of residence. School divisions apply for funds on behalf of students who: 1) graduated from a public high school in the local school division; 2) was eligible for free or reduced price lunch throughout the applicant's attendance at a public high school in the local school division; and 3) commits to teach, within three years of graduating from a Virginia state institution of higher learning, in the school division at a public high

school where at least 50 percent of students qualify for free or reduced price lunch at the time of application, for a period of at least four years. Payments will be made to the Virginia institution of higher learning by DOE on behalf of the student. DOE may recover all or part of the funds awarded if the student does not satisfy the teaching obligation.

### *Proposed Language Changes*

- ***Authority to Withhold At-Risk Add-on Funds.*** Modifies budget language regarding the withholding of At-Risk Add-On funds to align with the Board of Education's revised Standards of Accreditation.
- ***Targeted Extended/Enriched School Year and Year-Round School Grants.*** Amends budget language for the eligibility provisions of the Targeted Extended School Year grant program in order to properly align with the newly approved Standards of Accreditation. Eligibility for the maximum grant amount of \$400,000 and a waiver of the local match requirement changes from Denied Accreditation status to Accredited with Conditions status and rated at Level Three in two or more Academic Achievement for All Students school quality indicators.
- ***Division Cap on School Security Equipment Grants.*** Proposes increasing the division cap for school security equipment grants from \$100,000 to \$250,000.
- ***Achievable Dream Program.*** Removes language stipulating that the \$500,000 GF for the Achievable Dream partnership with Newport News school division is in lieu of a like amount from the Neighborhood Assistance Program (NAP) Tax Credits. Achievable Dream may now be eligible to also receive donations from the NAP in addition to the general fund allocation.
- ***Provisionally Licensed Minority Teachers.*** Proposes adding the Virginia Communication and Literacy Assessment to the allowable tests for which grants may be awarded to school divisions, teacher preparation programs, or nonprofit organizations in the Northern Virginia, Central Virginia, and Hampton Roads regions to subsidize test fees and the cost of tutoring for provisionally licensed minority teachers seeking full licensure in Virginia.

- **Department of Education**

- ***Replace Online Management of Education Grant Awards (OMEGA) System.*** Proposes adding \$600,000 GF the second year to support a new grants management system for school divisions, higher education institutions, and non-profit organizations to submit grant applications and reimbursement claims (via a customized off-the-shelf solution) to replace the OMEGA system, which was launched in 2005. This total includes \$75,000 for VITA-required project management oversight. Addresses recommendations of recent audit reports. On-going application licensing costs beginning in FY 2021 would total \$300,000 per year.
- ***Computer Science Training.*** Proposes adding \$553,000 GF the second year to support the Board of Education’s computer science Standard of Learning and computer science education and training needs through a contract between DOE and the University of Virginia.  
  
Currently in Item 210, there is \$550,000 GF in the adopted budget for Northern Virginia Community College to provide computer science training and professional development activities for public school teachers
- ***Automate Teacher Licensure Application Process.*** Proposes \$552,500 GF the second year to automate the teacher license application system. Additional one-time costs of \$552,500 GF would be needed in FY 2021, as well as on-going recurring costs of \$169,000 beginning in FY 2022. Currently, DOE processes approximately 33,000 transactions per year associated with new licenses, renewals, added endorsements, and duplicate filings.
- ***Address Agency Finance and IT Security Risks.*** Proposes adding \$549,573 GF and four positions the second year to address material weaknesses in finance, risk management, and information technology security, as identified through recent audit report from APA. Positions include two Information Technology Security Operations Specialists, one Oracle Financials Functional Administrator, and one Agency Risk Management and Internal Control Standards (ARMICS) Controls Testing/Documentation Specialist.
- ***Update Virginia Studies and Civics and Economics SOL Tests.*** Proposes \$500,000 GF the second year to update the Virginia Studies and the Civics and Economics Standards of Learning tests to measure the revised History standards adopted by the Board of Education in 2015.
- ***Support Local Implementation of Seclusion and Restraint Regulations.*** Proposes adding \$492,755 GF the second year to support statewide training and assistance for local school divisions to implement the Board of Education's Regulations

Governing the Use of Seclusion and Restraint in Public Elementary and Secondary Schools in Virginia, which are expected to be effective in FY 2020. Funding supports training for one staff member per local school division, as well as the human resources and technical assistance supports necessary for the Department of Education to implement the regulation and provide ongoing assistance to divisions.

- ***Enhance Local Capacity and Quality of VPI Programs.*** Proposes \$300,320 GF and two Early Childhood Education positions the second year to provide individualized professional development and to support local implementation of evidence-based curriculum and classroom observations in all Virginia Preschool Initiative programs. These positions support implementation of the Department of Education's November 2018 Plan to Ensure High-Quality Instruction in All Virginia Preschool Initiative Classrooms. This proposal is funded with a part of the proposed Direct Aid budget reduction to VPI allocation for supporting provisionally licensed preschool teachers.
- ***Military Compact State Membership Fee.*** Proposes adding \$9,000 GF the second year for Virginia's annual Military Interstate Compact Commission dues based on a formula increase approved by the Commission and effective FY 2020.
- ***Transfer VPI Professional Development and Classroom Observations from Direct Aid to Central Office.*** Proposes transferring a total of \$650,000 GF the first year and \$1.1 million GF the second year for Virginia Preschool Initiative teacher professional development (\$300,000 the first year and \$700,000 the second year) and Virginia Preschool Initiative classroom observations (\$350,000 each year).
- ***Transfer Virtual Virginia NGF from Direct Aid to Central Office.*** Proposes transferring \$400,000 NGF each year for Virtual Virginia tuition revenues from Direct Aid to VDOE Central Office, where the receipt and expenditure of these revenues occurs.

- **Virginia School for the Deaf and Blind**

- ***Capital Outlay.*** Proposes \$1.0 million in bond proceeds to assess existing generator capacity and to support purchase and installation of equipment to provide service to four buildings on the VSDB campus that currently are not connected to a back-up energy source and are not wired to accept a back-up generator. The buildings are used for residential and dining space for students, food storage for frozen and refrigerated foods, and administrative offices.

Richard Bland	238,536
VCCS	<u>3,474,453</u>
<b>Total</b>	<b>\$15,466,883</b>

*Other Higher Education Spending Proposals*

- **Computer Science Degree Production.** Proposes \$8.3 million GF (in Central Appropriations) the second year to increase the number of bachelor’s and master’s degrees in computer science and to improve graduates readiness for employment

in technology related occupations through internships. Institutions disbursed funds will be subject to performance agreements. Associate-degree-granting institutions are eligible for awards if an institution presents a transfer plan that culminates in a bachelor's degree. The Secretary of Education, in consultation with the Secretary of Finance and the Secretary of Commerce and Trade, will develop a process to award these funds with the Governor providing final approval for distribution of the funds.

- **State Council of Higher Education – Tuition Assistance Grant Program.** Proposes \$5.2 million GF to increase the tuition assistance grant award from \$3,350 to \$3,400 per student in FY 2020.
- **State Council of Higher Education – New Economy Workforce Credential Grant Program.** Proposes \$4.0 million GF the second year to support an additional 1,800 individuals earning a workforce credential bringing the second year total to \$13.5 million. Additional language proposes new eligibility criteria for the grant: students must have a family income at or below \$50,000 annually, and no more than 25 percent of the grant funds may be used in one occupational field.
- **Virginia Community College System – Advising.** Proposes \$5.5 million GF to support 79.00 FTEs to provide additional advising services across the Virginia Community College System. The advising positions will help students choose a career pathway, connect to a transfer institution or assist in finding employment in a high demand field.
- **Virginia Community College System – Online Apprenticeship Curriculum.** Proposes \$130,000 GF and 1.00 FTE to develop online curriculum related to the highest enrolled apprenticeship programs.
- **University of Virginia-Wise – Enhance Enrollment Growth and Student Success.** Proposes \$2.0 million GF, \$133,146 NGF, and 2.00 FTEs in FY 2020 to backfill funds, which were transferred from the second year to the first year, to be used for enrollment retention in FY 2019. The funds will be used to support core operations and enhanced recruitment efforts to account for previous enrollment decline.
- **University of Virginia-Wise – Program Planning.** Recommends \$600,000 GF and 5.00 FTEs in the second year to implement program planning for accounting and business accreditation, an online bachelors in nursing and a cybersecurity initiative.

- **Radford University: Acquisition of Jefferson College of Health Sciences.** Proposes \$1.7 million GF in FY 2020 to support Radford's acquisition of Jefferson College of Health Sciences and maintain student affordability. The proposed amount is equivalent to the tuition assistance grant that Jefferson College currently receives. Additionally the language authorizes 152.00 FTEs to become state employees.
- **Virginia State University – Commonwealth Graduate Engineering Program.** Proposes \$299,286 GF, \$224,464, NGF and 7.00 FTEs to support Virginia State's participation in the Commonwealth Graduate Engineering Program by offering an online graduate degree program in computer science.
- **University of Virginia's Focused Ultrasound Center.** Proposes \$1.0 million GF in FY 2020 to further support research conducted at the Focused Ultrasound Center at the University of Virginia. This brings total funding to \$3,612,500 in FY 2020.
- **Foundation for Humanities – University of Virginia.** Proposes \$200,000 GF the second year to support community-based educational programs and capacity building grant writing workshops and grants to organizations in Southwest Virginia.
- **Interest Earnings and Credit Card Rebates.** Proposes \$687,601 GF each year for adjustments to higher education institutions' share of tuition and fee interest earnings and small purchase credit card rebates as part of the incentives that higher education institutions retain if they meet their performance measures under restructuring. The credit card rebates amount decreased in both years. These amounts are appropriated under Central Appropriations.
- **Jefferson Lab Center for Nuclear Femtography.** Proposes \$500,000 GF the second year to continue support for the Center for Nuclear Femtography. This would be in partnership with the Commonwealth's public and private research universities. Nuclear Femtography is expected to be the next generation of nanotechnology. This funding is in addition to the nearly \$7.0 million allocated since FY 2016 to expand Jefferson Labs in order to compete for federal funding.
- **Virginia Institute of Marine Science – Chesapeake Bay Water Quality Monitoring.** Proposes \$386,668 GF the second year and 2.75 FTEs to provide funding to monitor bay grasses and support co-existence with oyster aquaculture.

- **Virginia Cooperative Extension and Agricultural Research Fund Split.** Proposes funding \$129,557 GF the first year and \$548,924 GF the second year to cover the 95 percent of the state share for educational and general programs.

#### Other Higher Education Actions

- **Classified Staff and Faculty Salary Bonus.** Proposes a 1 percent one-time bonus for classified staff and faculty in December of FY 2020, the share for faculty and classified staff at higher education institutions is approximately \$12.6 million GF in FY 2020.
- **Workforce Case Management System.** Recommends \$8.0 million GF in FY 2019 (in Central Appropriations) to integrate workforce case management systems across state agencies. This funding will improve efficiency and provide an easy-to-use entry point into the workforce development system.
- **Six-Year Financial Plan Language.** Introduced language requires higher education institutions to submit a tuition and fee transparency and predictability plan for in-state undergraduate students as part of the six-year plan. The plans shall be for a period of three years, include a percentage and dollar increase or decrease of tuition during the plan's duration, and indicate a range of tuitions based upon available state resources, but must contain a scenario that includes the assumption of no new state general fund support.
- **Virginia College Affordability Network Initiative.** Proposed language requires Norfolk State University, University of Virginia-Wise, and Virginia State University to develop a framework and funding recommendations associated with enhancing access to undergraduate students with high financial needs. A single report of findings and recommendations must be submitted by September 1, 2019.
- **Cybersecurity Student Loan Repayment Grant Program.** Introduces language to extend employer eligibility for grant recipients to Virginia local government agencies.
- **James Madison University Level III Authority.** Recommends approval for James Madison to pursue Level III designation.
- **Nongeneral Revenue University of Mary Washington.** Introduces language allowing the University of Mary Washington to exceed the three percent cap on mandatory fees in auxiliary programs as the university reviews aligning auxiliary fees to auxiliary expenditures.

- **Nongeneral Fund Adjustments.** Proposes NGF adjustments related to tuition and fee changes, sponsored programs, auxiliary enterprises and hospital patient revenue as follows:

<b>Proposed 2018-20 NGF Adjustments</b>		
<b><u>Institution</u></b>	<b><u>FY 2019</u></b>	<b><u>FY 2020</u></b>
Christopher Newport	\$1,561,000	\$1,561,000

- **Virginia Museum of Fine Arts**

- *Evans Learning 360 Program.* Proposes \$377,403 GF and 8.00 FTEs the second year to support Evans 360, a multidimensional learning experience and evaluation project that provides interactive ways for people across the Commonwealth to engage with the museum. The project will increase accessibility to the museum's art collection for student and teachers, and offer distance learning instruction with interaction in real time for classrooms.
- *Food Service and Gift Shop.* Proposes an exemption to the Virginia Public Procurement Act to allow VMFA to outsource specific items for resale in the gift shop and restaurant operations. The language complies with recommendations from the Department of General Services.

- **Virginia Commission for the Arts**

- *Arts Grants.* Proposes \$250,000 GF the second year for grants to local arts organizations.
- *New Executive Director.* Proposes \$7,928 GF each year to cover the salary of the new agency director.

- **Frontier Culture Museum**

- *Defibrillators and Casualty Response Kits.* Proposes \$15,000 GF to purchase defibrillators and mass casualty response kits for placement at strategic locations around the museum and to provide employee first aid and emergency training.

- **Gunston Hall**

- *Capital Outlay: Exterior Brick and Stone.* Proposes \$375,000 GF to be used in the restoration and preservation of the outside of Gunston Hall to protect the Historic National Landmark.

- **Office of the Secretary of Finance**

- *Study Gaming Governance and Expansion.* Proposes \$175,000 GF the second year in one-time funds for the Secretary of Finance, in consultation with other state agencies and commissions, to contract with a third-party administrator to study the Commonwealth's gaming governance structure and current and potential revenues to the state. The study would include a review of gaming governance structures of other states and the impact of gaming expansions on state lotteries. A report on the findings and recommendations of the study would be delivered the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by November 1, 2019.

- **Department of Accounts**

- *Adjust Appropriations for Cardinal Financials Project.* Recommends \$3.3 million NGF the first year and \$3.0 million NGF the second year to reflect the adjustment in appropriation for the agency's operating costs of the Cardinal Financials system. The change primarily reflects the impact of the delayed implementation of

the Cardinal Payroll module, due to the expansion of the project's scope to include incorporating the systems that will replace the existing Personnel Management Information System (PMIS) and the Benefits Eligibility System (BES). A separate amendment within the Department of Accounts removes the NGF appropriation provided for the Cardinal Payroll System due to the delayed implementation. A separate amendment within Central Appropriations reflects the change in agency internal service fund charges related to the delayed implementation.

- ***Replace Payroll, Personnel and Benefits Systems and Increase Working Capital Advance.*** A language amendment proposes to direct the Department of Accounts, in coordination with the Department of Human Resource Management, to replace the Commonwealth Integrated Payroll/Personnel System (CIPPS), the Personnel Management Information System (PMIS), and the Benefits Eligibility System (BES) with an integrated Human Capital Management (HCM) system, and proposes that the integrated system be based on HCM modules within the Cardinal Enterprise Resource Planning Application. A working capital advance of \$82.4 million is proposed for the initial costs of replacing CIPPS, PMIS and BES. A report would be delivered by the State Comptroller to the Governor and the Chairmen of the House Appropriations and Senate Finance Committees by September 1, 2019, on the total projected project implementation cost.

- **Department of Accounts Transfer Payments**

- ***Provide Deposit to Revenue Stabilization Fund ("Rainy-Day Fund").*** Appropriates \$262.9 million GF the second year to reflect the mandatory deposit to the Revenue Stabilization Fund, based on the certification by the Auditor of Public Accounts of actual tax revenues for FY 2018.
- ***Provide Balances to Revenue Reserve Fund.*** Appropriates \$235.2 million GF the first year to reflect the balances committed by the Comptroller for FY 2018 for the Revenue Reserve Fund, pursuant to Item 266, Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002).
- ***Provide Supplemental Funding for the Revenue Reserve Fund.*** Proposes \$504.1 million GF the first year and \$50.0 million GF the second year in additional, supplemental deposits to the Revenue Reserve Fund (the Fund). Language also stipulates that \$199.7 million GF the first year be reserved for the expected mandatory deposit to the Revenue Stabilization Fund in FY 2021, based on anticipated FY 2019 actual revenues. In addition, language authorizes the Governor to use funds as needed within the Fund for costs associated with federal disallowances; unbudgeted obligations arising from settlements and litigation; emergencies and natural disasters; economic development incentives approved by the General Assembly; and any required deposits to the Revenue Stabilization

Fund that are not otherwise appropriated. Assumed in this amount is \$70.0 million that will be paid as an economic development incentive to Micron pursuant to an agreement made this fall.

- **Department of Taxation**

- *Increase Tobacco Auditor Staffing.* Recommends \$173,492 GF and 2.00 FTEs the second year to increase auditor staffing at the Tobacco Unit in the Northern and Southwestern regions, which do not currently have designated full-time tobacco auditors. The proposed auditors are expected to generate additional general fund resources of \$617,000 in FY 2020.
- *Add Software Patch Analyst Position.* Proposes \$138,396 GF and 1.00 FTE the second year for a patch analyst to remain in compliance with Commonwealth and Federal security requirements. The position would administer the patch management process for agency-specific software to ensure that security updates are applied within 90 days of their release, consistent with existing federal and state security standards.

- **Treasury Board**

- *Recognize Debt Service Savings.* Recommends net debt service savings of \$55.1 million GF over the biennium due to slower than anticipated issuance of General Obligation, Virginia Public Building Authority, and Virginia College Building Authority bonds, compared to previous estimates.

## Health and Human Resources

<b>Governor's Proposed Amendments</b>				
(\$ in millions)				
	<b>FY 2019 Proposed</b>		<b>FY 2020 Proposed</b>	
	<u>GF</u>	<u>NGF</u>	<u>GF</u>	<u>NGF</u>

# Change	2.00	(59.00)	261.5	(44.50)

- **Children's Services Act (Formerly Comprehensive Services for At-Risk Youth and Families)**
  - *Caseload and Utilization Declines.* Reduces \$5.9 million GF each year to reflect a decline in anticipated growth in the CSA program. Chapter 2 of the 2018 Acts of Assembly, Special Session 1 (HB 5002), provided \$16.9 million GF in FY 2019 and \$27.0 million GF in FY 2020 to fund anticipated growth in the program. The lower growth is due to lower caseload and utilization in most CSA funded services, except for special educational services for children placed in private day educational programs through federally mandated Individualized Education Program (IEP) plans. The reduction in funding reflects a growth rate of 5.5 percent in FY 2019 and 3.6 percent in FY 2020, compared to growth rates of 6.9 percent in FY 2019 and 5 percent in FY 2020 contained in Chapter 2.
- **Department of Health**
  - *Maintain Funding for Trauma Centers.* Proposes to make available \$6.2 million NGF cash the second year for Trauma Centers by reducing the Part 3 transfer of

monies from the Emergency Medical Services Trauma Center Fund to the general fund. This additional funding assists hospital trauma centers to offset higher costs necessary for maintaining around the clock availability of trauma care. Revenue for the fund comes from a \$100 fee for driver's license reinstatements related to convictions for driving under the influence.

- ***Add Funds for Proton Beam Research and Therapy.*** Proposes \$5.0 million GF the first year from the general fund for the Hampton University Proton Therapy Foundation for cancer research and therapy, bringing the total funding in FY 2019 to \$7.0 million GF.
- ***TANF for Virginia Food Banks.*** Proposes \$3.0 million in FY 2020 from the federal Temporary Assistance to Needy Families (TANF) block grant for the Virginia Federation of Food Banks.
- ***Fund Costs of Additional Vaccines for Children and Adolescents.*** Proposes \$1.5 million GF the second year for the costs associated with purchasing meningococcal conjugate (MCV4), Hepatitis A and the Human Papillomavirus (HPV) vaccines for children and adolescents to be administered at local health departments.
- ***Fund Riverside Shore Memorial Hospital Costs to Add Obstetrical Services to Facility.*** Proposes \$1.2 million GF the second year to contract with Riverside Shore Memorial Hospital for obstetrical (OB) services. Language requires the contract to require the hospital to provide OB services to the residents of the Eastern Shore of Virginia.
- ***Support Construction of Pediatric Department at Eastville Community Health Center.*** Proposes \$795,000 GF the second year to contract with the Eastville Community Health Center located on the Eastern Shore of Virginia to support the construction of the pediatric department at the center.
- ***Add Funds for Increased Rents at Local Health Departments.*** Proposes \$257,708 GF and \$197,530 NGF the second year to address higher lease costs for 10 local health departments that are moving into new facilities or experiencing higher costs in current leased space. While lease arrangements are negotiated by the Department of General Services, the cost of new leases is the responsibility of local health departments, which are funded jointly by the state and local governments.
- ***Technical: Increase NGF for Central Pharmacy Purchases.*** The introduced budget provides \$422,037 NGF the second year for drug purchases for local health districts. The local health departments recoup this funding through fees charged to patients. In the past, this revenue was administratively transferred from the

local health departments to the Central Pharmacy to purchase additional drugs. This action will provide more transparency in the budgeting process.

- *Add Positions Responsible for COPN State Medical Facilities Plan.* The introduced budget adds two positions and \$168,982 GF the first year and \$167,682 NGF the second year to support activities related to the review, update and accuracy of the State Medical Facilities Plan. The source of the nongeneral fund amount in the second year is would be fee increases for COPN applicants, proposed in legislation for the 2019 Session.
- *Add Funds for the Virginia Perinatal Quality Collaborative.* The introduced budget provides an additional \$50,000 to support the Virginia Perinatal Quality Collaborative, which supports efforts to improve pregnancy outcomes for women and newborns.
- *Establish State Overdose Fatality Review Team.* The introduced budget adds \$256,248 and three positions the second year to establish a State Overdose Fatality Review Team. The team would develop and implement processes to ensure that overdose deaths occurring in the Commonwealth are reviewed in a systematic way. The additional staff would be responsible for reviewing overdose death cases, preparing materials for the team, facilitating meetings, and providing assistance to the local and regional teams. During the 2018 Session, legislation creating such a statewide team (HB 1172) was considered and did not pass.
- *Fund Charges at the Office of the Attorney General (OAG) to Defend Lawsuit.* Proposes \$200,000 GF the first year to cover the anticipated cost of legal fees from the OAG pertaining to the defense of a lawsuit against the agency. The lawsuit challenges several statutory and regulatory oversight provisions dealing with abortion services and the facilities that provide these services.
- *Add Funds for Increased Rent at the Office of Environmental Health's Field Office.* Proposes \$107,525 GF each year to cover the cost of increased rent due to renovation of the White Sone field office's laboratory.

- **Department of Health Professions**

- *Increase NGF Appropriation to Cover Additional Costs for Previously Authorized Positions.* The introduced budget provides \$531,715 NGF the second year to support the costs of five positions authorized in the 2018 Session to address increases in workload. No appropriation for these positions was provided in the current budget. The source of the nongeneral funds is generated from fees charged to regulated health professionals.

- *Increase NGF Appropriation for Additional Leased Space.* Proposes \$144,000 NGF in FY 2020 to acquire additional space in the agency for the accounting unit and the Criminal Background Check unit. New positions were added to the agency during the 2018 Special Session 1 to handle growth in the agency including increases in required criminal background checks on Registered Nurses, Licensed Practical Nurses and Massage Therapist applicants.

- **Department of Medical Assistance Services**

*Forecast Changes*

- *Medicaid Utilization and Inflation.* Proposes an additional \$202.2 million GF and \$260.3 million NGF in FY 2019 and \$260.3 million GF and \$1.8 billion NGF in FY 2020 to fund expected increases in enrollment and medical costs for the current Medicaid program (exclusive of Medicaid expansion). Medicaid spending is expected to increase by 6.2 percent and 2.6 percent, respectively, in FY 2019 and FY 2020, compared to growth rates of 2.5 percent in FY 2019 and 3.4 percent in FY 2020 assumed in last year’s forecast. Spending growth in the program is largely due to managed care rate increases, increased hospital claims, enrollment growth of children, and one-time payments for federal payment deferrals and disallowances, the largest of which is for Piedmont Geriatric and Catawba hospitals.

Managed care rates for the CCC Plus and Medallion 4.0 programs are projected to increase in the Commonwealth Coordinated Care Plus (CCC Plus) managed care program and the new Medallion 4.0 program at rates higher than projected in last year’s forecast. The CCC Plus rates will increase by 5.4 percent in calendar (CY) 2019 and 4.8 percent in CY 2020 compared to the 2017 forecast of 2.4 percent and 3.5 percent respectively. The Medallion 4.0 rates will increase by 4.1 percent in FY 2020, compared to last year’s forecast of 3.8 percent.

Managed care rate increases are largely driven by unrealized savings assumed in last year’s forecast from the migration of individuals in Medicaid’s fee-for-service program into the new Medicaid managed care programs (roughly \$82.0 million in savings was assumed in the 2017 forecast). In addition, rates for the CCC Plus program are increasing due to projected (i) enrollment growth and complexity of care for the CCC Plus recipients and (ii) higher than expected inflationary adjustments for hospitals and nursing homes than assumed in the prior forecast. In addition, rates for both managed care programs reflect additional costs for rebasing hospital rates in FY 2020 as required by regulation, which were not included in the 2017 forecast.

- *Adjust Appropriation for the Virginia Health Care Fund.* Proposes to reduce the general fund appropriation by \$38.9 million and add a like amount of nongeneral

funds in FY 2019, while adding \$1.7 million GF and decreasing a like amount of nongeneral funds in FY 2020 to reflect changes in revenues to the Virginia Health Care Fund. Revenues from the Fund are used as a portion of the state's match for the Medicaid program; therefore, higher revenues result in a reduction of the general fund appropriation needed to maintain currently-funded Medicaid services. Conversely, lower revenues require additional general fund support. Revenues in the fund are comprised of tobacco taxes, Medicaid recoveries and revenue maximization initiatives, and a portion of the Master Tobacco Settlement Agreement (41.5 percent of tobacco settlement revenues). Changes to the fund include:

- A cash balance in the fund of \$30.2 million at the end of FY 2018,
  - A one-time transfer of \$16.5 million from Medicaid revenue maximization strategies which had not been properly accounted for in the prior year,
  - An increase of \$10.7 million in FY 2019 and \$10.1 million in FY 2020 in revenue from the tobacco Master Settlement Agreement due to the receipt of funds from nonparticipating manufacturers,
  - An increase of \$10.1 million in FY 2019 and \$17.9 million in FY 2020 in expected pharmacy rebates,
  - A decrease of \$9.3 million each year from projected reductions in tax collections from cigarettes,
  - A decrease of \$9.3 million each year in Medicaid recoveries.
- ***Family Access to Medical Insurance Security (FAMIS) Utilization and Inflation.*** Proposes to add \$1.3 million GF and \$12.5 million NGF in FY 2019 and \$1.3 million GF and \$7.4 million NGF in FY 2020 to reflect the forecast of expenditures in the FAMIS program. The increase in the program costs is due to managed care rate increases. The nongeneral fund amounts reflect the changes to the federal match rate based on the federal reauthorization of the Children's Health Insurance Program. The Affordable Care Act temporarily increased the federal match rate for the program from 65 percent to 88 percent from October 1, 2015 to October 1, 2019. Federal changes to Children's Health Insurance program provide a one-year transition rate of 76.5 percent from October 1, 2019 through September 30, 2020 after which rate declines to 65 percent. Therefore, in FY 2020, the federal match rate decreases to 76.5 percent for three-quarters of the state fiscal year. The FAMIS program serves pregnant women and children under the age of 19 in families with income between 133 and 200 percent of poverty.

- ***Medicaid Children's Health Insurance Program (CHIP) Utilization and Inflation.*** The proposed budget adds \$3.0 million GF and \$27.8 million NGF in FY 2019 and \$7.2 million GF and \$34.6 million NGF in FY 2020 to reflect the forecast of expenditures in the Medicaid CHIP program. The growth is due managed care rate increases and a slight increase in number of children enrolled in the program. The nongeneral fund changes reflect the transition to a lower federal match rate, similar to the FAMIS program. The Medicaid CHIP program provides services for Medicaid-eligible low-income children, ages 6–18, living in families with incomes between 100 and 133 percent of the federal poverty level.

### ***Policy Changes***

- ***Fund Administrative Costs of Implementing Medicaid Expansion Waiver.*** Proposes \$1.7 million GF and \$1.7 million NGF the first year and \$10.2 million GF and \$14.2 million NGF the second year to cover the estimated cost of administering the Section 1115 Medicaid Waiver, which was a condition of authorizing expansion of Medicaid eligibility by the 2018 General Assembly. Companion language in Part 3 authorizes the use of a provider coverage assessment to fund the expanded Medicaid coverage for newly eligible individuals with incomes up to 138 percent of the federal poverty level pursuant to the Affordable Care Act. Language also provides for the provider assessment to pay for administrative costs associated with that coverage. This action would allow general fund dollars to be used for a portion of the administrative costs of Medicaid expansion.
- ***Increase Coverage of Preventive Services and Vaccines for Currently Eligible Medicaid Adults.*** The introduced budget adds \$3.5 million GF and \$3.6 million in of matching federal Medicaid funds in FY 2020 to ensure comparable preventive services and vaccine coverage for adults eligible for the current Medicaid program to those newly eligible for the program pursuant to Affordable Care Act Medicaid expansion. Language specifies that these services include coverage of: (i) prevention services with a grade of "A" or "B" recommended by the United States Preventive Services Task Force; (ii) adult vaccines recommended by the Centers for Disease Control Advisory Committee for Immunization Practices (ACIP); and (iii) preventive services for women recommended by the Institute of Medicine (IOM).
- ***Fund Training for Consumer-Directed Attendants.*** Proposes \$500,000 GF and a like amount of matching federal Medicaid funds each year to fund training for consumer-directed attendants that provide personal, respite and companion care services in the Medicaid program.

- ***Fund Payment Changes to Medicaid Payments for Nursing Home Residents Choosing Hospice Care.*** The introduced budget adds \$447,220 GF and \$447,220 NGF from federal matching Medicaid funds in FY 2020 to increase payments for hospice care provided to nursing home residents who are dually eligible for Medicare and Medicaid and who choose hospice care. The federal Centers for Medicare and Medicaid requires the Medicaid program to pay hospice providers a minimum payment of 95 percent of the cost of nursing home room and board. Hospice providers who choose to serve dually eligible nursing home residents contract with nursing homes to reimburse them for 100 percent of the room and board costs. This results additional costs for hospice providers who only receive 95 percent of this cost from the Medicaid program. The introduced budget adds language to authorize Medicaid payment of 100 percent of the nursing facility “room and board” rate to hospice providers in the Medicaid fee-for-services program. In addition, the language authorizes payments for Medicaid managed care organizations to provide nursing homes the full cost of room and board for dually eligible nursing home residents in the CCC Plus managed care plan who choose to receive hospice care in the facility.
  
- ***Provide GF for Piedmont Geriatric and Catawba Hospitals Due to Federal Reductions.*** The introduced budget proposes almost \$19.0 million GF the first year to cover anticipated federal Medicaid funding reductions (deferrals) for payments to Piedmont Geriatric and Catawba hospitals. The federal government has begun to withhold federal Medicaid payments due to a dispute over the federal certification of the facilities for purposes of meeting Medicaid conditions of participation stemming from a federal audit report in 2014. The agency cannot appeal these payment deferrals until the federal government formally issues a payment disallowance letter. Currently, the agency is appealing a federal disallowance of \$57.9 million for payments to these hospitals for the period of 2006-2010 from the federal audit. A companion amendment in the Department of Accounts provides language allowing for the use of the revenue reserve fund to address any deferrals, disallowances and repayments required by the federal government for challenged expenditures made prior to June 30, 2018.

In addition, the introduced budget proposes eliminating \$14.5 million GF and \$14.5 million NGF in federal matching Medicaid funds for Piedmont Geriatric and Catawba hospitals in FY 2020. A companion amendment in the Department of Behavioral Health and Developmental Services provides the general fund amounts needed to continue providing inpatient geropsychiatric services at these two hospitals.

### *Administrative Funding*

- ***Provide Additional Funding for Enrollment Broker Contract.*** Proposes \$708,750 GF the first year and \$896,333 GF the second year and a like amount of matching federal Medicaid dollars each year to fund the increased costs of complying with new federal regulations that require robust choice counseling be available to all Medicaid beneficiaries enrolling in a Medicaid managed care plan. The current enrollment broker will need to make more active counseling and face-to-face choice counseling available.
- ***Fund Increased Costs of the Cover Virginia Call Center.*** Adds \$440,410 GF and \$1.3 million NGF in FY 2020 to fund the increased costs of the contract for the Cover Virginia Call Center. The contract includes a call center and centralized eligibility processing unit to process additional Medicaid and CHIP applications (exclusive of the expansion population), and requires the Center to provide additional administrative services.
- ***Backfill Declining Federal Match for Children's Health Insurance Program (CHIP) Administration.*** Proposes an additional \$1.7 million GF to backfill the loss of \$1.7 million in federal matching CHIP funds in FY 2020 due to matching rate changes. Federal changes to CHIP provide a one-year transition rate of 76.5 percent from October 1, 2019 through September 30, 2020 after which rate declines to 65 percent. Therefore, in FY 2020, the federal match rate decreases to 76.5 percent for three-quarters of the state fiscal year.
- ***Add Administrative Support for Federal Compliance Activities.*** Proposes \$225,000 GF the first year and \$175,000 GF the second year for additional administrative support for federal reporting, cost allocation, and management of Advanced Planning Documents (APDs). Funds in the first year will support a contractor to improve compliance with federal requirements. In FY 2020, funds will support the addition of four positions in the cost allocation, federal reporting, APD and internal audit units to handle these activities.

### *Spending Reductions*

- ***Adjust Administrative Appropriation for Medicaid Expansion to Reflect Updated Costs and Provider Assessment Fund Source.*** The introduced budget reduces \$14.8 million GF the first year and \$17.4 million GF the second year and \$6.8 million NGF the second year in matching federal Medicaid funds to reflect the most recent estimates of these costs related to Medicaid expansion and to correctly reflect the fund source for these costs. Language contained in Part 3 of the budget allows administrative costs for expansion to be funded through the provider coverage assessment. In addition, \$497,485 NGF is added the first year to more accurately reflect current estimates of federal Medicaid matching funds. Finally,

14 positions are added to address the increased administrative workload related to Medicaid expansion.

- ***Reduce Funding for Facilitation of Personal Care Attendant Payments to Reflect Transfer to Managed Care Plans.*** Proposes to save \$3.7 million GF the first year and \$7.1 million the second year by reducing contract costs to facilitate personal care attendant payments since most of these payments will now be handled by Medicaid managed care plans in the CCC Plus program. The cost to provide these services is included in the capitated payments made to the managed care organizations.
- ***Reduce Medicaid Forecast to Account for CCC Plus Savings from Case Mix Adjustments.*** The introduced budget reduces the Medicaid forecast by \$3.9 million GF the second year and a like amount of federal Medicaid funds to reflect savings in the CCC Plus managed care program from the expected case mix of nursing home and community-based long-term care recipients served in managed care.

### ***Language***

- ***Modify Language on Hospital Provider Assessments for State Share of ACA Medicaid Coverage Expansion.*** The introduced budget modifies language related to the hospital provider coverage assessment, which is intended to pay the non-federal share of the full cost of expanding Medicaid coverage pursuant to the Affordable Care Act. Language updates the estimated cost of Medicaid expansion to \$86.1 million in FY 2019 and \$293.2 million FY 2020. The remaining changes are largely technical in nature to: (i) authorize the agency to update the assessment amount on a quarterly basis to ensure amounts are sufficient to cover the full cost of expanded Medicaid coverage based on the latest estimate and notify hospitals no less than 30 days prior to a change in their coverage assessment, (ii) clarify provisions related to updating the full cost of expanded Medicaid coverage to include updates within 30 days of the enactment of the budget and on March 1 of any year in which the agency estimates that the most recent calculation of the non-federal share of expanded Medicaid coverage will be insufficient to pay all expenses of the full cost of coverage; (iii) clarify that estimates of the non-federal share of the cost of Medicaid expansion are not meant to limit collections or override provisions related to the periodic updates of the full cost of coverage, and (iv) specify the dates of the quarterly payments to be July 1, October 1, January 1 and April 1 of each state fiscal year. Language requires that penalties for failure to make coverage assessment payments within 30 days of the due date shall be deposited into the Virginia Health Care Fund.

- ***Modify Language on Hospital Provider Assessments for Enhancement of Medicaid Rates for Private Acute Care Hospitals.*** The introduced budget modifies language related to the hospital provider payment rate assessment intended to increase Medicaid rates service rates to the federal upper payment limit and close the managed care organization hospital payment gap for both inpatient and outpatient services. The payment rate assessment applies to the same group of hospitals as the coverage assessment and technical changes related to updating the rates quarterly, providing notification to hospitals, the dates of quarterly hospital payments and depositing penalty payments into the Virginia Health Care Fund mirror those changes proposed for the hospital coverage assessment to ensure the assessments are administered in a similar manner. Language modifies the payment rate assessment percentage from 1.00 to 1.08 times the non-federal share of funding the private acute care hospitals enhanced payments divided by the total net patient service revenue for each hospital subject to the assessment. This change also reflects the calculation for the hospital coverage assessment.
- ***Modify Language on Forecasting and Expenditure Reporting Requirements.*** The introduced budget modifies existing language related to Medicaid forecasting and expenditure reporting requirements. Proposed language requires the agency to convene quarterly meetings to explain any material differences in expenditures compared to the official Medicaid forecast and will include the Secretaries of Finance, Health and Human Resources, and Administration, or their designees, and staff from the Department of Planning and Budget, the House Appropriations and Senate Finance Committees, the Joint Legislative Audit and Review Commission, and the Joint Commission on Health Care. Language further directs the agency to provide options to bring expenditures in line with available resources if necessary.
- ***Modify Payment Methodology for Capital Rates of New and Renovated Nursing Homes.*** Adds language to modify the payment methodology for capital rates for new and renovated nursing homes to reflect prospective fair rental value rates and fully describe the methodology applied to determining rates for these facilities.
- ***Modify Language for the Graduate Medical Residency Program.*** Modifies language specifying the hospitals that have been awarded graduate medical residency slots in FY 2018 and adds language specifying for those who will be awarded slots in FY 2020 with existing funding provided in Chapter 2. In addition, the introduced budget adds language authorizing the use of supplemental funding for a one-year fellowship in Addiction Medicine at the University of Virginia Health System and Virginia Commonwealth University Health System.

- *Modify Implementation Date for Electronic Visit Verification of Attendant Services.* Proposes to modify the deadline for the agency to begin utilizing an Electronic Visit Verification system for use by consumer-directed aides who provide personal care services to Medicaid recipients from January 1, 2019 to October 1, 2019. This change will allow the agency to meet the federally required deadline of January 1, 2020.

- **Department of Behavioral Health and Developmental Services (DBHDS)**

*Mental Health and Substance Use Disorder Treatment Services*

- *Provides Funds to Expand Crisis Services for Adults and Children.* Proposes \$9.0 million GF the second year to increase funding to community services boards (CSBs) to expand crisis services. Of this funding, \$3.0 million GF is proposed to expand crisis mobile support teams for children with co-occurring developmental disabilities and mental illness. The remaining funding can be used for adult mobile crisis or stabilization units.
- *Add Discharge Assistance Planning Funds to Transition Individuals Ready for Discharge from State Mental Health Facilities.* The introduced budget adds \$5.2 million GF the second year to fund discharge assistance planning for individuals ready for discharge from state mental health hospitals. This funding would support 100 individuals to help them transition to community settings.
- *Expand Permanent Supportive Housing for the Mentally Ill.* The introduced budget includes \$2.1 million GF the second year to expand permanent supportive housing for up to 150 individuals with serious mental illness and substance use disorders. This proposed funding would increase the total funding for this program to \$14.1 million GF annually.
- *Fund Additional Opiate Overdose Reversal Kits.* Proposes \$1.6 million GF each year for the purchase and distribution of additional REVIVE! Kits and Narcan Nasal Spray, which are used to revive individuals who have overdosed on opiates. Each kit includes equipment to conduct two opiate overdose reversals.
- *Provide Funds for the Virginia Mental Health Access Program.* The proposed budget includes \$1.2 million GF the second year to fund the Virginia Mental Health Access Program, which is a partnership between the Virginia Department of Health, the Virginia Chapter of the American Academy of Pediatrics and other providers to improve access for children with behavioral and mental health needs. The funding is intended to continue the program beyond the federal grant that has been supporting the program.

- ***Add Funding to Account for New Federal Grant Funds.*** Proposes \$18.0 million NGF the first year and \$23.0 million NGF the second year to adjust the agency's appropriation for various federal grants. Projected spending of several federal grants is expected to exceed the current appropriation. In addition, a \$15.8 million State Targeted Response to the Opioid Crisis grant award is expected each year, which requires additional appropriation for the agency to expend the funding.

### ***Facility Mental Health Services***

- ***Transition Funding for Piedmont Geriatric and Catawba Hospitals from Medicaid to General Fund.*** Proposes \$27.3 million GF and a reduction of \$27.3 million NGF in the second year to modify the funding for these two hospitals from Medicaid to the general fund. Traditionally, these two hospitals, which provide geriatric care, have been funded in large part from Medicaid. However, a U.S. Health and Human Services Inspector General report in 2014 determined that these two hospitals are not eligible for Medicaid funding. The Commonwealth continues to appeal the issue, but the Centers for Medicare and Medicaid Services issued a Medicaid disallowance in June 2018 for these two hospitals. This action supplants the federal Medicaid funds with state general fund for the continued operation of the hospitals. There is a companion amendment in the Department of Medical Assistance Services that reduces by \$14.5 million GF the state share of the Medicaid costs for these two facilities, resulting in a net fiscal impact of \$12.8 million to the Commonwealth in the second year.
- ***Add Direct Care Staff and Psychiatrists at State Mental Health Hospitals.*** The introduced budget adds \$7.9 million GF the second year to fund 254 direct care positions (direct service associates, registered nurses, licensed practical nurses and psychiatrists) at state mental health hospitals. Additional staff is intended to handle the increase in admissions and patients in need of direct supervision. A change in state law in 2014, that made the state hospitals the facility "of last resort," has resulted in much higher admissions of individuals subject to temporary detention orders at all state hospitals as private hospitals have reduced their share of these admissions.
- ***Fund Transition Services at the Commonwealth Center for Children and Adolescents.*** Proposes \$850,000 GF the second year to fund a contract for six beds at alternative settings, such as group homes, for children who do not require hospital level of care but are at high-risk and still require services. This hospital is the only state children's facility with 48 beds. Census pressures have resulted in children being held in emergency rooms until beds become available at the center.
- ***Transfer Funds from Hiram Davis Medical Center to Central State Hospital for Pharmacy Costs.*** Proposes to transfer \$2.0 million GF the second year from

Hiram Davis Medical Center (HDMC) to Central State Hospital (CSH) to appropriately reflect the pharmacy expenditures within the budget for CSH. The two facilities are on the same campus and HDMC has traditionally paid for the prescription drugs of patients at CSH. This action aligns the pharmacy costs to the appropriate facility. There is a companion transfer amendment in the budget for intellectual disability facilities for HDMC.

### *Intellectual and Developmental Disabilities Services*

- ***Provide Appropriation from Behavioral Health and Developmental Services (BHDS) Trust Fund.*** Appropriates \$2.5 million the second year from the BHDS Trust Fund to fund five initiatives to continue to promote integration of individuals with developmental disabilities in the community. Funding of \$1.25 million will be used for a new six-bed REACH crisis home for adults near I-81 and I-64 to replace one currently in Charlottesville, which will be converted into a six-bed children’s Crisis Therapeutic Home (CTH). In addition, \$500,000 is proposed to fund the start-up costs of this new children’s CTH in Charlottesville. The other three initiatives include:
  - \$250,000 to enable service providers to intervene in crisis events;
  - \$250,000 for a collaborative project to improve employment of transition age youth and those with most significant disabilities; and
  - \$250,000 for a self-employment initiative to allow 25 individuals to start micro-enterprises to support themselves.
- ***Transfer Funds from Hiram Davis Medical Center to Central State Hospital for Pharmacy Costs.*** Proposes to transfer \$2.0 million GF the second year from Hiram Davis Medical Center (HDMC) to Central State Hospital (CSH) to appropriately reflect the pharmacy expenditures within the budget for CSH. The two facilities are on the same campus and HDMC has traditionally paid for the prescription drugs of patients at CSH. This action aligns the pharmacy costs to the appropriate facility. There is a companion transfer amendment in the budget for mental health facilities for CSH.
- ***Fund a Pass-through Grant to the Jewish Foundation for Group Homes.*** Proposes \$89,500 GF the second year for the agency to contract with the Jewish Foundation for Group Homes to expand services for young adults with disabilities in Northern Virginia.

### *Other Spending Initiatives*

- ***Fund Increasing Caseload for Part C Early Intervention Services.*** The proposed budget provides \$459,258 million GF the first year and \$661,288 GF the second year to cover the costs of the increasing caseload for the program. The program has been growing on average by 5.9 percent a year over the past three years. The program provides early intervention services to children from birth to 2 years old with a developmental delay or at-risk of a developmental delay. This program is part of the federal Individuals with Disabilities Education Act.
- ***Provide Funding for New Service Needs Assessments for Individuals Needing Developmental Disability Waiver Services.*** Proposes \$81,279 GF and \$243,836 NGF the second year to fund the new assessments for the 1,067 new Medicaid waiver slots in FY 2020. The Supports Intensity Scale (SIS) is the assessment tool used to determine the service needs of individuals in the Medicaid developmental disability waivers. This funding covers the costs of the new assessments that will be administered for the new waiver slots being created. In the FY 2019, the agency is using carryforward balances from FY 2018 to fund the assessments for new slots in FY 2019.
- ***Provide Funds to Compensate Victims of Eugenical Sterilization.*** Provides \$75,000 GF the second year to compensate victims that are still living and qualify for payment. The 2016 Appropriation Act had appropriated funding to compensate victims that had been sterilized pursuant to the Virginia Eugenical Sterilization Act and were living as of February 1, 2015. Valid claims are paid \$25,000 and it is unpredictable as to when claims will be submitted. This funding allows up to three claims to be paid in a year so that victims will not have to wait until the funding is appropriated.
- ***Fund One Juvenile Competency Restoration Counselor in the City of Richmond.*** Proposes \$74,250 GF and one position the second year to reduce the waiting list in the Richmond area for court-ordered competency restoration services. There is currently about a four-week waiting list in the Richmond area for these services.
- ***Adjust Federal Appropriation to Fund the Waiver Management System.*** The proposed budget increases by \$907,776 NGF each year to fund the operation of the Waiver Management System (WaMS). The WaMS system preforms prior authorization, and enrollment and wait-list management of the Medicaid developmental disability waivers in one system. The system is supported by federal Medicaid funds reimbursed at a 75 percent match rate. This action adjusts the appropriation to match the federal funding needed to operate the system.
- ***Realign Administrative Funding Within the Central Office.*** Proposes to transfer \$352,434 internally between programs that support the central office to the

licensing division. Previously administrative funding provided for new licensing positions due to the U.S. Department of Justice Settlement Agreement were budgeted in the main administrative program of the agency. This action, which nets to zero, moves the funding to the appropriate program in the licensing division.

### *Language*

- ***Monitor Impact of Medicaid Expansion on Community Services Boards Revenue.*** Proposes language to require the department along with the Department of Medical Assistance Services monitor the fiscal impact on a monthly basis to Community Services Boards (CSBs) from the expansion of Medicaid pursuant to the Affordable Care Act. Chapter 2 includes a reduction in state support for CSBs of \$11.1 million GF the first year and \$25.0 million GF the second year to reflect the impact of current uninsured clients qualifying for Medicaid pursuant to federal Affordable Care Act eligibility expansion. This language would also allow the department to provide up to \$7.0 million from agency special funds to CSBs to offset a shortfall in Medicaid revenue, if such revenue collected for the year is less than 90 percent of the GF reduction for the CSB.
- ***Eliminate Cap on the Carryforward Amount of Unexpended Special Fund Balances in the First Year.*** Proposes to eliminate the cap on the amount that can be carried forward (\$25.0 million) from FY 2019 to FY 2020 of unexpended special fund balances. This is intended to provide greater flexibility in the biennium to address the demands on the agency’s special fund to plan for the new Central State Hospital, implement a new electronic health records system, and other initiatives where costs may fluctuate during the two-year period.
- **Department for Aging and Rehabilitative Services**
  - ***Reduce Appropriation and Positions to Reflect a Reduction in Vocational Rehabilitation Funding.*** Proposes to reduce \$8.7 million NGF the first year and \$11.3 million NGF the second year along with 44 positions each year to reflect lower federal vocational rehabilitation grant funds. The state’s federal vocational rehabilitation grant, which is lower than previously received due to a reliance on uncertain re-allotment funds unused by other states, has required the agency to reduce spending to align with the lower funding level. The agency has already implemented these reductions through administrative action. Proposed budget language requires annual reports on vocational rehabilitation grant spending and imposes a limit on re-allotment funds to only those costs that do not create an ongoing funding obligation.
  - ***Add a Position for Adult Protective Services.*** The introduced budget adds \$100,000 GF and one position to support the training, policy and regulatory

activities of the division. The agency has no current position dedicated to these functions. The new position is intended to increase the division's oversight and training capabilities for the adult protective services function administered through local departments of social services.

- **Wilson Workforce and Rehabilitation Center**

- *Reduce Appropriation and Positions to Reflect a Reduction in Vocational Rehabilitation Funding.* Proposes to reduce \$1.9 million NGF the first year and \$3.4 million NGF the second year along with 29 positions each year to reflect lower federal vocational rehabilitation grant funds. The state's federal vocational rehabilitation grant, which is lower than previously received due to a reliance on uncertain re-allotment funds unused by other states, has required the agency to reduce spending to align with the lower funding level. The agency has already implemented these reductions through administrative action.

- **Department of Social Services**

*Spending Increases*

- *Provide Funding to Implement the Provisions of the Medicaid Expansion Section 1115 Waiver.* Proposes \$1.1 million GF and \$9.5 million in federal Medicaid matching funds the second year to cover the estimated cost of administering the Section 1115 Medicaid Waiver, which was a condition of authorizing expansion of Medicaid eligibility by the 2018 General Assembly. Companion language in Part 3 authorizes the use of a provider coverage assessment to fund the expanded Medicaid coverage for newly eligible individuals with incomes up to 138 percent of the federal poverty level pursuant to the Affordable Care Act. Language also provides for the provider assessment to pay for administrative costs associated with that coverage. This action would allow general fund dollars to be used for the administrative costs of Medicaid expansion under the waiver, which requires community engagement, health and wellness personal responsibility provisions, and employment and housing supports that support the overall expansion of Virginia's Medicaid program pursuant to the Affordable Care Act. The proposed funds will support the department's modifications of its system, primarily the Virginia Case Management System, to allow implementation of the requirements of the Medicaid waiver.
- *Provide Funds to Purchase Supplies to Stockpile for Future Disasters.* Proposes \$4.3 million GF the second year for the agency to purchase non-perishable goods and supplies and to store them to be available in disasters for the operation of state-run emergency shelters.

- ***Provide Funds for a Cost of Living Adjustment for Foster Care and Adoption Subsidy Payments.*** Proposes \$335,592 GF and \$258,064 NGF the first year and \$1.3 million GF and \$1.0 million NGF the second year to adjust foster family home rates and adoption assistance maintenance by 3 percent. The 2018 Appropriation Act requires that these rates be increased in the year following a salary increase provided for state employees. In FY 2018, state employees received a 3 percent salary adjustment. Federal Title IV-E grant funds provide the nongeneral portion of the amount.
- ***Fund Software Services for Mobile Devices to Determine Eligibility for Services.*** The introduced budget includes \$1.2 million GF and \$90,000 NGF each year to purchase software licenses for mobile devices through the Virginia Information Technology Agency. The funding will allow for the use of 2,500 devices at local departments of social services to replace desktop computer kiosks with tablets. Individuals seeking public assistance use these tablets to input information used to determine program eligibility. The licenses are for software to allow the tablets to communicate client information securely.
- ***Fund Six Positions to Implement the Federal Family First Prevention Services Act.*** Proposes \$332,538 GF the second year to fund six positions to implement a new federal law. Congress passed the Family First Prevention Services Act in February of 2018. This new law represents a significant change in federal policy over the child welfare system and for the first time allows states to use federal Title IV-E funds for prevention of foster care services. In addition, it requires greater justification for placing children in child care institutions, improvements in foster family home licensing standards, as well as other changes. The state must submit a plan prior to using any federal funds for foster care prevention services. These new positions will support the planning, implementation and monitoring requirements of the federal law.
- ***Fund Foster Care and Adoption Forecast.*** The introduced budget proposes a net increase of \$353,666 GF and a reduction of \$313,619 NGF the first year and a reduction of \$273,373 GF and \$273,373 NGF the second year for forecast changes to the foster care and adoption programs. Title IV-E foster care expenditures are expected to decrease by \$1.9 million GF and \$1.9 million NGF the first year and \$1.9 million GF and \$1.9 million NGF the second year. Title IV-E Adoption subsidies are projected to increase by \$1.6 million GF the first year and \$1.6 million NGF and \$1.6 million GF and \$1.6 million NGF the second year. State adoption subsidies are projected to increase by \$667,285 GF the first year. The source of the nongeneral fund is federal matching Title IV-E funds.
- ***Provide Funding for One Position to Oversee Foster Parent Recruitment Efforts.*** Proposes \$50,000 GF and \$50,000 NGF and one position the second year to create a

dedicated position to oversee and facilitate the state's foster care recruitment efforts statewide across all local departments of social services.

- ***Increase Federal Appropriation to Reflect Central Actions Related to Fringe Benefit and Overhead Cost Changes.*** Provides \$3.0 million NGF the first year to cover the costs of changes in fringe benefit rates, health insurance premium changes and other overhead agency costs. The state share of these costs is budgeted in a central account and then distributed administratively to agencies during the year. This proposed increase provides the appropriation to cover the federal share of these costs.
- ***Fund 10 Positions for the Child Protective Services Hotline.*** The introduced budget includes \$1.0 million NGF and 10 positions the second year to create additional staff to support the 24-hour hotline, which serves all citizens and the local departments of social services. The funding is intended to address peak call times and reduce call-waiting times, which in recent months have averaged around seven minutes. The nongeneral fund source is from the federal Child Abuse Prevention and Treatment Act. The agency received an additional \$1.5 million award in federal fiscal year 2018 from this grant, which can be used to fund these new positions.

### ***Technical Changes***

- ***Transfer Administrative Appropriation for Healthy Families to the Virginia Department of Health.*** Proposes to transfer \$417,822 NGF the second year from federal Temporary Assistance to Needy Families (TANF) block grant funds to the Virginia Department of Health. The Healthy Families home visiting program is supported by \$9.0 million per year in TANF funding. A portion of those funds are transferred to the Virginia Department of Health for administration of Healthy Families and this proposal moves the funding to eliminate the annual need for an administrative transfer. There is a companion amendment in the Virginia Department of Health to reflect this proposed action.
- ***Transfer Funds to Correct Fund Source in Background Investigation Services Program.*** Proposes to reclassify \$677,494 NGF each year from federal funds to Central Registry Search Fees, which are accounted for in a special fund. The agency received appropriation related to legislation increasing oversight of family day homes. The appropriation was provided as federal, but the actual fund source is a special fund. This appropriation change in this proposed action nets to zero.

## *Spending Decreases*

- ***Modify Administrative Appropriation to Reflect Medicaid Expansion Implementation.*** Proposes a reduction of \$2.3 million GF and an increase of \$2.2 million NGF the first year and a reduction of \$3.6 million GF and \$4.7 million NGF the second year to properly account for the agency’s administrative costs for implementation of Medicaid Expansion. These funding changes are based on the latest projections of administrative costs for the expansion of Medicaid pursuant to the Affordable Care Act. This proposal supplants the general fund appropriation included the 2018 Appropriation Act with the Health Care Coverage Assessment Fund, which is a nongeneral fund supported by an assessment on hospitals to pay for the state share of the costs of Medicaid Expansion.
- ***Modify Child Support Fees Per Federal Law.*** Proposes to supplant spending in the Division of Child Support Enforcement by \$75,118 GF and \$70,699 in matching federal child support enforcement with revenue from an increase in the annual fee charged for certain child support cases. The Bipartisan Budget Act of 2018 (P.L. 115-123) increased the annual fee, from \$25 to \$35, for individuals who have never received Temporary Assistance for Needy Families assistance for child support recipients if the state collects more than \$550 in child support. The 2018 Appropriation Act reflected a portion of this decrease. This proposal reflects the latest estimate of the impact on child support enforcement revenue resulting from the fee increase.
- ***Eliminate Earmarked Federal Funding for Volunteer Emergency Families for Children.*** Proposes to eliminate \$100,000 in federal Social Services Block Grant funding each year for the Volunteer Emergency Families with Children organization, which has ceased operations.

## *Temporary Assistance to Needy Families (TANF) Block Grant Funding*

- ***Adjust Funding for Mandatory TANF Benefits.*** Proposes to increase spending on cash assistance provided to TANF recipients by \$1.9 million NGF the second year to reflect the spending forecast for TANF income benefits and TANF VIEW child care subsidies. TANF spending for mandated benefits has declined in recent years and this proposed adjustment slows that decline in FY 2020 over the amounts appropriated in Chapter 2. The introduced budget also includes one additional TANF spending allocation :
  - \$3.0 million NGF the second year to support the Federation of Virginia Food Banks (reflected in an amendment in the Virginia Department of Health).

These proposed actions will leave a TANF balance of \$117.4 million by the end of FY 2020.

- *Extend TANF Benefits for Young Adults to Age 21 While Completing Secondary School or Career Education.* Proposes \$47,400 related to legislation that will be introduced to increase spending from TANF grant funds to fund the costs of extending TANF eligibility to age 21 for young adults who are in secondary school, or equivalent career or technical education. Currently, individuals are eligible through age 18, but can be extended to age 19 if the individual is in their senior year in secondary school.

- **Virginia Board for People with Disabilities**

- *Provides Funds for Higher Operating Costs.* Proposes \$37,027 GF the first year and \$43,462 GF the second year to cover increased operating costs of the agency, including information technology. The board is primarily funded from federal grants (nearly 90 percent), which are not increasing in order to offset the higher operating costs.

- **Department for the Blind and Vision Impaired**
  - *Increase Support for Vocational Rehabilitation Services for Blind and Vision Impaired Individuals.* Proposes \$625,500 GF the second year to serve an additional 50 individuals who are blind and vision impaired in the vocational rehabilitation program. The funding will reduce the number of individuals currently on the wait-list for services, which totals about 150 adults.
  - *Provide Appropriation to Support the Vending Operations Management Contract.* The introduced budget adds \$290,000 NGF the second year to support the contract for management of vending machine operations. Previously, vocational rehabilitation grant funds paid for a portion of the contract costs because the vending revenue did not fully cover those costs. The agency now contracts with Business Opportunities for the Blind and the new vendor has generated higher vending machine revenue to support this contract.
  - *Continue Support for Services to Deafblind Individuals.* The proposed budget includes \$176,609 GF the second year to continue to fund two specialist positions that provide services to deafblind individuals in the Commonwealth. The funding for these services the first year is being supported through an endowment managed by the Virginia Board for the Blind and Vision Impaired.
  - *Provide Support for Reasonable Accommodations for Employees with Disabilities.* Proposes \$176,609 GF the second year for state support for reasonable accommodations for agency employees with disabilities to travel in their daily routine in order to conduct the agency's business. The agency employs about 140 individuals with disabilities, many whose job responsibilities require routine travel. These costs have been supported through an endowment managed by the Virginia Board for the Blind and Vision Impaired, but this funding will end in the first year of the budget.
  - *Transfer Funds Between Programs to Reflect Appropriate Cost Allocation.* The introduced budget transfers \$400,000 NGF each year to from the Virginia Industries for the Blind to the Department for the Blind and Vision Impaired general administration program. Virginia Industries for the Blind is a subunit of the larger agency and provides support from its operations for overall agency administration, such as insurance, information technology and other administrative costs. This action would increase the total allocation to \$1.5 million a year. This is a transfer between programs and does not change the total appropriation.

- **Virginia Rehabilitation Center for the Blind and Vision Impaired**
  - *Provide Appropriation Related to Revenue from Virginia Industries for the Blind.*

The introduced budget includes \$20,000 NGF the first year and \$70,000 NGF the second year to provide reflect the appropriation received from Virginia Industries for the Blind (VIB) to support the costs of a position at the center. This position partially supports activities related to the VIB. This appropriation allows the agency to expend the revenue the center will receive from VIB.

- **Department of Conservation and Recreation**

- *Statutory Water Quality Improvement Fund (WQIF) Deposit Based on FY 2018 Surplus and Agency Balances.* Appropriates a total of \$73.8 million to the WQIF in FY 2020 for the mandatory Part A and Part B deposits based on the FY 2018 revenue surplus and unencumbered agency balances. The Governor proposes to utilize the deposit as follows:

- \$8.3 million is deposited to the WQIF Reserve Fund;
- \$4.25 million is set aside for special projects as follows: 1) \$1.0 million to match federal Conservation Reserve Enhancement Program (CREP) funds within the Chesapeake Bay watershed; 2) \$1.0 million to match federal CREP funds outside the Chesapeake Bay watershed; 3) \$1.0 million for the Virginia Conservation Assistance Program (VCAP); 4) \$750,000 for special projects related to poultry litter transportation, or development and certification of Resource Management Plans (RMPs); and, 5) \$500,000 to the Department of Forestry for water quality grants.

- \$61.2 million is transferred to the Natural Resources Commitment Fund (NRCF). Of this total, \$37.3 million, or 61 percent, is dedicated to agricultural best management practices (Ag BMPs) within the Chesapeake Bay Watershed; \$16.0 million, or 26 percent, is dedicated to Ag BMPs outside the Chesapeake Bay Watershed, and \$8.0 million, or 13 percent, is used for technical assistance for Soil and Water Conservation Districts (SWCDs).

Embedded in these proposals is an increase in the share of funding dedicated to SWCD technical assistance from 8 percent to 13 percent, an increase in the share directed to projects inside the Chesapeake Bay Watershed from 55 percent to 61 percent, and a corresponding reduction in the share for projects outside of the Chesapeake Bay Watershed from 37 percent to 26 percent. One additional proposed policy shift is the inclusion of WQIF funds for the VCAP program. Previously funding for the program came from federal grants and from DEQ. VCAP is used to address urban best management practices.

- ***Supplemental WQIF Deposits.*** Proposes additional appropriations of \$20.0 million GF in FY 2019 and \$15.0 million GF in FY 2020 to the WQIF from “limited time” revenues assumed to be generated from the federal Tax Cut and Jobs Act. The Governor proposes to utilize the amounts as follows:
  - \$9.0 million in FY 2019 and \$500,000 in FY 2020 is set aside for special projects as follows: 1) \$500,000 to match federal CREP grants within the Chesapeake Bay watershed and \$1.0 million to match CREP grants outside the Chesapeake Bay watershed in the first year; 2) \$6.3 million for livestock stream exclusion (SL-6) projects outside the Chesapeake Bay Watershed and \$700,000 for SL-6 projects inside the Chesapeake Bay Watershed in the first year; 3) \$500,000 for special projects related to poultry litter transportation, or development and certification of RMPs in the first year; and, 4) \$500,000 to the Department of Forestry for water quality grants in the second year.
  - \$11.0 million the first year and \$14.5 million the second year is transferred to the NRCF. In the first year, \$9.6 million is directed to Ag BMPs inside the Chesapeake Bay watershed and \$1.4 million is utilized for technical assistance to SWCDs. In the second year, \$8.8 million would be used for Ag BMPs inside the Chesapeake Bay Watershed, \$3.8 million is dedicated to Ag BMPs outside the Chesapeake Bay Watershed, and \$1.9 million is directed to technical assistance for Soil and Water Conservation Districts (SWCDs).
- ***Increase Funding for Virginia Land Conservation Fund.*** Includes an appropriation of \$5.5 million in the first year and \$10.0 million the second year for the Virginia Land Conservation Fund (VLCF). Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002), provided no funding for the VLCF in FY 2019 based on the

availability of substantial settlement funds for land purchases and provided \$4.5 million – the FY 2018 base amount – for the Fund in FY 2020.

- ***Increase Funding for Dam Safety Fund.*** Proposes an increase of \$267,853 in FY 2020 for the Dam Safety, Flood Prevention and Protection Assistance Fund. The Fund supports grants to local governments and private entities and the increased funding brings the appropriation to \$732,147 in the second year. In the FY 2018 grant round, there were requests for \$1.2 million from the Fund. Project requests included financial assistance for engineering services, gate valve evacuation and repair, erosion stabilization projects the development of flood hazard mitigation strategies and plans.
- ***Increase Appropriation to Support LPTC Program.*** Proposes a reduction of \$133,400 to the transfer to the general fund from the amounts generated by Land Preservation Fund and a corresponding increase of nongeneral funds for DCR in the second year to hire 1.00 FTE position to increase its oversight of the land preservation tax credit. This position would implement provisions of legislation to be introduced to the 2019 General Assembly which would decrease from \$1.0 million to \$500,000 the tax credit requests DCR must approve.
- ***Support Daniel Boone Wilderness Interpretive Center Operations.*** Includes an appropriation of \$257,187 GF and 1.00 FTE position the second year to support the operations of the Daniel Boone Wilderness Interpretive Center. Existing language in Chapter 2 provides for a transfer of the Center to DCR. A companion Capital Outlay amendment authorizes DCR to accept the Center and surrounding acreage.
- ***Fund Limited Opening of Clinch River State Park.*** Proposes \$534,159 and 2.00 FTE positions from the general fund to support the limited opening of the park, to include hiking trails, picnic and parking areas and water access points for visitors.
- ***Fund Development and Implementation of the Virginia Great Valley Lewis and Clark Eastern Legacy Trail.*** Proposes \$125,000 and 1.00 FTE position from the general fund in the second year to assist in the development of the Virginia Great Valley Lewis and Clark Eastern Legacy Trail project. The National Park Service previously rejected an application for the Virginia portion of the trail.
- ***Acquire Land for Middle Peninsula State Park.*** Proposes a supplemental nongeneral fund appropriation from the State Park Acquisition Fund of \$145,000 in the first year for the Middle Peninsula State Park being developed in accordance with the provisions of the Surry-Skiffes Creek Transmission Line Mitigation Agreement.
- ***Provide Funding to Acquire Land for State Parks and Natural Area Preserves.*** Amendments in Capital Outlay increase the nongeneral fund appropriations for the

acquisition of State Parks and Natural Area Preserves by \$2.2 million in FY 2019 and \$8.4 million in FY 2020. This includes planned acquisitions at the Sailor’s Creek Battlefield, Shenandoah River, and Wilderness Road State Parks, as well as authorization to accept donations of property to develop a state park in Loudoun County. Also assumed are acquisitions at seven Natural Area Preserves.

- **Department of Environmental Quality**

- ***Stormwater Local Assistance Fund.*** Proposes an additional appropriation of \$50.0 million GF in FY 2020 for the Stormwater Local Assistance Fund (SLAF) from “limited time” revenues assumed to be generated from the federal Tax Cut and Jobs Act. Chapter 2 included \$20.0 million in FY 2019 for this purpose.
- ***Fund Positions for Regulatory Review in Permitting and Monitoring Programs.*** Includes \$150,000 the first year and \$1.4 million and 11.00 FTE positions the second year from the general fund to support regulatory review and permit writing in DEQ’s air and water protection programs and support the Governor’s environmental agenda. Funds would be used for activities related to the State Water Control Board, establishing a methane leakage framework, updating renewable energy regulations, water program guidance, solid waste management regulations related to open burning of trash, coal combustion byproducts, leachate management and hazardous waste regulations, and amending regulations to incorporate climate science into decision-making. The proposal also includes new funding for DEQ to contract with a consultant to help develop a comprehensive transportation electrification action plan.
- ***Provide Funding for Online Service Upgrades.*** Proposes \$859,075 and 5.00 FTE positions from the general fund in the second year to support web site redesign and the development and maintenance of an online portal. The DEQ website was last updated in 2011 and is not designed to be responsive to mobile devices. Two of the positions would be related to this upgrade. The remaining funds, and three positions, would focus on development of a DEQ portal to enable intake and reporting of permits and other DEQ data. Regulated entities with multiple permits or dealings with the agency will have a “one stop shop” to conduct business with the agency.
- ***Fund Study of Communications and Outreach Needs.*** Proposes \$100,000 from the general fund in FY 2020 for a one-time study of the agency’s community engagement capacity that includes a plan for improving and increasing outreach to underserved and lower income communities (environmental justice).
- ***Alexandria CSO.*** An amendment in Capital Outlay would authorize \$25.0 million in general fund supported bonds to address improvements related to Alexandria’s Comprehensive Sewer Overflow project.

- **Department of Game and Inland Fisheries**
  - *Increase Nongeneral Fund Appropriation for Agency Operations.* Proposes a nongeneral fund appropriation increase of \$1.35 million each year for the department to help absorb costs associated with the pay raise contained in Chapter 2 and other increases associated with agency operations.
  - *Increase Nongeneral Funds for Mitigation and Settlement Activities.* Reflects an increase of \$230,000 the first year and \$1,160,000 the second year from nongeneral fund settlement revenues to support restoration activities at Hog Island and mussel propagation efforts.
- **Marine Resources Commission**
  - *Increase Funding for Oyster Restoration and Replenishment.* Proposes an additional \$1.0 million GF in the second year to support oyster replenishment and restoration activities. This would bring total funding to \$2.5 million for replenishment and \$1.5 million for restoration in FY 2020.
- **Virginia Museum of Natural History**
  - *Replace Telephone System.* Provides \$45,671 from the general fund in the second year to replace the telephone and voice mail systems at the Museum of Natural History.

## Public Safety and Homeland Security

<b>Governor's Proposed Amendments</b>				
(\$ in millions)				
	<b>FY 2019 Proposed</b>		<b>FY 2020 Proposed</b>	
	<u>GF</u>	<u>NGF</u>	<u>GF</u>	<u>NGF</u>
<b>2018-20 Current Budget</b> (Ch. 2, 2018 Special Session I)	<b>\$2,013.6</b>	<b>\$1,125.2</b>	<b>\$2,018.2</b>	<b>\$1,159.0</b>

# Change	128.00	16.00	155.00	25.00

- **Alcoholic Beverage Control Authority**
  - *Estimated Net Profit transfers.* A proposed language amendment in Part 3 of the introduced bill increases the net profit transfers to the general fund by \$3.1 million NGF the first year and \$1.7 million NGF the second year over the amounts assumed in Chapter 2 of the 2018 Acts of Assembly, Special Session I (HB 5002).
  - *New Store Staffing.* Proposes \$965,000 NGF the first year and \$2.6 million NGF the second year and nine positions to fund a planned increase in the number of new stores opened by ABC in FY 2019. Chapter 2 assumed the Authority would open eight new stores in FY 2019, but the Authority now expects to open a total of 17 in FY 2019.
- **Department of Corrections**
  - *Inmate Medical Costs.* Recommends \$1.8 million GF the first year and \$4.2 million GF the second year for expected increases in the cost of providing medical services to inmates.

- The amounts were calculated based on the projected cost of Department of Corrections (DOC) providing medical services using its own personnel in all facilities.
  - The proposed amendment assumes 3.35 percent growth in Anthem inpatient and outpatient costs each year, lower than the 5 percent growth assumed in Chapter 2.
  - The proposed amendment assumes that medical services costs will increase by 1.7 percent instead of the 2.6 percent growth assumed in Chapter 2.
  - The proposed amendment assumes that drug cost increases will total 0.9 percent, lower than the 3.8 percent assumed in Chapter 2.
  - The proposed amendment also includes funding to backfill an estimated \$2.2 million NGF shortfall in the first year in the Drug Offender Assessment Fund, netted against a “surplus” of approximately \$400,000 in the budget for offender medical care in the first year.
- ***Medical Costs at Fluvanna Women’s Correctional Center.*** Proposes an additional \$6.5 million GF the first year \$6.4 million GF the second year and 123 positions in order to provide in-house delivery of medical care by Department staff and end the contracted vendor delivery of medical care at Fluvanna Women’s Correctional Center. In the process of assuming responsibility for operating medical services at the correctional center, the Department also proposes to substantially increase the level of staffing and care provided. The existing cost of medical services at the facility is approximately \$10.9 million GF each year, meaning the proposed funding increase would represent growth of about 60 percent in medical spending at the facility. Of the proposed increase, \$363,000 GF is the cost associated with ending the vendor contract, and \$6.0 million GF is the cost associated with increasing the level of service provided in the facility. With a reported average daily population of 1,185 at Fluvanna, this would increase annual medical costs per inmate at the facility from \$9,200 to \$14,700.
- ***Expand Community Corrections Alternative (CCAP) Program.*** Recommends \$1.2 million GF the second year to expand the Community Corrections Alternative Program (CCAP) by increasing capacity at the Harrisonburg, Appalachian, and Cold Springs Detention and Diversion Centers. CCAP was established in 2016 to provide courts with an alternative to incarceration for offenders who have violated the conditions of their release. The program provides substance abuse treatment, cognitive behavioral treatment, and vocational and educational services to nonviolent offenders with histories of opioid and substance abuse. Chapter 2 added \$439,000 GF in each year for this purpose.

- ***Recruitment and Retention of Staff at Augusta Correctional Center.*** Proposes \$1.1 million GF the second year to provide a salary adjustment of \$2,675 for all security positions at Augusta Correctional Center. This action is proposed as a method for the Department to address consistently high turnover/vacancy rates at the prison.
- ***Electronic Health Records at Women’s Correctional Facilities.*** Recommends a total of \$6.6 million (\$3.5 million GF and \$3.1 million NGF) in additional funding the second year for the DOC to begin procurement of an electronic health records (EHR) system for its women’s correctional facilities. The Department’s existing base budget currently includes \$760,000 GF and \$1.6 NGF the second year for acquisition of an EHR. With the addition of the Governor’s proposed funding, the Department’s budget for EHR would total \$8.9 million from all sources in FY 2020.
  - The Department estimates the total one-time costs of procuring an EHR system for its female facilities would be \$11.3 million in FYs 2020 and 2021, requiring an additional \$2.4 million to be provided in FY 2021 to complete procurement and implementation of the system.
  - The Department estimates that, beginning in FY 2022, ongoing costs of operating the system will be approximately \$6.2 million per year.
  - On August 15, 2018, the Department issued a request for proposals to procure and implement electronic health records for its women’s correctional centers, which was closed on October 15<sup>th</sup>. The Department is currently reviewing the proposals, and expects to announce its award sometime in mid- to late-February of 2019, contingent upon funding for the project being provided in the Appropriations Act.
- ***Military Medics and Corpsmen Program.*** Proposes \$174,000 GF the first year and \$347,000 GF the second year and five positions to begin implementation of the Military Medics and Corpsmen (MMAC) program. The funding would allow the Department to hire discharged military medical personnel to serve in DOC correctional facilities. The MMAC program was established as a pilot by the 2016 General Assembly, and made permanent by Chapter 69 of the 2018 Acts of Assembly (HB 915/SB 829).
- ***Martinsville City Jail Security Upgrades.*** Recommends \$125,000 GF the second year for the Commonwealth’s 25 percent share of the cost of Martinsville City Jail to upgrade its security control system. The project was approved by the Board of Corrections at its March 21, 2018 meeting.
- ***Proposed Legislation.*** Recommends \$300,000 GF the second year for projected increases in the need for corrections bedspace associated with legislation proposed

by the Governor, pursuant to Section 30-19.1:4 of the *Code of Virginia*. The proposed bills would:

- Prohibit possession of firearms for persons subject to final orders of protection (\$50,000);
- Increase the penalty for allowing a child to access unsecured firearms (\$50,000);
- Prohibit the sale, possession, and transport of assault firearms (\$50,000);
- Require background checks for all firearms sales (\$50,000);
- Allow the removal of firearms from persons exhibiting extreme risk to themselves or others (\$50,000); and
- Prohibit the sale, possession, and transport of bump stock devices (\$50,000).

- **Department of Criminal Justice Services**

- *Governor’s School Safety Workgroup Recommendations*. Proposes several items, totaling \$3.3 million GF the second year and 10 positions, in relation to recommendations made by Governor’s Children’s Cabinet Student Safety Workgroup. These items include:

- \$1.3 million and six positions to provide school safety training to all Virginia public school personnel. Of this amount, \$694,000 would be for the new Department of Criminal Justice Services (DCJS) positions, \$475,000 would be allocated toward the cost of hosting live trainings, and \$168,000 would be for the development and update of Virginia-specific school safety resources.
- \$721,000 GF and one position to develop a case management tool for school threat assessments and to expand technical assistance and training provided to threat assessment team members. Of this amount, \$480,000 would be used to host 30-40 trainings per year and to develop online training, \$125,000 would be dedicated to developing a case management tool, and \$115,000 would be for the new DCJS position.
- \$516,000 GF and one position to continue to administer the School Climate Survey and to enhance the agency’s research capacity. Of this amount, \$400,000 would be provided to continue to contract with faculty at the University of Virginia to administer the School Climate Survey, and \$116,000 would be used by DCJS to hire a researcher to analyze school safety data.

- \$428,000 GF and one position to provide basic training to all school resource officers. The Governor’s Student Safety Workgroup recommended requiring all School Resource Officers (SROs) to receive training approved by the Virginia Center for School and Campus Safety within 12 months of beginning employment as an SRO. Of the amount proposed, \$215,000 would be used to hold an additional nine SRO Basic Training courses each year, \$97,000 would be used to develop and update Virginia-specific training materials, and \$116,000 would be used by DCJS to create position to oversee the School Safety Officer (SSO) and SRO certification and training program.
  - \$280,000 GF and one position to continue providing active shooter training to school personnel and communities. Of the amount proposed, \$164,000 would be used to conduct up to 10 active shooter trainings annually, and \$116,000 would be used by DCJS to create a position to oversee the program.
- ***Jail Mental Health Grants.*** Proposes \$2.5 million GF the second year to extend jail mental health pilot programs for an additional 12 months. The pilot programs were first authorized in Chapter 780 of the 2016 Acts of Assembly, and were originally expected to operate for 18 months, and the programs were extended an additional 12 months by the 2018 General Assembly. The second-year funding proposed in the introduced budget would extend the pilot programs to a total of 42 months. The introduced budget also amends the pilot program language to allow the Department to expand the pilot programs beyond the six sites originally authorized by the General Assembly, and requires a report evaluating the effectiveness of the pilot programs to be provided to the money committees by June 30, 2020.
- ***Law Enforcement Records Management System.*** Recommends \$185,000 GF the second year for additional servers and storage to support the update of the Law Enforcement Records Management System. The proposed funding represents the annual cost estimate provided by the Virginia Information Technology Agency (VITA) to provide support and maintenance for the system. The new records system is currently being rolled out in phases through 40 law enforcement training academies and more than 400 local law enforcement agencies, and the Department anticipates that implementation will be completed sometime in the 2019 calendar year.

- **Department of Emergency Management**

- *Special Response Teams.* Proposes \$750,000 GF the second year for additional support to the Virginia Emergency Support Team (VEST) and Special Operations response team.
- *Search and Rescue Training.* Recommends \$556,000 GF the second year to support search and rescue training activities, and to convert two existing positions from NGF to GF.
- *Disaster Response Fund Line of Credit.* Proposes \$150,000 GF the second year for a debt service payment to the Department of Treasury for an outstanding line of credit established for the Disaster Response Fund. According to the Department of Emergency Management, NGF cash recoveries for the Disaster Response Fund are not sufficient to repay the debt.
- *Cash Reserve for Emergencies and Natural Disasters.* A language amendment under Item 266 would give the Governor authority to appropriate funds from the revenue cash reserve for emergencies and natural disasters.

- **Department of Fire Programs**

- *Additional Workload Support.* Proposes \$125,000 GF the second year to fill two vacant but unfunded positions in the State Fire Marshall Office. The positions are intended to provide support in two of the five regional offices.

- **Department of Forensic Science**

- *Opioid Crisis Emergency Response Plan.* Recommends \$3.3 million GF the second year to backfill funding administratively transferred from the second year to the first year as part of the Administration's opioid crisis emergency response plan to address an increasing controlled substances case backlog. The Administration transferred \$1.7 million GF, from funding budgeted for the second year, to the first year, allowing the Department of Forensic Science to hire six additional controlled substance scientists, purchase equipment, hire four wage positions, train new staff, and outsource a portion of controlled substances testing to private vendors. The proposed amendment would backfill the \$1.7 million GF that was moved from the second year to the first, and provide the additional \$1.7 million GF needed to continue funding the new positions, private vendor testing, and associated costs of the emergency response plan. Chapter 2 added funding and positions in each year for six additional controlled substances forensic scientists. With the addition of the administrative action, the Department added a total of 12 new controlled substances forensic scientist positions in the first year.

- *Supplies in Biology and Toxicology Sections.* Proposes \$500,000 GF the second year to account for the increased consumption and cost of laboratory supplies in the Department’s biology and toxicology sections.
- *Federal Fund Appropriations.* Recommends an increase of \$217,000 NGF and two positions the second year in response to the Department receiving federal grant funding for the toxicology and forensic biology sections.

- **Department of Military Affairs**

- *Cyber Security Assessments.* Proposes \$150,000 GF in the second year for the Department to conduct cyber-security assessments for local governments and state agencies.
- *Tuition Assistance for National Guard Members.* Proposes an increase of \$1.5 million GF the second year for additional tuition assistance grants for members of the Virginia National Guard. Chapter 2 includes \$3.0 million in the base in each year for this purpose. The proposal is to increase the funding level to \$4.5 million GF in FY 2020.

*Capital Outlay Amendment*

- *State Match for Readiness Centers.* A capital amendment proposes a total of \$12 million in agency NGF funds and bond proceeds in the second year to provide a state match for federal funding that may become available for repair, improvement, or expansion of readiness centers (\$3.0 million in bond proceeds for this purpose was provided in FY 2019 in Chapter 2, 2018 Special Session I).

- **Department of State Police**

- *Statewide Agencies Radio System (STARS) Operating and Maintenance.* The introduced bill proposes several items related to the operation and maintenance of STARS, not including \$132.2 million proposed in bond proceeds under capital outlay for replacement of the system (see capital bullets below):
  - **Garage Communications Technicians.** Proposes \$205,000 GF the second to create four additional communications garage technician positions. These positions would be hired to manage the installation of STARS equipment in STARS agency vehicles. As of September 2018, the Department indicated it had 131.00 funded FTE positions in its Information and Communications Technology Division, 13 of which were garage technicians.
  - **Training.** Recommends \$175,000 GF to fund training related to the STARS system replacement, being proposed through capital outlay.

- **Project Management.** Proposes \$500,000 to be used for project management related to the STARS system replacement, which has been included in a companion amendment in Part 2 of the introduced bill.
- ***Commonwealth Link to Interoperable Communications (COMLINC) Operating Costs.*** Includes \$640,000 GF the second year and four positions related to the non-capital costs of implementing the recommendations to improve operation of the COMLINC system. There is also a proposed capital amendment for \$5.8 million in bond proceeds for replacement of the system hardware and software (see capital bullets below). The operating proposals include:
  - \$403,000 GF in the second year for training localities on using COMLINC, as well as an online training tool for users. This is expected to be a one-time cost.
  - \$225,000 GF in the second year to hire 4.00 FTE to provide COMLINC project and implementation support, conduct annual continuing training, perform routine site maintenance, provide on-site support for emergency and special events; and provide 24/7 operational support.
  - \$10,000 GF in the second year to provide funding for a three percent increase to the existing contract with the vendor for “Tier 2” support. Tier 2 support includes onsite response, onsite support of planned events, equipment warranty, software updates, router maintenance, and onsite training. Chapter 2 provided \$340,000 GF each year in the Department’s base funding to pay for Tier 2 support. Total estimated contract costs for FY 2020 are \$350,200, and the vendor has indicated there will be an ongoing annual three percent increase in the contract.
- ***Universal Background Checks.*** Proposes \$392,356 GF the second year and seven positions for additional administrative support, which would be needed for State Police to implement the provisions of legislation expected to be introduced that would require criminal background checks for all firearms purchases.
- ***Med-Flight Partnership with Chesterfield County.*** Recommends \$50,000 GF the second year to increase the Department’s reimbursement of Med-Flight costs to Chesterfield County. The existing budget includes \$400,000 GF per year for this purpose.
- ***“Extreme Risk” Legislation.*** Proposes \$471,489 GF the second year in support of legislation expected to be introduced that would prohibit certain individuals from purchasing firearms. The funding would support technology upgrades related to this legislation at the Department.

- *Capital Outlay Amendments.* Part 2 of the introduced bill includes three proposed projects representing \$138.7 million in new capital outlay spending. The proposals include:
  - \$132.2 million in bond proceeds to replace the STARS system. The project would fund the estimated costs of updating subscriber equipment and network infrastructure, warehousing of equipment, contracting of logistical and project management support, and VITA project management.
  - \$5.8 million in bond proceeds to refresh the COMLINC hardware and software in existence at 147 sites, and to add 25 new user sites. The funding would also support a cache of spare parts to be acquired and stored.
  - \$725,000 GF to construct a new area office in Area 39 (Rockbridge County).

# Change	0.00	0.00	18.00	0.00

- **Department of Veterans Services**

- ***Virginia Veteran and Family Support Program.*** Proposes \$634,000 GF the second year for eight new resource specialist positions support the Virginia Veteran and Family Support (VVFS) program. Resource specialists work with veterans and their families to link them with services that meet identified behavioral health, rehabilitation, and other needs. The new positions would be distributed across the state, with one in Richmond, one in Fredericksburg, one in Roanoke, two in Big Stone Gap, and three in the east region. Included in the proposed amendment is \$24,000 GF for three vehicles for these positions which include DGS fleet costs, gas, and parking.
- ***New Deputy Director Position.*** Proposes \$140,000 GF the second year for a new deputy director position. The Department believes the new position is necessary to relieve the increased workload placed upon the existing deputy director due to the rapid growth of the Department's programs and staffing over the past half-decade.

- ***Veterans Workforce Transition Initiatives.*** Includes \$461,000 GF the second year related to several of the Department’s workforce initiatives, specifically:
  - Create two regional coordinator positions for the Virginia Transition Assistance Program (VTAP), with one based in Northern Virginia and one in Hampton Roads (\$218,000);
  - Hire a credentialing and training manager for the Veterans Education, Transition, and Employment (VETE) program (\$109,000);
  - Create a regional transition coordinator position to serve both VTAP and the Virginia Values Veterans (V3) programs in southwest Virginia (\$90,000);
  - Mail “welcome home” packets to be sent to transitioning service members (\$24,000), and
  - Support the Virginia Military Survivors and Dependents Education Program (VMSDEP), hire a part-time customer service administrative position (\$20,000).
  
- ***Veterans Benefits Section.*** Includes \$500,000 GF the second year to:
  - Hire four new veterans services representatives to serve as “floaters” serving offices in the four DVS regions as needed (\$394,000);
  - Hire one claims specialist in the Roanoke office (\$90,000), and
  - Provide for the additional training costs needed for veterans services representatives (\$16,000).

# Change	0.00	0.00	0.00	3.00

- **Department of Aviation**

- *Add New Aircraft Registration Program Position.* Recommends an increase to DOAV's NGF appropriation by \$59,946 the second year and authorizes one additional position to manage compliance with registration of aircraft and payment of aircraft sales and use tax for the approximately 5,000 aircraft registered in Virginia.
- *Supplant Contractual Services with In-House Employees.* Proposes language to authorize two additional information technology positions in the second year to replace IT contractual services based on recommendations of the Auditor of Public Accounts.

- **Department of Motor Vehicles**

- *Reflect Increased Virginia Share of Washington Metropolitan Area Transit Commission Costs.* Proposes to increase DMV's appropriation for participation in the multi-jurisdiction agreement with Washington D.C and Maryland for

enforcement of laws regulating vans, taxis, and limousine businesses by \$18,012 NGF each year.

- *Acquire Emporia Customer Service Center.* Recommends an appropriation of \$10,000 NGF in the first year to cover legal costs associated with the transfer from lease to ownership status of the Emporia Customer Service Center per the original terms of the lease.
- *Loudoun Customer Service Center.* Separate authorization is proposed in Capital Outlay to allow the Department of General Services to seek a new facility for the Sterling Customer Service Center.

- **Department of Transportation**

- *Provide \$75.0 Million GF for Virginia Transportation Infrastructure Bank (VTIB).* Proposes a \$75.0 million general fund appropriation to the Virginia Transportation Infrastructure Bank in the first year to re-capitalize the Fund. Accompanying language states that a portion of his funding may be used for the “proposed I-81 Toll Road Expansion”. Currently the VTIB is funded by interest earnings on the HMOF and TTF as well as specific appropriations made by the General Assembly. The current unencumbered balance in the fund is approximately \$2.5 million.
- *Increase TTF Transfer to Route 58 Corridor Development Fund.* Recommends increasing the transfer of Transportation Trust Fund Revenues to the U.S. Route 58 Corridor Development Fund from \$9.0 million to \$20.0 million in the second year. This increase is statutorily directed by the 13<sup>th</sup> Enactment of Chapter 766 of the 2013 Acts of Assembly (HB 2313).
- *Adjust Appropriations to Reflect Adopted FY 2019-24 Six-Year Financial Plan.* Recommends an increase to the VDOT NGF appropriation by \$104.25 million the first year and a reduction of \$667,845 the second year to reflect the assumptions included in the Commonwealth Transportation Board’s Six-Year Financial Plan adopted last June.
- *Adjust Appropriations to Reflect Revised Revenue Estimates and Program Adjustments.* Increases the VDOT NGF appropriation by \$210.7 million the second year to reflect the November 2018 Commonwealth Transportation Fund revenue forecast. The appropriation increase supports expenditure activity of the concession payment received for the I-66 Outside the Beltway project.
- *Authorize Property Transfer to City of Lexington.* Includes language which would authorize the department to sell property it owns to the City of Lexington at fair market value when it is no longer required for agency purposes. VDOT is relocating its area headquarters.

- *Adjust Appropriations to Reflect Prior Year Recovery Revenue.* Increases VDOT’s nongeneral fund appropriation by \$504.7 million the first year and \$411.1 million the second year to reflect a revision to federal receipts processing procedures at the request of the Department of Accounts. This technical “clean-up” does not result in any additional revenues to the department but simply reflects prior year reimbursements that were not captured in VDOT’s appropriations.
- **Motor Vehicle Dealer Board**
  - *Increase NGF Appropriation to Reflect Cost Increases.* Increases the MVDB’s nongeneral fund appropriation by \$86,325 the second year to reflect increased costs for employee health insurance, telecommunications and technology usage charges.
- **Virginia Port Authority**
  - *Increase Appropriation to Refurbish Cargo Handling Equipment.* Proposes an increase of \$5.3 million NGF the second year from Port Terminal revenues to support upgrades to cargo handling equipment to accommodate increased terminal traffic.

# Central Appropriations

# Change	0.00	0.00	0.00	0.00

- **Compensation Supplements**

- *Provide Funding for Presidential Primary Expenses.* Proposes \$5.9 million GF the second year for the reimbursement to the Department of Elections and localities for presidential primary expenses. Of the amount included, \$5.8 million is for the reimbursement of costs incurred by localities, and \$147,038 would be used to cover costs incurred by the Department of Elections.
- *Adjust Funding for Health Insurance Premium Costs.* Recommends reducing by \$51.3 million GF in the second year the state's share of employee health plan premiums, based on the most recent estimates of cost. Chapter 2 of the 2018 Acts of Assembly, Special Session I, included funding based on an expected increase of approximately 8.5 percent in FY 2020. The introduced budget assumes the premiums will remain unchanged in FY 2020.
- *Adjust Funding for Workers' Compensation Premiums.* Proposes a reduction of \$145,641 GF the second year to reflect the adjustment in workers' compensation premiums, based on the most recent actuarial report.

- ***Adjust Funding for Cardinal Payroll Implementation Delay.*** Recommends a reduction of \$2.3 million GF the first year and \$8.9 million GF the second year to reflect the removal of funding for internal service fund charges associated with the Cardinal Payroll project’s implementation delay. There is a corresponding amendment within the Department of Accounts to reflect the removal of the NGF portion of the agency’s internal service fund appropriation.
- ***Adjust Funding for Cardinal Financials System Charges.*** Recommends \$1.9 million GF the second year to adjust funding for internal service fund charges for the Cardinal Financials System due to the delay in the implementation of the Cardinal Payroll module. There are separate, corresponding amendments removing the GF and NGF internal service fund appropriations related to the Cardinal Payroll system, due to the delay in its implementation.
- ***Provide Funding for Premium Increases for State Employees in UVA’s Health Insurance Plan.*** Proposes \$808,692 from the general fund each year to fund the state’s share of employee premium increases for state employees who participate in the University of Virginia’s Health Insurance Program.
- ***Adjust Funding for Line of Duty Act Premiums.*** Recommends \$98,981 GF each year to reflect the adjustment in Line of Duty Act (LODA) premiums charged in the first year, and the estimated premium charged in the second year for LODA.
- ***Adjust Line of Duty Act Premiums to Include Eligible Part-Time State Employees.*** Proposes \$60,811 GF the second year to reflect Line of Duty Act (LODA) premiums for eligible part-time state employees who are eligible for full LODA benefits. The Virginia Retirement System has determined that certain part-time employees are eligible for LODA benefits, but previously hadn’t included eligible part-time employees in the LODA premium invoices distributed to state agencies.
- ***Adjust Funding for Agency Information Technology Costs.*** Recommends \$8.0 million GF the first year and \$20.1 million GF the second year to reflect information technology and telecommunications usage by state agencies, based on utilization estimates provided by the Virginia Information Technologies Agency (VITA), and assumes repayment of costs associated with replacing information technology services provided by the former statewide vendor.
- ***Provide One Percent Bonus to State Employees and State-Supported Local Employees.*** Proposes \$40.2 million GF the second year to provide a one percent bonus to state employees and state-supported local employees, effective December 1, 2019. Of the amount provided for the one percent bonus, \$30.4 million GF is for state employees, and \$9.8 million GF is for state-supported local employees.

- *Adjust Retiree Health Insurance Credit for Public Safety Employees.* Recommends \$8.1 million GF the second year to increase the retiree health insurance credit for public safety personnel. Specifically, the proposed action would increase the credit by \$2.00 per year (from \$4.00 to \$6.00) for each creditable year of service for members of the State Police Officers' Retirement System (SPORS), and the Virginia Law Officers' Retirement System (VaLORS), and would increase the retiree health insurance credit for sheriffs and deputies by \$3.50 (from \$1.50 to \$5.00) per year for each creditable year of service. Language also increases the maximum monthly credit for sheriffs and deputies who retire under disability retirement to the greater of \$150 or \$5 per year of creditable service at the time of disability retirement.
- *Study Paid Parental Leave in the Commonwealth.* Proposes \$250,000 GF the second year for a committee to study paid parental leave for workers in the Commonwealth. Language would direct the Secretary of Administration to establish a Committee on Paid Family Leave Policy, which would study and report on its findings and recommendations regarding the need for, and impact of statewide paid family leave policies in the Commonwealth to the Governor by October 30, 2019. Committee members would not receive compensation, but would be eligible for reimbursement of expenses incurred in the performance of their duties.
- *Provide Education Funding for Workforce Development Initiatives.* Proposes \$11.0 million GF the second year to support an increase in the number of bachelor's and master's degrees in computer science and closely related fields, and to improve the readiness of graduates from Virginia's public colleges and universities to be employed in technology-related occupations through internships. In addition, funding would be used to support the advancement of computer science education, and the implementation of the Commonwealth's new computer science standards across the public education continuum. Specifically, funding of \$8.3 million is proposed for the higher-education component, and \$2.7 million is proposed for the public education (K-12) component.
- *Develop Integrated Workforce Case Management System.* Recommends \$8.0 million GF the first year to fund the integration of case management systems across state agencies, which is proposed to enable interagency communication sharing, improve efficiency, and provide customers with a single entry point into the workforce development system.
- *Provide Higher Education's Share of Interest Earnings.* Proposes an additional \$687,601 GF and \$1.6 million NGF in each year to reflect the adjustment in higher education institutions' share of tuition and fee interest earnings and small credit card purchase rebates.

- **State Corporation Commission**

- *Provide Central Accounts Distribution.* Recommends \$3.4 million NGF the second year to support the distribution of centrally-funded actions, including salary and fringe benefits adjustments, health insurance, other post-employment benefits, and information technology costs, authorized in Chapter 2 of the 2018 Acts of Assembly, Special Session 1 (HB 5002).
- *Provide Oversight of Education Loan Servicers.* Proposes \$65,100 NGF and 1.00 FTE the second year to assist in providing oversight of qualified education loan servicers. This would support a requirement that anyone acting as a qualified education loan servicer must obtain a license and register with the Nationwide Multistate Licensing System and Registry.

- **Virginia Lottery**
  - *Provide Central Accounts Distribution.* Proposes \$1.4 million NGF the second year to support the distribution of centrally-funded actions, including salary and fringe benefits adjustments, health insurance, other post-employment benefits, and information technology costs, authorized in Chapter 2, 2018 Special Session 1, Acts of Assembly.
  - *Provide One-Time Funding for Equipment Purchase.* Recommends \$3.6 million NGF the first year for a one-time vending equipment purchase that would allow the agency to expand lottery offerings statewide in certain corporate chain accounts.
- **Virginia College Savings Plan**
  - *Enhance Cyber Security and Upgrade Software.* Proposes increasing the NGF appropriation by \$974,000 the first year and \$604,500 the second year to enhance the agency's cyber security and support software upgrades. The appropriation would allow the agency to purchase cyber security/data breach insurance and hire a systems engineer to oversee the implementation of cyber security initiatives. The amendment would also support finance software upgrades, Banner Forms conversion, and mobile application development.
  - *Add Investment Director and Financial Reporting Accountant Positions.* Recommends \$427,500 NGF the first year and \$402,500 NGF the second year to fund and fill the position of Investment Director, required pursuant to Item 485 E., Chapter 2. Funding would also support adding a Lead Financial Reporting Accountant position to oversee daily financial operations.
  - *Provide Funding for Headquarters Operating Costs and Improvements.* Proposes increasing nongeneral fund appropriation by \$130,018 the first year and \$50,235 the second year to reflect a new lease agreement and one-time construction costs in the first year to ensure federal Americans with Disabilities Act requirements.
- **Virginia Retirement System**
  - *Provide Central Accounts Distribution.* Recommends \$2.0 million NGF the second year to support the distribution of centrally-funded actions, including salary and fringe benefits adjustments, health insurance, other post-employment benefits, and information technology costs, authorized in Chapter 2.
  - *Add Ex-Officio Members to Board of Trustees.* Proposes to change the existing structure of the Board of Trustees to be comprised of 12 members, of which, three members would be ex-officio and non-voting members. These ex-officio members

would include the Secretary of Finance and the staff directors of the Senate Finance and the House Appropriations Committees or their designees.

- ***Provide Funding for Office Space Expenses.*** Proposes \$142,138 NGF the first year and \$134,254 NGF the second year for build-out costs and renovations to the office spaces occupied by the operational and investment divisions. The first year amount reflects one-time funds for construction services to expand into additional leased space. The second year amount reflects the rent increase of the leased space.
- ***Provide Investment Staff Performance-Based Bonuses.*** Recommends \$1.4 million NGF the second year to provide performance-based bonuses to investment staff based on the prior fiscal year's performance results, consistent with existing policy.
- ***Support Program Changes to Retiree Health Insurance Program.*** Proposes \$315,000 NGF the second year for program changes and updates to publications and training materials associated with a companion amendment within Central Appropriations that would increase the health insurance credit benefit for State Police Officers' Retirement System (SPORS) and Virginia Law Officers' Retirement System (VaLORS) members, as well as sheriffs and deputies.
- ***Provide Funding for Market-Driven Investment Data Access.*** Recommends \$919,005 NGF the second year for continued access to market-driven investment data access to support investment decisions.
- ***Complete Automation and Final Phase of the Modernization Project.*** Proposes \$1.5 million NGF the first year and \$798,550 NGF the second year to complete the automation and final phases of the Modernization project. The Modernization Project is a multi-year project that has sought to replace legacy computer systems and paper forms for retirement and financial planning services for members, retirees, and employers, with a web-based system. The automation of retirement disbursements is expected to reduce the manual review of processing retirement benefits for state and local retirees and their beneficiaries. The final project would allow state and local members to view and manage their retirement benefits online.
- ***Provide Post-Modernization Production Services.*** Recommends \$668,223 NGF the first year and \$755,373 NGF the second year to support the post-production costs to automate retirement systems and provide online financial and retirement assistance.

- **Virginia Workers' Compensation Commission**

- *Provide Central Accounts Distribution.* Proposes \$1.5 million NGF the second year to support the distribution of centrally-funded actions, including salary and fringe benefits adjustments, health insurance, other post-employment benefits, and information technology *costs*, authorized in Chapter 2.

# Capital Outlay

<b>Capital Outlay Funding - Chapter 2 + Governor's Introduced Budget</b>			
<u>Fund Type</u>	<u>Chapter 2</u> <u>2018-20</u>	<u>Gov.</u> <u>Amd.</u> <u>2018-20</u>	<u>Gov.</u> <u>Intro.</u> <u>2018-20</u>
General Fund	\$0.1	\$33.5	\$33.6
VPBA/VCBA Tax-Supported Bonds	1,001.9	568.4	1,570.3
9(c) Revenue Bonds	21.0	17.9	38.9
9(d) NGF Revenue Bonds	185.2	33.0	218.2
Nongeneral Fund Cash	<u>239.3</u>	<u>153.6</u>	<u>392.9</u>
<b>Total</b>	<b>\$1,447.5</b>	<b>\$806.3</b>	<b>\$2,253.7</b>

The proposed capital outlay amendments to the FY 2018-20 biennial budget total \$806.3 million from all funds.

**Projects Proposed to be Supported with General Fund Cash Include:**

- **Department of General Services**
  - *Enhance Security, North Drive.* Recommends \$2.0 million the first year for the purpose of enhancing security at North Drive. This location is at the corner of 9<sup>th</sup> and Grace Streets and would include the area with the guard tower manned by the Capitol Police.
- **Gunston Hall**
  - *Repair Exterior Brick and Stone.* Proposes \$375,000 GF the first year for the purpose of restoring and preserving the outside of Gunston Hall in order to maintain this National Historic Landmark.

- **Roanoke Higher Education Authority**
  - *Create Oliver Hill Courtyard.* Recommends \$328,000 GF the first year for the purpose of constructing a plaza between the main building and the Claude Moore Education Complex to give the area a campus like feeling. The space will also be an area to tell the story of Oliver Hill and his efforts to expand educational opportunities for all people.
  
- **Department of Juvenile Justice**
  - *Renovate Buildings to Create Additional Vocational Classroom Space at Bon Air JCC.* Proposes \$432,000 GF the first year for the purpose of renovating existing space for classrooms at the Bon Air Juvenile Facility.
  
- **Department of State Police**
  - *Construct Area 39 Office in Rockbridge County.* Recommends \$725,000 GF in the first year for the purpose of constructing a new area office in Rockbridge County.
  
- **Central Capital Outlay**
  - *Capital Project Planning.* Proposes \$29.6 million GF the first year for detailed planning for eight projects under the Central Capital Detailed Planning Fund, a fund that is also replenished as previously planned projects move to construction. See the table below for the projects proposed under this section.

<b>Central Capital Detailed Planning</b>	
<u>Agency</u>	<u>Project Title</u>
Science Museum of Virginia	Construct Regional Science Center
Department of State Police	Replace Training Academy – Central Headquarters
Wilson Workforce & Rehab. Center	Renovate Watson Theater and Activities Bldg., Phase 3
VA Museum of Fine Arts	Expand and Renovate the Museum
Dept. of Behav. Health & Developmental Services	Renovate Eastern State Hospital, Phase 3
Dept. of Juvenile Justice	Replace Central State Hospital
Dept. of Corrections	Construct Juvenile Correctional Center, Central Virginia
	Expand Deerfield Correctional Center

**Projects Proposed to be Supported with Tax-Supported Debt:**

- **Central Capital Outlay**

- *Equipment for Projects Nearing Completion.* Recommends \$46.0 million in the second year for tax-supported bonds to purchase furnishings and equipment for projects scheduled to come on-line in FY 2020. The table below lists the eligible projects:

<b>Equipment for Projects Nearing Completion</b>	
<u>Agency</u>	<u>Project Title</u>
Department of Conservation and Recreation	Construct Various Cabins at Pocahontas and Powhatan State Parks
Department of Conservation and Recreation	Renovate Foster Falls Hotel at New River Trail State Park
College of William & Mary	Construct Fine and Performing Arts Facility, Phases I & II
University of Mary Washington	Convert and Renovate Seacobeck Hall
University of Mary Washington	Provide supplemental equipment funding for Jepson Science Center Addition
Old Dominion University	Construct New Science Center
Virginia Commonwealth University	Construct School of Engineering & Research Expansion
George Mason University	Construct Utilities Distribution Infrastructure
Virginia Community College System	Replace Academic and Administration Building, Eastern Shore
Eastern Virginia Medical Center	Construct New Education and Academic Administration Building
Department of Behavioral Health & Developmental Services	Construct New Sexually Violent Predator Facility

- *Capital Outlay Pool Supplements.* Proposes \$3.1 million in VCBA tax-supported bonds and \$7.8 million in VPBA tax-supported bonds to supplement two projects from previously authorized capital pools. One project provides additional funding for statewide fire alarm replacements under the Department of Corrections and the other supplements the Kentland Facilities, Phase I project at Virginia Tech.
- *New Construction – 2019 Capital Construction Pool.* Recommends \$121.5 million in tax-supported bond proceeds to support 13 additional projects at state agencies and higher education institutions (11 of the projects are related to infrastructure or life/health/safety issues). Additionally, \$17.1 million of prior bond proceeds from

previously approved projects are transferred to fund these projects under the proposed budget. Of these amounts, the introduced budget proposes \$25.0 million in VPBA bond proceeds for the Combined Sewer Overflow matching fund for the City of Alexandria.

### Proposed New Projects

<u>Agency</u>	<u>Project Title</u>
Department of General Services	Renovate Parking Deck, Main Street Centre
Department of General Services	Improve Capitol Campus Utilities
Virginia Military Institute	Construct Corps Physical Training Facility, Phase 3 (Aquatic Center)
Longwood University	Replace Major HVAC System Components
Old Dominion University	Address Maintenance Needs in Kaufman and Mills Godwin Building
Virginia Museum of Fine Arts	Replace Life and Safety Systems and Upgrade
Virginia Museum of Fine Arts	Repair the Museum Building Envelope
Virginia Institute of Marine Science	Replace Oyster Hatchery
Gunston Hall	Upgrade Fire Suppression System
Department of Behavioral Health & Developmental Services	Renovate Catawba Hospital
Department of Juvenile Justice	Repair Life Safety Systems and Upgrade Electrical Systems, Bon Air
Department of Corrections	Wastewater Treatment Plants
Department of Corrections	Construct James River Wastewater Pump Station

- *New Construction – Workforce Development Projects* Recommends \$80.0 million in tax-supported bond proceeds to support renovations, enhancements, equipment, and facility construction related to the initiative to increase the number of bachelor’s and master’s degrees in computer science and closely related fields, consistent with degree production language in Item 475, paragraph U.
- **Other Standalone Tax-Supported Bond Projects**
  - *Virginia School for the Deaf and the Blind.* Recommends \$1.0 million to expand the emergency generator system.

- *Department of Military Affairs.* Proposes an additional \$3.0 million in VPBA tax-supported bonds for the improvement of readiness centers. This is a supplement to an existing project.
- *Department of State Police.* Proposes \$132.2 million in VPBA tax-supported bonds for the Statewide Agencies Radio System (STARS) upgrade which would fund the estimated costs of updating subscriber equipment and network infrastructure, warehousing of equipment, contracting of logistical and project management support, and VITA project management. In addition, recommends \$5.8 million in VPBA bonds to refresh the Commonwealth Link to Interoperable Communications System (COMLINC) at 147 sites and add 25 new users.
- *Virginia Tech.* Proposes \$168.0 million in VCBA tax-supported bonds and \$107.0 NGF in the second year to construct an Innovation Campus in Northern Virginia as part of an effort to support growth in degrees related to computer science.
- **Projects Supported with 9(c) Revenue Bonds.**
  - *Acquire Property Campus Expansion.* Proposes a total of \$17.9 million for the acquisition of a property that houses students at Radford University.
- **Projects Supported with 9(d) Revenue Bonds.** Recommends a total of \$33.0 million for the following list of projects supported by 9(d) revenue bonds:

<b>9(d) Revenue Bonds</b>		
<u>Institution</u>	<u>Project Title</u>	<u>Amount</u>
Virginia Tech	Renovate Dietrick Hall, First Floor and Plaza	\$3,800,000
Old Dominion University	Construct Student Health & Wellness Center	9,200,000
Higher Education Institution	Parking Deck Repairs	<u>20,000,000</u>
<b>Total</b>		<b>\$33,000,000</b>

- **Other Projects Supported with Nongeneral Fund Cash.** Proposes a total of \$153.6 million NGF for the following list of projects supported by agency nongeneral funds (including NGF previously mentioned under the new project pool):

<b>Nongeneral Fund Supported Projects</b>		
<u>Agency</u>	<u>Project Title</u>	<u>Amount</u>
Department of Agriculture and Consumer Services	Construct New Vehicle Center	\$4,270,000
Old Dominion University	Construct Campus Dining Improvements	5,000,000
Old Dominion University	Construct Student Health and Wellness Center	1,800,000
Virginia Tech	Construct Northern Virginia Innovation Campus	107,000,000
Department of Conservation and Recreation	Property Acquisition State Parks	2,262,335
Department of Conservation and Recreation	Property Natural Area Preserves	8,339,595
Department of Conservation and Recreation	Acquire and Develop Middle Peninsula State Park	145,000
Department of Military Affairs	Improve Readiness Centers	9,000,000
Department of Motor Vehicles	Acquire Emporia Customer Service Center	10,000
Virginia Port Authority	Cargo Handling Facilities	5,250,000
Central Capital Outlay	Capital Project Pool 2019	<u>10,516,000</u>
<b>Total</b>		<b>\$153,592,130</b>

### *Language Amendments*

- **General Conditions.** Language is proposed that includes the 2018 Capital Construction Pool to the pools that the Six-Year Plan Capital Outlay Advisory Committee has the authorization to transfers bonds between.
- **Acquire Virginia Alcoholic Beverage Control Authority Property.** Would permit Virginia Commonwealth University to purchase the Hermitage Road property in Richmond, Virginia once the Authority vacates the property. The University would purchase the property at a fair market value (two appraisals – one from each agency would be done and the average value between the two would be paid).

Note: This analysis includes state funds for the Standards of Quality, Incentive, Categorical, and School Facilities service areas. Federal funds are not included in this analysis.

<sup>1</sup> Updates to Lottery-Funded Accounts include the routine technical updates and data corrections for Supplemental Basic Aid, and VPI Head Start totals.

<sup>2</sup> Students enrolled in the Special Education - Regional Tuition program are excluded from the ADM total and the subsequent Basic Aid funding calculation.

Note: This analysis includes state funds for the Standards of Quality, Incentive, Categorical, and School Facilities service areas. Federal funds are not included in this analysis.

<sup>1</sup> Updates to Lottery-Funded Accounts include the routine technical updates and data corrections for Supplemental Basic Aid and VPI Head Start totals.

<sup>2</sup> Students enrolled in the Special Education - Regional Tuition program are excluded from the ADM total and the subsequent Basic Aid funding calculation.
